

MISSION BAY SOUTH
TAX INCREMENT ALLOCATION PLEDGE AGREEMENT

THIS MISSION BAY SOUTH TAX INCREMENT ALLOCATION PLEDGE AGREEMENT (this "Agreement") dated as of November 16, 1998, is between the CITY AND COUNTY OF SAN FRANCISCO, a charter city and county (the "City") and the REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO, a public body, corporate and politic of the State of California (together with any successor public agency designated by or pursuant to law, the "Agency"). Unless otherwise defined in this Agreement, all initially capitalized terms used in this Agreement shall have the meanings given them in the Mission Bay South Redevelopment Plan (as described in Paragraph A of the Recitals, below) or in the South OPA (as described in Paragraph D of the Recitals, below), as the case may be.

THIS AGREEMENT is made with reference to the following facts and circumstances:

A. In accordance with the Community Redevelopment Law of California (Health & Safety Code Section 33000 et seq.), the City, acting through its Board of Supervisors, has approved a Redevelopment Plan for the Mission Bay South Redevelopment Project by Ordinance No. 335-98 adopted by the Board and approved by the Mayor on November 2, 1998. The Redevelopment Plan, as it may be amended, is referred to as the "Mission Bay South Redevelopment Plan."

B. The Mission Bay South Redevelopment Plan provides for the redevelopment, rehabilitation and revitalization of the area generally bounded by the China Basin Channel and Seventh Street, Interstate 280, Mariposa Street, Terry Francois Boulevard and Third Street and containing approximately two hundred thirty eight (238) acres of land, as more particularly described in such plan (the "South Plan Area"). At the center of the South Plan Area is an approximately forty three (43)-acre biomedical campus for the University of California at San Francisco, containing approximately two million six hundred fifty thousand (2,650,000) square feet of instruction, research and administration space, plus associated parking and loading uses. The Mission Bay South Redevelopment Plan describes a mixed-use development on property owned by Owner, the Agency and the City comprised of up to approximately three thousand ninety (3,090) units of housing, including both market-rate and affordable rental and for-sale units, approximately thirty-five (35) acres of public open space (including approximately two (2) acres on Port property immediately to the east of the South Plan Area that would be required to be improved in conjunction with adjacent development in the South Plan Area), up to approximately three hundred two hundred thirty thousand (230,000) square feet of retail space, up to approximately five million (5,000,000) Leasable square feet of mixed research and development, office and light manufacturing uses, an approximately five-hundred (500) room hotel and related facilities such as banquet and conference rooms, and parking and loading uses. In addition, approximately thirty thousand (30,000) Leasable square feet of local-serving retail uses may be developed on Affordable Housing Parcels and approximately thirteen thousand six hundred (13,600) Leasable square feet of retail uses could be constructed on Port property in a

portion of the new Bayfront park. The Mission Bay South Redevelopment Plan further provides for development of a new public elementary or secondary school on an approximately two and two tenths (2.2) acre site within the UCSF campus area and construction of a new combined City police and fire facility on an approximately one and five tenths (1.5) acre site east of Third Street. In addition to the approximately thirty-five (35) acres of open space described above, the Mission Bay South Redevelopment Plan provides for approximately eight (8) acres of public open space in the UCSF campus area. The project description and land use plan for the South Plan Area are attached as Exhibit A to this Agreement.

C. Section 500 of the Mission Bay South Redevelopment Plan authorizes the Agency to use tax increment funds to finance the redevelopment of the South Plan Area, including, without limitation, the issuance of tax allocation bonds secured by a pledge of property tax increments from the South Plan Area, subject to the time limits on incurring such indebtedness set forth therein. The Mission Bay South Redevelopment Plan limits the amount of bonded indebtedness of the Agency to be repaid from an allocation of tax increments pursuant to the Community Redevelopment Law, which can be outstanding at one time, to a total of four hundred fifty million dollars (\$450,000,000), except such amount may be modified through amendments to the Mission Bay South Redevelopment Plan, as approved by the City's Board of Supervisors. Under the Mission Bay South Redevelopment Plan and consistent with legal restrictions under the Community Redevelopment Law, the Agency may not pay indebtedness or receive tax increments from the South Plan Area after forty five (45) years from the effective date of the ordinance adopting the Mission Bay South Redevelopment Plan, referred to in Paragraph A above.

D. In order to facilitate the implementation of the Mission Bay South Redevelopment Plan, the Agency and Catellus Development Corporation, a Delaware corporation ("Catellus") are entering into or have entered into a Mission Bay South Owner Participation Agreement (the "South OPA"), dated as of November 16, 1998, regarding the development of the property within the South Plan Area owned by Catellus and its Transferees permitted under the North OPA (the "Owner"). The South OPA includes a Financing Plan, annexed to the South OPA as Attachment E (the "Financing Plan"), under which the Agency has incurred certain executory financial obligations, including the pledge of Net Available Increment from the South Plan Area as further provided therein, subject to the approval of the City's Board of Supervisors of this Agreement. A copy of the Financing Plan is attached to this Agreement as Exhibit B. The Mission Bay South Redevelopment Plan, and its implementing documents, including, without limitation, the South OPA, the Design for Development and Mission Bay Subdivision Ordinance and regulations adopted thereunder, are referred to in this Agreement individually and collectively as the "Plan Documents."

E. The redevelopment of the South Plan Area by the Owner in accordance with the Plan Documents affords numerous public benefits for the City and County and its residents. Such public benefits include, without limitation, the revitalization of the South Plan Area, which is currently blighted, and the elimination of the blighting influences, the provision of substantial new affordable housing, the provision of a variety of publicly accessible open space, the creation and enhancement of public access to the waterfront, the creation of jobs, including employment

opportunities for economically disadvantaged individuals, the retention and expansion of the University of California at San Francisco, and the growth of the City's biotechnology industry.

F. In accordance with the Financing Plan, the Agency is establishing a Community Facilities District ("CFD") for the South Plan Area pursuant to the Mello-Roos Community Facilities Act of 1982, as amended. The parties intend that the CFD will issue bonds to permit the financing of Infrastructure under the Infrastructure Plan before development in the South Plan Area generates tax increment which may be applied for such purpose. Tax increment from the South Plan Area and/or the issuance of bonds secured by a pledge of such increment will then be used to make payments on indebtedness of the CFD, defease the CFD indebtedness, or pay or otherwise reimburse directly the costs of Infrastructure, or a combination of the foregoing, all as further provided in the Financing Plan.

G. As provided in the Financing Plan, no tax increment revenues nor any proceeds of any Tax Allocation Bonds will be made available to the Owner for the Mission Bay South project beyond any Net Available Increment generated from development within the South Plan Area. In this way, no tax increment will be drawn for development by the Owner in the South Plan Area from any other redevelopment project areas in accordance with the South OPA. Furthermore, as provided in the Financing Plan, Catellus will agree to pay certain shortfalls in the available tax increment needed to pay debt service on tax allocation bonds issued by the Agency to finance Infrastructure within or benefiting the Plan Area. This payment obligation applies to tax increment generated by property in the Plan Area that Catellus continues to own. It also applies to property in the Plan Area owned by Catellus' Transferees that do not qualify under the Transferee net worth and experience criteria of the South OPA (including Catellus Affiliates that do not meet the net worth requirements). Any other Transferee that acquires all or substantially all of the undeveloped property in the Plan Area, or any Affiliate of Catellus that meets the net worth requirements for transfer specified in the South OPA, will be required to enter into a similar agreement as to such property. The obligation by Catellus or any other applicable Transferee to pay any such shortfalls in tax increment will be evidenced by separate agreement, subject to the terms, conditions and limitations set forth in the Financing Plan. The payment obligation will terminate as to property Transferred to Transferees meeting the net worth and experience criteria under the South OPA if those Transferees acquire less than all or substantially all of the undeveloped property in the Plan Area. The Financing Plan gives the Redevelopment Agency the discretion on a case by case basis in issuing tax allocation bonds to establish debt coverage, market timing, credit enhancement or other requirements as the Agency determines are appropriate to safeguard against the risk of default.

H. In accordance with the Housing Program and the Financing Plan, the Agency and the City intend that all of the Housing Increment produced by development in the South Plan Area, which increment is required to be set aside for the provision of affordable housing under the Community Redevelopment Law, shall be reserved and dedicated for the predevelopment, development and construction of Agency Sponsored Affordable Housing Units on the Affordable Housing Parcels contributed to the Agency by the Owner in the South Plan Area, to the extent Housing Increment is needed for such purpose, consistent with the fulfillment of the objectives of the Mission Bay South and North Redevelopment Plans, respectively.

I. Under the Housing Program, the Agency has committed to spend any and all Excess Increment generated in the South Plan Area to the extent necessary to carry out its affordable housing programs in the South and North Plan Areas and achieve the objectives of the Mission Bay South and North Redevelopment Plans, respectively. The parties intend that any and all such Excess Increment shall be pledged to the extent needed for the development of Agency Sponsored Affordable Housing Units in the South and North Plan Areas as provided in the Housing Program and the Financing Plan attached to the South and North OPAs. In addition, under the Housing Program for the North Plan Area any and all Agency Excess Increment generated in the North Plan Area shall be dedicated for use for the development of such Agency Sponsored Affordable Housing Units.

J. Use of such Housing Increment and Excess Increment from the South Plan Area, together with Agency Excess Increment from the North Plan Area as provided in the Tax Allocation Agreement for the North Plan Area, is essential to the development of Agency Sponsored Affordable Housing Units on the Affordable Housing Parcels and, therefore, to complying with the requirement set forth in the Community Redevelopment Law that at least fifteen percent (15%) of the new and rehabilitated housing units in the South Plan Area are affordable and to achieving the objective contemplated by the Mission Bay South Redevelopment Plan and the Plan Documents that thirty-six percent (36%) of the new housing units in the South Plan Area be affordable.

K. Pursuant to Sections 33220, 33343, 33344 and 33370 of the Community Redevelopment Law and in order to promote development in accordance with objectives and purposes of the Mission Bay South Redevelopment Plan and the Plan Documents, the City and the Agency have entered into an Interagency Cooperation Agreement, dated concurrently herewith, to provide for their cooperation in administering the control and approval of subdivisions, and all other applicable land use, development, construction, improvement, infrastructure, occupancy and use requirements applicable to the South Plan Area.

L. Pursuant to the authority granted under Article XVI, Section 16 of the California Constitution and Sections 33670, 33334.2, 33671 and 33675 of the Community Redevelopment Law, the parties now wish to provide for (1) the irrevocable pledge of Net Available Increment from the South Plan Area for the purposes of financing or refinancing the construction of all Infrastructure in or primarily benefiting the South Plan Area, (2) the irrevocable pledge of Excess Increment from the South Plan Area for the purpose of financing the development of Agency Sponsored Affordable Housing Units in the South and North Plan Areas and (3) authorization and approval of the incurrence of bonded indebtedness by the Agency for such purposes, all on the terms and conditions further set forth below.

ACCORDINGLY, in consideration of the matters described in the foregoing recitals, the covenants contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, the City and Agency agree as follows:

1. Purpose of this Agreement. The purpose of this Agreement is to facilitate the

implementation of the Mission Bay South Redevelopment Plan and the development of the South Plan Area in accordance with the Mission Bay South Redevelopment Plan and the Plan Documents. The parties agree that the development of the South Plan Area pursuant to the Mission Bay South Redevelopment Plan and Plan Documents is in the best interests of the City and the health, safety and welfare of its residents, and in accord with the public purposes and provisions of applicable federal, state and local laws. The parties intend that all Net Available Increment generated in the South Plan Area shall be irrevocably pledged to finance or refinance the construction of all Infrastructure, including open space improvements, that any and all of the Excess Increment generated in the South Plan Area shall be pledged to finance or refinance the development of Agency Sponsored Affordable Housing Units in the South and North Plan Areas, and that all of the Housing Increment generated in the South Plan Area shall be pledged to finance or refinance the development of Agency Sponsored Affordable Housing Units, and to create a reliable source of funds to pay all such contractual obligations agreed to by the Agency in furtherance of the objectives of the Mission Bay South Redevelopment Plan, all in accordance with the terms and conditions of the Financing Plan. The Agency and the City acknowledge and agree that this Agreement is entered into for their benefit and for the express benefit of the Owner, that Owner is entitled to rely on this Agreement, receive benefits conferred by this Agreement and enforce any provision of this Agreement against any party to this Agreement; provided, however, neither the Agency nor the City shall be liable to the Owner for damages, except as provided in Section 11.2 below.

2. Pledge of Net Available Increment for Infrastructure. Pursuant to Article XVI, Section 16 of the California Constitution and Sections 33670(b), 33671 and 33675 of the Community Redevelopment Law, the City recognizes and approves the assumption of indebtedness by the Agency under the Financing Plan for the purpose of financing or refinancing, in whole or in part, the construction of all Infrastructure required for the South Plan Area in accordance with the terms and conditions of the Financing Plan, and the City agrees that all Net Available Increment produced from the South Plan Area and any interest earnings thereon shall be irrevocably pledged by the Agency, as a first pledge, for the payment of principal of and interest on such indebtedness of the Agency. As used in this Agreement, "indebtedness" shall include Agency Tax Allocation Bonds and any contractual obligation of the Agency to pay for or reimburse the cost of Infrastructure pursuant to the Financing Plan.

3. Authorization of Agency Bonded Indebtedness. In accordance with Section 33606 of the Community Redevelopment Law, the City hereby authorizes and approves the incurrence by the Agency of Agency bonded indebtedness (including, without limitation, the issuance of CFD Bonds and Tax Allocation Bonds) for the purposes of financing or refinancing, in whole or in part, the construction of Infrastructure required for the South Plan Area in accordance with the Financing Plan; provided, however, the total amount of such indebtedness shall not exceed four hundred fifty million dollars (\$450,000,000). The City shall take such actions as are necessary to approve the Agency's budget to the extent required to fulfill the terms of this Agreement.

4. Statement of Indebtedness; Covenant to Appropriate. As provided in the Community Redevelopment Law, the Agency shall submit to the City Controller a statement of indebtedness on an annual basis showing, among other things, the amount of the Agency's indebtedness for

Mission Bay South for the ensuing fiscal year. Pursuant to Article XVI, Section 16 of the California Constitution and the Community Redevelopment Law, the Board of Supervisors of the City covenants to take such actions as are necessary to appropriate from Net Available Increment (and, without limiting the requirements of the Community Redevelopment Law, the Housing Increment) such legally available funds as are required to pay the Agency's indebtedness secured by the pledge described in Sections 2, 3, 4 and 6 of this Agreement, based on the Agency's submission of statements of the Agency's indebtedness as provided above.

5. Satisfaction of Indebtedness; Termination of Restrictions. Notwithstanding anything to the contrary contained in this Agreement, the Mission Bay South Redevelopment Plan or the Plan Documents, the parties agree that once the Agency's total indebtedness to pay for the construction of Infrastructure under the Financing Plan has been paid from Net Available Increment, the remaining Net Available Increment shall be free of any commitment, pledge or restriction under this Agreement and of any obligations to the Owner or Agency except to the extent Excess Increment is needed to fulfill the objectives of the Mission Bay South and North Redevelopment Plan and Housing Programs with respect to the development of Agency Sponsored Affordable Housing Units in the South and North Plan Areas.

6. Agency Sponsored Affordable Housing Units. As further provided in the Financing Plan, the Agency shall devote all of the Housing Increment produced by development in the South Plan Area, which increment is required to be set aside for the provision of affordable housing under the Community Redevelopment Law, for the predevelopment, development and construction of Agency Sponsored Affordable Housing Units on the Affordable Housing Parcels contributed to the Agency by the Owner in the South and North Plan Areas, to the extent Housing Increment is needed for such purposes. In addition, as provided in the Tax Allocation Agreement for the North Plan Area, Agency Excess Increment (and interest earnings thereon) shall be pledged for the predevelopment and development of Agency Sponsored Affordable Housing Units in the North and South Plan Areas, and to the extent Agency Excess Increment from the North Plan Area is used for such purposes in the South Plan Area such Agency Excess Increment shall be added to and become part of the Housing Increment generated by the North Plan Area pursuant to Section 33334.2 of the Redevelopment Law. In selecting Qualified Affordable Housing Developers for the development of Agency Sponsored Affordable Housing Units in the North and South Plan Areas, the Agency agrees to use its best efforts to select those Qualified Affordable Housing Developers who meet the Agency's affordable housing objectives and criteria for development of the particular Affordable Housing Parcel but otherwise minimize the use of Agency Excess Increment from the North Plan Area and Excess Increment from the South Plan Area to the extent practicable; provided, however, notwithstanding anything to the contrary contained in Section 12.5 of this Agreement, the foregoing covenant by the Agency is for the sole and exclusive benefit of the City and not for the benefit of any other Person and shall not be deemed to have conferred any rights whatsoever, express or implied, upon any other Person (including, without limitation, the Owner and any proposed Qualified Affordable Housing Developer).

7. Effective Date. This Agreement shall become effective as of the date (the "Effective Date") which is the latest of (i) the date upon which the Mission Bay South Redevelopment Plan

becomes effective, (ii) the date upon which the Board of Supervisors resolution authorizing and approving this Agreement becomes effective, and (iii) the date on which the City and Agency authorize, execute and deliver this Agreement and Catellus executes and delivers the attached Consent and Agreement.

8. Term. The term of this Agreement shall begin on the Effective Date and shall end upon the later of the expiration of the Mission Bay South Redevelopment Plan or the repayment or defeasance of all of the Agency's indebtedness with respect to the redevelopment of the South Plan Area incurred in accordance with this Agreement; provided, however, the term shall not exceed 45 years from the effective date of the Board of Supervisors ordinance adopting the Mission Bay South Redevelopment Plan.

9. No General Fund Commitment. The Agency's indebtedness recognized under this Agreement shall be limited solely to revenues payable from Net Available Increment generated in the South Plan Area and Housing Increment and Excess Increment with respect to Agency Sponsored Affordable Housing Units, and any interest earnings thereon, on the terms set forth above. Notwithstanding anything to the contrary contained herein, this Agreement is not intended to, and shall not, create any commitment or obligation of the City to satisfy all or any portion of such indebtedness out of its General Fund, nor shall this Agreement be construed in any manner that would violate the debt limitations under Article XVI, Section 18 of the State Constitution or of the City's Charter, including Section 3.105 of the Charter. As further provided in the Financing Plan, the lack of sufficient tax increment proceeds to finance all or a portion of the costs of the Infrastructure shall not relieve the Owner of its obligations under the South OPA to complete the Infrastructure, so long as Net Available Increment is pledged and appropriated consistent with this Agreement.

10. No Use of Increment from Other Project Areas. The parties recognize and agree that in accordance with the South OPA and other Plan Documents, no tax increment nor the proceeds of any Tax Allocation Bonds shall be made available to the Owner for the Mission Bay South project beyond the Net Available Increment generated from development within the South Plan Area. In this way, no tax increment shall be drawn for development by the Owner in the South Plan Area from other redevelopment project areas.

11. Remedies.

11.1 General.

(a) In the event of any default in or breach of this Agreement (each a "default"), or any of its terms, by either the City or the Agency, the non-defaulting party (or the Owner) may deliver a written notice of default to the other regarding such default. The notice of default shall state with reasonable specificity the nature of the alleged default, the provisions under which the default is claimed to arise, and the manner in which the failure of performance may be satisfactorily cured. Upon receipt of such notice of default, either the City or the Agency, as applicable, shall commence within a reasonable time not to exceed sixty (60) days to cure or remedy such default, and shall thereafter pursue such cure or remedy to completion.

(b) Upon delivery of a notice of default, the City and the Agency, together with the Owner, shall promptly meet to discuss the default and the manner in which the defaulting party can cure or remedy the same so as to satisfy the aggrieved party's concerns. The City, Agency and the Owner shall continue meeting regularly, discussing, investigating and considering alternatives for a period of sixty (60) days from the delivery of the notice of default. If, at the end of the meet and confer period, the aggrieved party no longer holds the view that the other party is in default, such party shall issue a written acknowledgment of the other party's cure or remedy of the matter which was the subject of the notice of default.

(c) If (i) action is not diligently taken or pursued, or the default shall not be cured or remedied within a reasonable time or (ii) either the City or the Agency, which is alleged to be responsible for the default, shall refuse to meet and discuss as described above, then the aggrieved party may institute such proceedings (except as otherwise limited by this Agreement, and in particular, Section 11.2) as may be necessary or desirable in its opinion to cure and remedy such default, including, without limitation, proceedings to compel specific performance by the party in default of its obligations. Nothing in this Section shall require a party to postpone instituting any injunctive proceeding if it believes in good faith that such postponement will cause irreparable harm to such party. The parties acknowledge that termination is a remedy only in the event of termination of the South OPA, as further provided in this Agreement.

11.2 No Monetary Damages. The parties have determined that monetary damages are generally inappropriate and that it would be extremely difficult and impractical to fix or determine the actual damages to a party as a result of a breach or default under this Agreement and that equitable remedies and remedies at law not including damages are the appropriate remedies for enforcement of this Agreement. The parties would not have entered into this Agreement if either of them were liable to the other or to the Owner, including any Transferee of the Owner, for damages under or with respect to this Agreement. Consequently, the parties have agreed that neither party shall be liable in damages to the other, to any Owner, including any Transferee, or to any other Person, and each covenants not to sue for or claim any damages and expressly waives its right to do so (A) for any breach of, or which arises out of, this Agreement or (B) arising out of or connected with any dispute, controversy or issue regarding the application, interpretation or effect of the provisions of this Agreement, except as otherwise provided in the South OPA as between the Agency and the Owner, including any obligation to make any Additional Payments then in effect under the Financing Plan.

11.3 Attorneys' Fees. In the event of any dispute or any legal action or other dispute resolution mechanism to enforce or interpret any provision of this Agreement, the prevailing party shall not be entitled to attorneys' fees.

The effective time of a notice shall not be affected by the receipt, prior to receipt of the original, of a telefacsimile copy of the notice.

12.2 Amendments. Except as otherwise provided in this Agreement, this Agreement may be amended or modified only by a written instrument executed by City and Agency, with the written consent of the Owner Representative (as defined in Section 12.6 below), which consent shall not be unreasonably withheld, conditioned or delayed and provided that the Agency and the City may make any amendment to this Agreement with notice to but without the consent of the Owner if such amendment would not adversely affect the ability of the Agency to fulfill its obligations under the Financing Plan. The Agency and the Owner shall not amend the Financing Plan, the Infrastructure Plan or the Housing Program in any manner that would increase the pledge of Net Available Increment contemplated by this Agreement, or decrease the pledge of Housing Increment or Excess Increment for affordable housing purposes as provided herein, without in each case obtaining the prior written consent of the City, which may be given or withheld in its sole discretion. The Mayor and the Controller of the City (or any successor City officer as designated by law) shall have the authority to consent to any non-material amendments or other modifications to this Agreement, including, but not limited to, the Financing Plan. For purposes hereof, “non-material change” shall mean any change which does not increase the pledge of tax increment which is the subject of this Agreement or otherwise materially increase the liabilities or obligations of the City or materially decrease the availability of Housing Increment or Excess Increment for the purposes described herein. Material amendments to this Agreement shall require the approval of the Board of Supervisors, by resolution.

12.3 Severability. If any provision of this Agreement, or its application to any person or circumstance, is held invalid by any court, the invalidity or inapplicability of such provision shall not affect any other provision of this Agreement or the application of such provision to any other person or circumstance, and the remaining portions of this Agreement shall continue in full force and effect, unless enforcement of this Agreement as so modified by and in response to such invalidation would be unreasonable or grossly inequitable under all of the circumstances or would frustrate the fundamental purposes of this Agreement. Without limiting the foregoing, in the event that any applicable federal or state law prevents or precludes compliance with any material term of this Agreement, the parties shall promptly modify, amend or suspend this Agreement, or any portion of this Agreement, to the extent necessary to comply with such provisions in a manner which preserves to the greatest extent possible the benefits to each of the parties to this Agreement and to the Owner before such conflict with federal or state law.

However, if such amendment, modification or suspension would deprive the City or the Agency of the substantial benefits derived from this Agreement or make performance unreasonably difficult or expensive, then the affected party may terminate this Agreement upon written notice to the other party. In the event of such termination, neither party, nor the Owner, shall have any further rights or obligations under this Agreement.

12.4 Non-Waiver. Any delay or failure by the City or the Agency (or Owner) to exercise any right under this Agreement shall not be deemed a waiver of that or any other right contained in this Agreement.

12.5 Successors and Assigns; Third Party Beneficiary. This Agreement shall inure to the benefit of and bind the respective successors and assigns of the City and the Agency. The Owner, including any Transferee of the Owner permitted under the South OPA, is an intended third party beneficiary of this Agreement. Except as provided above with respect to the Owner and its permitted Transferees, this Agreement is for the exclusive benefit of the parties hereto and not for the benefit of any other Person and shall not be deemed to have conferred any rights, express or implied, upon any other Person.

12.6 Consents by Owner Representative. Any approvals or consents of the Owner required under this Agreement shall be limited to the approval or consent of the Owner Representative. For these purposes, "Owner Representative" shall mean the person designated in writing by Catellus to act in such capacity under this Agreement, or, if (i) all or substantially all of the undeveloped property in the South Plan Area has been Transferred to an Affiliate or (ii) a Transfer of all or substantially all of the undeveloped property in the South Plan Area has been effected by (a) the consolidation or merger of Catellus with or into any other business organization (whether or not Catellus is the surviving entity pursuant to Subchapter IX of the Delaware Corporation Law or the equivalent of the jurisdiction of Catellus' incorporation if Catellus reincorporates in another jurisdiction) (the "Resulting Entity") or (b) a Transfer permitted under the South OPA (the "Transfer Entity"), then the Affiliate, Resulting Entity or Transfer Entity, as the case may be, may designate the person to act in such capacity under this Agreement.

12.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

12.8 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

12.9 Interpretation of Agreement.

(a) Exhibits. Whenever an "Exhibit" is referenced, it means an attachment to this Agreement unless otherwise specifically identified. All such Exhibits are incorporated herein by reference.

(b) Captions. Whenever a section, article or paragraph is referenced, it refers to this Agreement unless otherwise specifically identified. The captions preceding the articles and sections of this Agreement have been inserted for convenience of reference only. Such captions shall not define or limit the scope or intent of any provision of this Agreement.

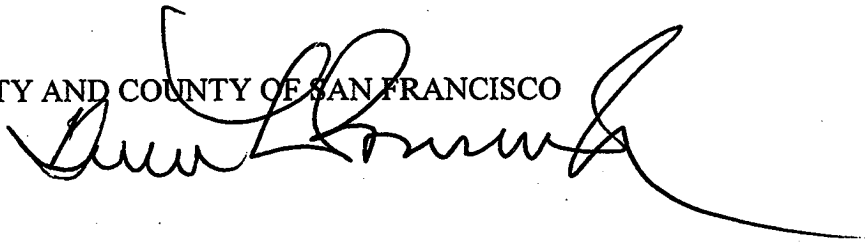

(c) Words of Inclusion. The use of the term “including,” “such as” or words of similar import when following any general term, statement or matter shall not be construed to limit such term, statement or matter to the specific items or matters, whether or not language of non-limitation is used with reference thereto. Rather, such terms shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such statement, term or matter.

(d) References. Wherever reference is made to any provision, term or matter “in this Agreement,” “herein” or “hereof” or words of similar import, the reference shall be deemed to refer to any and all provisions of this Agreement reasonably related thereto in the context of such reference, unless such reference refers solely to a specific numbered or lettered, section or paragraph of this Agreement or any specific subdivision thereof.

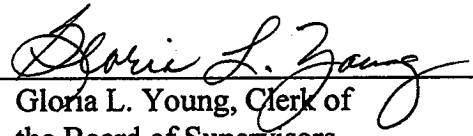

(e) Recitals. In the event of any conflict or inconsistency between the recitals and any of the remaining provisions of this Agreement, the remaining provisions of this Agreement shall prevail.

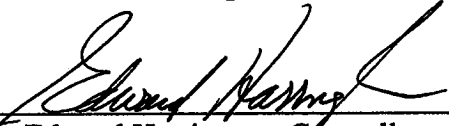

12.10 Entire Agreement. This Agreement (including the Exhibits) contains all the representations and the entire agreement between the parties with respect to the subject matter of this Agreement. Any prior correspondence, memoranda, agreements, warranties or representations relating to such subject matter are superseded in total by this Agreement. No prior drafts of this Agreement or changes from those drafts to the executed version of this Agreement shall be introduced as evidence in any litigation or other dispute resolution proceeding by either party or any other Person and no court or other body shall consider those drafts in interpreting this Agreement.

IN WITNESS WHEREOF, the City and the Agency have duly executed and delivered this Agreement as of the date first written above.

PROJECT DESCRIPTION AND LAND USE PLAN

MISSION BAY SOUTH
TAX ALLOCATION AGREEMENT
LAND USE PLAN AND PROJECT DESCRIPTION

Initially capitalized terms unless separately defined in this project description have the meanings and content set forth in the South OPA. "Local-serving" has the meaning and content set forth in the Mission Bay South Redevelopment Plan.

The South Plan Area contains a mix of primarily residential, retail and commercial/industrial uses, with associated parking and loading areas, together with supporting infrastructure, including a significant open space component. The development program of Owner and the Agency for the South Plan Area is more specifically as follows:

I. **Owner's Development Program.**

A. **Infrastructure Program.**

The Owner's obligations with respect to Infrastructure are set forth in the Infrastructure Plan. Together with the Mission Bay Subdivision Code and Regulations, the Infrastructure Plan establishes the design standards, construction standards, criteria and specifications for Infrastructure in the South Plan Area. In addition, the Infrastructure Plan and the South OPA describe the obligations of Owner and the City with respect to community facilities, including a police/fire station and school, which are both permitted on sites so designated in the Mission Bay South Redevelopment Plan. The Infrastructure Plan also contains an Infrastructure phasing methodology which establishes the timing and components of Infrastructure that will be required in connection with a Major Phase or Project.

B. **Development Program Components.**

In addition to and in conjunction with the Infrastructure described in the Infrastructure Plan, the Owner is permitted to construct the following Improvements in the South Plan Area on sites where such uses are permitted by the Mission Bay South Redevelopment Plan:

1. Up to approximately 1,900 market-rate Dwelling Units as defined in the Mission Bay South Redevelopment Plan; provided, however, that Owner may elect to construct additional units that the Agency would otherwise be permitted to construct pursuant to the terms and conditions of Section 3.4.3 of the South OPA.
2. Up to approximately 230,000 Leasable square feet of retail uses as defined in the Redevelopment Plan. The allowable retail space includes: 159,300

Leasable square feet of Local-serving retail, 20,700 Leasable square feet of City-serving retail, and 50,000 Leasable square feet of entertainment retail.

3. An up to 500 room hotel and associated facilities such as retail, banquet and conference rooms.
4. Up to 5,000,000 Leasable square feet of Commercial Industrial uses, as defined in the Mission Bay South Redevelopment Plan.
5. Public facilities, including open lot or enclosed storage, pump station, railroad tracks and related facilities, or other public use or structure.
6. Approximately 41 acres of open space, including eight acres within the UCSF site, plus an additional approximately two (2) acres on Port property outside of and adjacent to the South Plan Area.
7. Associated parking and loading, as provided in the Mission Bay South Design for Development document.
8. Temporary uses permitted under the Mission Bay South Redevelopment Plan and interim uses as may be approved pursuant to the Mission Bay South Redevelopment Plan.
9. Non-conforming uses, subject to the terms and conditions of the Mission Bay South Redevelopment Plan.

C. Streetscape.

The Owner shall prepare and submit to the Agency a Streetscape Plan for the South Plan Area prior to or concurrent with the first Major Phase submission. The Streetscape Plan shall be a concept level plan which includes, at a minimum, the following:

1. Street Trees. The Streetscape Plan will depict the types of street tree species proposed, general location, planting frequency and size, and relationship to the street hierarchy.
2. Lighting. The Streetscape Plan will describe lighting fixture types, general location and frequency.
3. Street Furnishings. The Streetscape Plan will describe, for street furnishings such as benches, trash receptacles, newspaper racks, bicycle racks and kiosks, their general location, frequency and types.
4. Sidewalk Treatment, Paving and Curbing. The Streetscape Plan will depict generally the sidewalk treatment, paving and curbing features.

D. Signage.

The Owner shall prepare and submit to the Agency a Signage Plan for the South Plan Area prior to or concurrent with the first Major Phase submission. The Signage Plan shall be a concept level plan which includes, at a minimum, a description of any uniform signage features proposed for the South Plan Area or, at Owner's election, as to those land use categories contained in the first Major Phase. Uniform signage features for any remaining land use categories would then be submitted as part of the first Major Phase submission that contains such categories. Uniform signage is not required, however, for the South Plan Area or any land uses therein, except for signs and images that pertain to safety, direction and orientation, which shall be located and signed consistently in major paths and intersections.

E. Channel Edge.

The Owner shall prepare and submit to the Agency a Channel Edge Plan. This Plan, covering the portions of blocks P1, P2 and P8 from the top of the South Channel bank toward the Channel to the mean low tide line, shall be a concept level plan which describes concepts for vegetation and, where necessary, bank stabilization techniques. This information will be submitted for blocks P1, P2 and P8 prior to or concurrent with the first Major Phase submission that includes one or more of these blocks. The treatment of P3 will be addressed separately as part of the Major Phase submission that includes that block.

II. Agency's Development Program

A. Infrastructure.

The Agency's obligations with respect to Infrastructure are set forth in the Infrastructure Plan and the Mission Bay Subdivision Code and Regulations. The Owner is responsible for providing Infrastructure to the Agency Affordable Housing Parcels in accordance with the South OPA, consistent with the Infrastructure Plan and Mission Bay Subdivision Regulations, including the phasing methodology.

B. Development Program Components.

1. Up to approximately 1,100 Affordable Housing Units, including a mix of rental and ownership units. This number may be increased under the terms and conditions of the Mission Bay South Housing Program.
2. Associated parking and loading, as provided in the Design for Development document.
3. Up to approximately 30,000 Leasable square feet of Local-serving retail on Affordable Housing Parcels.

4. Temporary uses permitted under the Mission Bay South Redevelopment Plan and interim uses as may be approved pursuant to the Mission Bay South Redevelopment Plan.

5. Non-conforming uses, subject to the terms and conditions of the Mission Bay South Redevelopment Plan.

2. OVERVIEW

2.A. General.

2.A.i. The South OPA provides that the Owner is responsible for constructing Infrastructure in accordance with the Infrastructure Plan, subject to the applicable provisions of the South OPA. The Agency will provide for the financing of the Infrastructure: (i) through the establishment of one or more CFDs and the issuance of bonds for such CFDs, and (ii) with respect to Infrastructure to be constructed within or found by the Agency to be of primary benefit to the South Plan Area, through the use of Net Available Increment and the issuance of bonds secured by a pledge (or otherwise payable from a contribution) thereof, as described in this Financing Plan and subject to applicable law. The Agency finds and agrees that the components of Infrastructure described in Exhibit D attached to this Financing Plan and the Infrastructure to be built within the South Plan Area are of primary benefit to the South Plan Area.

2.B. Community Facilities Districts.

2.B.i. All CFDs used in furtherance of this Financing Plan will be established by the Commission under and pursuant to the Act. Only land within the South Plan Area will be included in any CFD, and no Special Taxes will be levied on any Exempt Land. Special Taxes levied in maintenance CFDs will also be used to pay ongoing maintenance expenses of each Open Space Parcel, upon completion of the open space improvements thereon and acceptance of such improvements by the City, as provided in Section 7 of this Financing Plan.

2.B.ii. All CFDs will be formed and administered according to the general principles expressed in this Financing Plan, and otherwise in accordance with the requirements of the Act, applicable law and the Goals for CFDs. It is expected that the annual levy of Special Taxes and the indebtedness of any CFDs (other than (i) Special Taxes and CFDs used for maintenance of Open Space Parcels, as described in Section 7. below, or (ii) any portion of indebtedness of a CFD which financed Infrastructure outside of, and not of primary benefit to, the South Plan Area) will be reduced and refunded, respectively, over time by using Net Available Increment and Tax Allocation Debt to pay directly or indirectly for Infrastructure constructed within or of primary benefit to the South Plan Area, to the extent that sufficient Net Available Increment is generated during the term of the Mission Bay South Redevelopment Plan.

2.B.iii. In the event that, because of material changes to the Act occurring after the effective date of the South OPA, CFD financing is not available for reimbursement of costs of the Infrastructure or any significant portion thereof, the Agency and the Owner will negotiate in good faith as to a substitute public financing program equivalent in nature and function to CFDs, to be used for purposes of this Financing Plan in lieu of future CFDs.

2.B.iv. In the event that the South OPA is terminated in accordance with its terms prior to the end of its term, the Agency agrees to use reasonable efforts to lower the maximum rates of Special Taxes on any property (i) in any then outstanding CFD established to build Infrastructure, subject to the constraints of Section 53331(b) of the Act, to only such rates as are necessary or appropriate to pay debt service on bonded indebtedness of the CFD and administrative costs of the CFD and (ii) in any then outstanding CFD established to pay for maintenance expenses of Open Space Parcels, to an amount necessary to cover the then annual maintenance costs (allowing for periodic increases in respect to maintenance cost inflation) and administrative costs of the CFD. Any such reduction shall be applied first to reduce Special Taxes on undeveloped property and then developed property consistent with any applicable requirements of the Act and the applicable Taxing Formula. The Agency shall evidence any

such reduction by recording or causing to be recorded an appropriate instrument in the Official Records of the City and County of San Francisco.

2.B.v. The Owner may include in any CFD formed hereunder (except the maintenance CFD) all or any portion of the contribution made pursuant to the Infrastructure Plan to address the sewer odor conditions of the Southeast Water Pollution Control Plant; provided, however, notwithstanding anything to the contrary contained herein, Net Available Increment shall not be applied to pay or reimburse any portion of such contribution by the Owner. At the request of the Owner, the Agency agrees to meet and discuss in good faith other mutually acceptable financing alternatives for the Owner to pay for or reduce the CFD debt that paid for any such improvements to the Southeast Treatment Plant, consistent with the other terms and conditions of this Financing Plan.

2.C. Tax Increment.

2.C.i. Tax increment revenues to be used towards the payment of the costs of Infrastructure constructed within or of primary benefit to the South Plan Area will be limited to Net Available Increment. This Financing Plan is intended to create an "indebtedness" of the Agency under Section 33670(b) of the Redevelopment Law which is secured by an Agency pledge of Net Available Increment, and, under the Tax Allocation Agreement, the City has acknowledged that the Agency's obligations hereunder are subject to repayment from an ongoing Agency pledge of Net Available Increment.

2.C.ii Subject to the requirements of this Section 2.C.ii., the Agency shall be entitled to establish a "Determination Date" following which Net Available Increment shall be required to be used solely for purposes of repayment of Public Financings, the proceeds of which financed or will finance Infrastructure built or to be built within or of primary benefit to the South Plan Area, and not for the direct reimbursement to the Owner for the costs of such Infrastructure. Following a Determination Date, the Agency shall have the option in its sole and absolute discretion to apply Net Available Increment not needed to repay such Public Financings to such direct reimbursement. The Determination Date shall be established subject to the following requirements:

1. The determination shall be based, in part, upon information provided by the Owner Representative as described in Section 4.B.i. and this 2.C.ii. after the Agency has met and conferred with the Owner Representative as to the methodology and assumptions used by the Agency to make such determination.

2. The Agency must determine that there will be sufficient Net Available Increment in the then current Fiscal Year and in all future Fiscal Years to repay all present and future Public Financings (assuming a debt coverage ratio of 110% regardless of the actual debt coverage required under the documents governing the applicable Public Financing) issued or reasonably expected to be issued in order to pay for all costs of the Infrastructure built or to be built within, or determined to be of primary benefit to, the South Plan Area (the "Infrastructure Costs").

3. The Agency shall assume that following the Determination Date there will be no use of Special Taxes levied on any property within the South Plan Area other than with respect to maintenance CFDs.

4. In calculating Net Available Increment, the Agency shall assume the assessed valuation shown on the most recent property tax rolls issued with respect to the South Plan Area will increase based on (a) an annual inflation rate equal to 2% per annum, (b) improvements for which construction has been completed, and not yet

reflected on the South Plan Area property tax roll, and (c) with respect to all property other than that on blocks X3 and X4 as shown on the Land Use Plan for the South Plan Area attached to the South OPA, the Agency's reasonable estimation of the value and timing of building improvements remaining to be constructed in the South Plan Area based on the Owner's reasonable assumptions regarding market absorption rates and product mix it will construct in accordance with the most recent Major Phase and Project approvals.

5. In calculating the Infrastructure Costs, the Agency shall take into account all Infrastructure built as of such date with the proceeds of a Public Financing and assume that (a) the remaining Infrastructure will be built to accommodate the phased absorption of the remaining improvements based on the timeline estimated in clause 4(c) and on the Infrastructure improvement and phasing obligations outlined in the Infrastructure Plan, and (b) all Public Financings expected to be issued will be subject to reasonable and fiscally prudent terms (provided the Agency shall continue to have the sole discretion in establishing the actual terms of any Tax Allocation Debt under this Financing Plan).

6. No Determination Date shall occur until the later of (a) a Fiscal Year in which the Net Available Increment for such Fiscal Year exceeds the then current annual debt service (including a debt service coverage of 110%) on all then outstanding Public Financings and (b) January 1, 2010.

2.C.iii. "Excess Increment" means as of the last day of each Fiscal Year (i) prior to the Determination Date, any Net Available Increment arising in such Fiscal Year and not required to be used during such Fiscal Year to pay debt service on a Public Financing and not needed to directly pay the Owner for costs of the Infrastructure built (or to be completed on or before the end of the next Fiscal Year) within or otherwise of primary benefit to the South Plan Area, and (ii) from and after the Determination Date, any Net Available Increment arising in such Fiscal Year and not required to be used during such Fiscal Year to pay debt service on a Public Financing. Any Excess Increment from the South Plan Area shall be used by the Agency for affordable housing purposes to the extent necessary to fulfill the Agency's affordable housing program consistent with the objectives of the Mission Bay North and South Redevelopment Plans and statutory requirements for the North and South Plan Areas, and thereafter for any lawful purpose under the Redevelopment Law. Such Excess Increment shall be added to and become part of the Housing Increment to the extent it is to be used for the purpose of fulfilling the Agency's affordable housing program in the North Plan Area as provided above, pursuant to Section 33334.2 of the Redevelopment Law.

2.C.iv. Net Available Increment for any Fiscal Year will be used to directly pay for the costs of Infrastructure constructed within or of primary benefit to the South Plan Area pursuant to Section 2.C.iii. of this Financing Plan only after amounts have been paid or otherwise set aside for payment of debt service due during the calendar year that begins in such Fiscal Year on Public Financings secured by or payable from Net Available Increment.

2.C.v. Without limiting the Tax Allocation Agreement and the other provisions of this Financing Plan, the Agency hereby covenants to expend or encumber Housing Increment in a manner so as to avoid the sanctions referred to in clauses (a)(2) and (e) of Section 33334.12 of the Redevelopment Law. The Agency may use Housing Increment from the South Plan Area to develop Agency Sponsored Affordable Housing Units in the North Plan Area on such terms and conditions as the Agency shall determine, consistent with fulfilling the affordable housing objectives in the Mission Bay South and North Redevelopment Plans. Similarly, under the Financing Plan for the North Plan Area, the Agency may use Housing Increment from the North Plan Area to develop Agency Sponsored Affordable Housing Units in the South Plan Area on

such terms and conditions as the Agency shall determine, consistent with fulfilling the affordable housing objectives in the Mission Bay South and North Redevelopment Plans.

2.D. Limitation on Agency Participation.

2.D.i. Other than the use of Special Taxes and Net Available Increment as described in this Financing Plan, no funds of the Agency shall in any way be obligated towards the payment of the costs of the Infrastructure. In no event shall any general funds of the Agency, or any tax increment revenues arising from an Agency redevelopment project area other than the South Plan Area be obligated for any debt or other obligation of the Agency under this Financing Plan or any reimbursement or other agreement implementing this Financing Plan except as provided in Section 2.C.v. with respect to the development of Agency Sponsored Affordable Housing Units. Except as otherwise provided in the South OPA, the lack of Public Financing proceeds, Special Taxes or Net Available Increment to finance all or any portion of costs of the Infrastructure shall not alter the obligations of the Owner under the South OPA including the Infrastructure Plan or any other Plan Documents (subject, however, to the termination rights of the Owner under Section 12.2(a)(1) of the South OPA).

2.E. Consultants.

2.E.i. The Agency, following consultation with the Owner Representative, will select all consultants necessary to implement this Financing Plan, including the formation of any CFD and the issuance of any Public Financing. These consultants may include, but are not limited to, special tax consultants, tax increment fiscal consultants, appraisers, financial advisors, bond underwriters, absorption consultants, bond counsel, bond trustees, escrow agents and escrow verification agents. The costs of any such consultants engaged by the Agency and any Agency administrative expenses related to the implementation of this Financing Plan (including any Public Financing) shall be paid or reimbursed, as applicable, from the proceeds of a Public Financing or, if no such proceeds are available, from advances by the Owner; provided, however, that any such advances by the Owner shall be reimbursed as soon as practicable from available proceeds of a Public Financing to the extent permissible under the Act or the Redevelopment Law, as applicable, and under any applicable federal tax laws or regulations. The Owner may engage its own consultants to advise it on matters related to this Financing Plan or any Public Financing and, subject to the prior written approval of the Agency, any advances made by the Owner and any costs to the Owner of such consultants shall be reimbursed from the proceeds of a Public Financing to the extent permitted under the Act, the Redevelopment Law and federal tax laws or regulations, as applicable, and otherwise to the extent of proceeds of the Public Financing available for such purpose.

3. CFD FINANCING

3.A. Formation of CFDs.

3.A.i. All CFDs established to implement this Financing Plan will be formed by the Commission, acting as the legislative body for the CFDs under the Act. Only land in the South Plan Area will be included in any CFD, and no Special Taxes will be levied on any Exempt Land.

3.A.ii. The Owner may petition the Agency from time to time to establish one or more CFDs pursuant to Section 53318(c) of the Act. Following receipt by the Agency of any such petition and within the time period required by the Act, the Agency will adopt a resolution of intention to form the respective CFD and call for a public hearing thereon as required by the Act, subject to the provisions of Section 3.A.iii. below. The Agency will take all actions necessary, subject to the provisions of the Act, to permit the Owner and any other owners of

land within a prospective CFD to vote on the formation of the CFD, and, if such vote is in favor of the formation of the CFD by at least the minimum required under Section 53328 of the Act, the Agency will take all actions necessary under the Act to confirm the vote and form the CFD. The Owner will cooperate with the Agency in connection with the formation of any CFD for which a petition is submitted by the Owner.

3.A.iii. The Owner may suggest the appropriate boundaries for and specific Infrastructure to be financed by any CFD in its petition to form the CFD. In forming any CFD, the Agency will use the boundaries and Infrastructure specifically suggested by the Owner, unless the Agency determines that they are inconsistent with applicable provisions of this Financing Plan, the Goals for CFDs or the Act or, based upon the public interest or necessity, some other boundaries or Infrastructure for a CFD are more appropriate in the circumstances. The Agency will provide the Owner with a written explanation of any such determination. Any CFD may include separate improvement areas and may provide for separate methodology for the Taxing Formula for the respective CFD.

3.A.iv. Under the requirements of the Act, the Agency will be required to enter into a joint community facilities agreement with any public agency that will own or operate any Infrastructure to be financed with CFD bond proceeds. The Agency and the City have agreed that the Interagency Cooperation Agreement is a joint community facilities agreement for purposes of the Act with respect to all of the Infrastructure to be owned or operated by the City or any City Agency.

3.B. Bonded Indebtedness Limitation.

3.B.i. In connection with the formation of any CFD, the Owner may suggest to the Agency the appropriate bonded indebtedness limit for the respective CFD and the Agency will use such bonded indebtedness limit unless the Agency determines that such limit is inconsistent with the applicable provisions of this Financing Plan, the Goals for CFDs or the Act or, based upon the public interest or necessity, some other indebtedness limit is more appropriate in the circumstances. The Agency will provide the Owner with a written explanation of any such determination. It is expected that the bonded indebtedness limit for any CFD shall be sufficient to pay or reimburse the costs of the Infrastructure to be financed by the CFD, including direct and indirect costs as permitted by the Act, and incidental expenses related to the bonded indebtedness as permitted by the Act (including, but not limited to, those described in Section 2.E.i. above). It is hereby acknowledged that the costs of the Infrastructure (including the estimated costs of the Public Financings and applicable reserve funds) are not expected to exceed \$350,000,000, and that the aggregate bonded indebtedness limit of all CFDs established under this Financing Plan is expected to be at least equal to such amount. The establishment of a bonded indebtedness limit by the Agency for any CFD shall in no way separately obligate the Agency to issue bonds up to the amount of such limitation.

3.C. Scope of Facilities.

3.C.i. The facilities authorized to be financed by any CFD shall be consistent with the Infrastructure Plan and may only include Infrastructure and the associated costs described below, unless otherwise requested in writing by the Owner and approved by the Agency in its discretion, may be limited by applicable federal tax laws and regulations, and in any event must be financeable under the Act. Facilities to be financed by a CFD may include all costs related to the construction of the Infrastructure (and other improvements, if any, requested in writing by the Owner and approved by the Agency to be financeable by a CFD), such as costs of design, engineering, construction monitoring, subdivision improvement bonds, demolition, environmental remediation, reasonable developer overhead and profit (consistent with the definition of "Actual Costs" in the Acquisition Agreement), and, subject to the limitations

contained in Section 6.A.v. of this Financing Plan, construction financing costs, as determined by the Agency to be consistent with the Act and federal tax laws and regulations, as applicable, and otherwise based upon the suggestions of the Owner in connection with its petition to form a CFD and the applicable Acquisition Agreement. Whether or not included in the cost of the Infrastructure, a CFD may finance costs related to its formation, including those referred to in Section 2.E. above.

3.D. Rate and Method of Apportionment of Special Taxes.

3.D.i. The Taxing Formula for any CFD shall be developed by the Agency's special tax consultant, following consultation with Agency staff and consultants and the Owner Representative, and shall be subject to the approval of the Commission in the resolution of formation of the respective CFD. As provided in Section 3.A.i., no Special Taxes shall be levied on any Exempt Land. Projected Special Taxes on any parcel of land shall not exceed any applicable maximum rate specified in the Goals for CFDs, unless otherwise specifically approved by the Agency. The Owner Representative shall have the opportunity to comment upon and provide input with respect to the Taxing Formula for any CFD. In no event shall any Special Tax rate on residential property exceed any maximum rate specified in the Act.

3.D.ii. The Taxing Formula for any CFD shall provide for an amount necessary to pay all estimated costs of administering the CFD, and for debt service coverage consistent with the then market for newly-issued bonds of community facilities districts under the Act. It is expected that any Taxing Formula will, to the extent practicable, have consistent yearly Special Tax levies on any developed For-Sale residential property, with the Special Tax on undeveloped property and developed property (other than For-Sale residential property) to vary based upon the pace of development in the respective CFD. Any Special Tax lien on any parcel in a CFD will only be released upon payment or legal defeasance of any bonded indebtedness of the CFD secured by a pledge of Special Taxes, or prepayment of the Special Tax obligation of the parcel in accordance with the Taxing Formula. Notwithstanding the foregoing, the Agency may advise any landowner of any reduction in Special Taxes that may be levied in a CFD by reason of Net Available Increment that may be available for the payment of debt of the CFD. If the maximum Special Tax Rate is permanently reduced, the Agency shall timely record an appropriate instrument in the Official Records of the City and County of San Francisco evidencing any such permanent reduction in maximum Special Taxes. Each Taxing Formula shall reflect that the Infrastructure will be built as part of a phased development and the Net Available Increment will be available to pay for all or part of such Infrastructure including debt service on bonded indebtedness of CFDs. In setting the applicable maximum Special Tax, each Taxing Formula shall also take into account amounts reasonably expected to be contributed to pay for the costs of Infrastructure by the owners of other property located in the South Plan Area. It is the expectation of the parties that each Taxing Formula will generally reflect a first priority for the levy of Special Taxes on improved property in the CFD and thereafter on undeveloped property in the CFD.

3.D.iii. Special Taxes to be levied in a CFD may be offset by Net Available Increment available for the payment of the related CFD debt, as determined pursuant to Section 4.B.i. below, but only with respect to the portion of the CFD debt (and allocable costs) relating to Infrastructure constructed or to be constructed within or of primary benefit to the South Plan Area. The distribution of any Special Taxes collected by the Agency will be set forth in a Fiscal Agent Agreement (as defined in the Acquisition Agreement) or bond indenture for indebtedness of the related CFD, and will be consistent with any requirements of the Act, federal tax laws and regulations, as applicable, and the Goals for CFDs.

3.D.iv. The Agency will covenant with any CFD debtholders to foreclose the lien of delinquent Special Taxes. Any such covenant shall be consistent with the general practice for

community facilities districts in California and otherwise as determined by the Agency based upon consultation with the underwriter or financial advisor to the Agency (if any) for the CFD indebtedness and other Agency consultants. Any foreclosure action in respect of a CFD shall be subject to the requirements of the Act, and may be negotiated by the Agency within the parameters of the CFD debt covenants and the Act, as determined by the Agency as in the best interests of the debtholders and the Agency.

4. TAX INCREMENT FINANCING

4.A. Net Available Increment.

4.A.i. The Agency hereby agrees to use Net Available Increment to pay or reimburse the costs of the Infrastructure constructed or to be constructed within or of primary benefit to the South Plan Area, in accordance with the provisions hereof. As provided in Section 2.C.i, this Financing Plan is intended to create an indebtedness of the Agency under Redevelopment Law, and under the Tax Allocation Agreement the City has acknowledged the Agency's obligations hereunder and its pledge of Net Available Increment. The Agency hereby pledges the Net Available Increment for the purposes of this Financing Plan, subject to the approval by the City of the Tax Allocation Agreement, such pledge constituting a first priority pledge of the Net Available Increment. The Agency shall take all actions necessary under the Tax Allocation Agreement with the City to assure the Net Available Increment will be available for purposes of this Financing Plan, including the filing of any Statement of Indebtedness and other actions of the Agency described in the Tax Allocation Agreement. No tax increment revenues arising from any other redevelopment project area of the Agency shall in any way be obligated to pay costs of the Infrastructure or any obligation of the Agency under this Financing Plan (subject to Section 2.C.v. above with respect to Agency Sponsored Affordable Housing Units).

4.A.ii. Any Net Available Increment shall be used, consistent with the South OPA, this Financing Plan and the Redevelopment Law, to make payments on indebtedness of CFDs to the extent such indebtedness financed Infrastructure or other Improvements constructed or to be constructed within or of primary benefit to the South Plan Area, make payments on Tax Allocation Debt the proceeds of which are used to pay or reimburse the costs of the Infrastructure constructed or to be constructed within or of primary benefit to the South Plan Area or to refund or defease such indebtedness of CFDs prior to maturity, or, subject to Section 4.B.i. below, to pay or reimburse directly the costs of such Infrastructure. Net Available Increment may be used to offset Special Tax levies in CFDs, but will not be used to reimburse any Special Taxes paid by the Owner or any other Person or the portion of any Special Taxes that pertain to payment for or indebtedness incurred to finance Infrastructure not constructed within or of primary benefit to the South Plan Area. Any Net Available Increment in excess of that needed for the foregoing purposes in any Fiscal Year (as determined pursuant to Section 2.C. ii) will be free of any commitment or restriction in this Financing Plan, the South OPA and the Tax Allocation Agreement.

4.A.iii. The Agency agrees to provide to the Owner Representative, so long as any Infrastructure Costs have not been financed by Net Available Increment, copies of its annual Statement of Indebtedness and audited financial statements as soon as practicable following their approval by the Agency. The Agency will maintain records, in reasonable detail, with respect to any Agency Costs deducted from tax increment revenues in arriving at Net Available Increment, and, upon written request of the Owner Representative, will make such records available for inspection by the Owner Representative, at a mutually agreeable time.

4.A.iv. If, after the Agency issues any Tax Allocation Debt, ad valorem property tax revenues levied on any property owned by Catellus, any Resulting Entity, Transfer Entity or any Non-Qualifying Transferee are reduced due to a reassessment or for any reason other than a

reduction in a tax override as debt to which it pertains matures, Catellus (with respect to property it owns and property owned by any such Non-Qualifying Transferee) or the Transfer Entity or Resulting Entity, as to property each owns, as applicable, shall pay an amount to the Agency annually (the "Additional Payments") not to exceed in each such year the lesser of (i) the portion of the reduction in property tax revenues attributable to the property in the South Plan Area owned by Catellus, a Transfer Entity, Resulting Entity or Non-Qualifying Transferee, as applicable, that would have constituted Net Available Increment in such year had such reduction not occurred, or (ii) the amount of the difference between Net Available Increment in such year and the amount necessary to pay the debt service due and payable in such year on the Tax Allocation Debt. To further evidence its obligations under this Section 4.A.iv., Catellus shall enter into the Mission Bay South Tax Allocation Debt Promissory Note in substantially the form attached as Exhibit B to this Financing Plan (the "Tax Allocation Debt Promissory Note") or, upon a Transfer to a Non-Qualifying Transferee, the Mission Bay South Tax Allocation Debt Guaranty Agreement in substantially the form attached as Exhibit C to this Financing Plan (the "Guaranty Agreement"), prior to the issuance of any Tax Allocation Debt. The Owner shall require that any Transfer Entity, Resulting Entity and any Affiliate with a Net Worth equal to or greater than Twenty Five Million Dollars (\$25,000,000) execute a similar Tax Allocation Debt Promissory Note prior to the completion of any Transfer of land in the South Plan Area to any such Transfer Entity, Resulting Entity or Affiliate, as applicable. The obligation under the Tax Allocation Debt Promissory Note or the Guaranty Agreement, as applicable, to make Additional Payments shall terminate as to the property Transferred to a Qualifying Transferee, on and after the date of such Transfer, except to the extent any such obligation has arisen and is not satisfied on the date of Transfer, and subject to the requirements, if any, for a Tax Allocation Debt Promissory Note or Guaranty Agreement, as applicable, with respect to the property so Transferred as provided above. Notwithstanding the foregoing, if, after the Agency issues a Certificate of Completion for a Major Phase or Project that includes Improvements that do not comprise a Residential Project (all or the relevant portion of such Major Phase or Project is referred to in this Section below as a "Completed Commercial Project"), Catellus Transfers the Completed Commercial Project to a Non-Qualifying Transferee (other than an Affiliate), then Catellus' obligation under a Tax Allocation Debt Promissory Note or Guaranty Agreement, as applicable, to make Additional Payments shall terminate as to the Completed Commercial Project which is Transferred on and after the date of such Transfer, except to the extent any such obligation has arisen and is not satisfied on the date of Transfer provided that upon Transfer the following conditions are met: (1) such Non-Qualifying Transferee has a Net Worth of at least Twelve Million Dollars (\$12,000,000) and duly executes and delivers to the Agency a Tax Allocation Debt Promissory Note as to the Completed Commercial Project that is Transferred or (2) such Non-Qualifying Transferee has a Net Worth of less than Twelve Million Dollars (\$12,000,000) but either (A) Catellus demonstrates to the reasonable satisfaction of the Agency that the Non-Qualifying Transferee has the financial wherewithal to make Additional Payments that could arise under the Tax Allocation Debt Promissory Note with respect to the Completed Commercial Project taking into account relevant facts and circumstances (such as, without limitation, debt coverage or other terms and conditions of any outstanding Tax Allocation Debt) and such Non-Qualifying Transferee executes and delivers to the Agency a Tax Allocation Debt Promissory Note as to the Completed Commercial Project or (b) Catellus or such Non-Qualifying Transferee provides such other assurances against Additional Payments with respect to the property Transferred as are reasonably acceptable to the Agency (including, without limitation, bond insurance), again taking into account relevant facts and circumstances (such as, without limitation, debt coverage or other terms and conditions of any outstanding Tax Allocation Debt).

4.B. Use of Net Available Increment.

4.B.i. On or about November 15 of each year commencing in 1999 and for so long as (a) the Owner has not been fully reimbursed for all Infrastructure Costs (with respect to

Infrastructure constructed within or of primary benefit to the South Plan Area) or (b) any Public Financing secured by a pledge of Special Taxes remains outstanding (provided such Public Financing has not been legally defeased), the Owner Representative shall provide the Agency with a good faith estimate of any costs of Infrastructure to be incurred by it in the next Fiscal Year, and a list of any costs of Infrastructure incurred but not yet reimbursed from the proceeds of a Public Financing or Net Available Increment, as well as any new development expected to occur or that is occurring in the South Plan Area and the assessed value of which is expected to be included on the secured real property tax roll for the next Fiscal Year and any Transfers of property that are expected to occur and the assessed value of which is expected to be included on the secured real property tax roll for the next Fiscal Year. On or about each succeeding December 10th, the Agency staff shall meet and confer with the Owner Representative with respect to the amount of any Net Available Increment expected to be received by the Agency during the next Fiscal Year. The Agency shall provide the Owner Representative with a good faith estimate, for the succeeding Fiscal Year, of (i) Agency Costs chargeable to tax increment revenues from the South Plan Area, (ii) Net Available Increment (based, in part, upon information provided by the Owner Representative as to any new development and Transfers of property as provided above), and (iii) the amount of any debt service on Public Financings secured by a pledge of and expected to be paid from Net Available Increment. Based upon the foregoing information provided by the Owner and the Agency, the Agency shall budget the expenditure of the expected Net Available Increment for the payment of debt service due in the next Fiscal Year on any Public Financing issued or to be issued, the payment of costs of Infrastructure directly to the Owner, all in amounts determined to be reasonable by the Agency (and only with respect to Infrastructure constructed or to be constructed within or of primary benefit to the South Plan Area). The Agency shall use its best efforts to obtain any necessary appropriation of Net Available Increment from the Board of Supervisors of the City for the foregoing purposes under the Tax Allocation Agreement, and shall apply any Net Available Increment so appropriated to such purposes, subject to the provisions of the documents pursuant to which any such Public Financing is issued and the provisions of this Financing Plan. The November 15th and December 10th dates referred to in this Section 4.B.i. are based upon the current budget process of the City and the Agency, and the Owner and the Agency shall adjust such dates as appropriate if the timing of such budget process is altered by the City and the Agency in the future.

4.B.ii. The Agency acknowledges that it is the intent of the parties to the South OPA that all Net Available Increment be used in each Fiscal Year for the foregoing purposes; however, so long as the Agency is fully discharging its duties under the South OPA, the Interagency Cooperation Agreement and the Tax Allocation Agreement, the Agency shall have no liability to the Owner or any other Person by reason of a failure by the Board of Supervisors of the City to appropriate all or any portion of the Net Available Increment for such purposes in any Fiscal Year, or for any shortfall in Net Available Increment actually received by the Agency in any Fiscal Year to pay all of such budgeted costs and expenses. Any Infrastructure Costs (related to Infrastructure constructed within or of primary benefit to the South Plan Area) incurred by the Owner in any Fiscal Year and not reimbursed from Net Available Increment or the proceeds of a Public Financing shall be eligible for such reimbursement in the next Fiscal Year or future Fiscal Years, until reimbursed, subject to the term of the South OPA and any applicable federal tax law or regulations.

4.B.iii. The Agency hereby agrees to use Housing Increment and Excess Increment for the payment of the costs of predevelopment, development or construction of Agency Sponsored Affordable Housing Units developed or to be developed by the Agency or Qualifying Housing Developers within the North and South Plan Areas as provided herein and in the Tax Allocation Agreement, to the extent such Housing Increment is necessary to finance the development of such units in accordance with the Housing Program, and to obtain the necessary

appropriation from the Board of Supervisors under the Tax Allocation Agreement for such purposes.

5. PAYMENTS FOR INFRASTRUCTURE

5.A. Construction.

5.A.i. The Owner shall construct all Infrastructure in accordance with the Infrastructure Plan, the South OPA and this Financing Plan including the Acquisition Agreement to be executed by the Agency and the Owner in substantially the form attached hereto as Exhibit A (the "Acquisition Agreement"). Each Acquisition Agreement entered into under this Financing Plan shall be consistent with the South OPA, including this Financing Plan, the Interagency Cooperation Agreement and the applicable City Regulations thereunder.

5.B. Acquisition and Payment.

5.B.i. The Agency shall acquire the Infrastructure and pay the costs of Infrastructure in accordance with the terms of the Acquisition Agreement. The price to be paid by the Agency for any Infrastructure shall be as described in the Acquisition Agreement, and shall be payable solely from the Acquisition Funds (as that term is described in the Acquisition Agreement).

6. PUBLIC FINANCINGS

6.A. Timing of Debt Issuances.

6.A.i. Any and all CFD debt for purposes of this Financing Plan shall be issued at such times, in such amounts and subject to such terms as shall be requested in writing by the Owner Representative consistent with the provisions of this Section 6, unless determined by the Agency as inconsistent with the South OPA, this Financing Plan, the Goals for CFDs, the Act or applicable federal tax law or regulations, or based upon the public interest or necessity, the timing or amount of the proposed CFD debt is inappropriate in the circumstances. The Agency shall provide the Owner with a written explanation of any such determination. Any and all Tax Allocation Debt for purposes of this Financing Plan shall be issued at such times and in such amounts as shall be determined by the Agency subject to the provisions of this Section 6, Section 4.A. and Section 4.B.

6.A.ii. Any debt issued by the Agency pursuant to this Financing Plan shall be secured solely by a pledge of Special Taxes or of Special Taxes and Net Available Increment (in the case of CFD debt), or of Net Available Increment (in the case of Tax Allocation Debt), by the funds and accounts established under the debt issuance instrument and, upon the written request of the Owner and with the consent of the Agency, collateral (which may be in the form of a letter of credit or guarantee) provided by the Owner. The fee for any collateral provided by the Owner (and any draw or other use of the collateral for the purpose of paying debt service and other annual expenses) shall be subject to reimbursement solely from Special Taxes or Net Available Increment, on a basis subordinate to any debt service and other annual expenses for any related outstanding Public Financing.

6.A.iii. From time to time, so long as any of the Infrastructure has not been completed or the costs of Infrastructure have not been reimbursed to the Owner from the proceeds of Net Available Increment or Tax Allocation Debt, the Owner Representative may submit a written request that the Agency issue CFD debt or Tax Allocation Debt. Any such request shall be accompanied by a description of the costs of Infrastructure to be financed with the proceeds of the debt obligations, the completion date or estimated completion date for the related Infrastructure, and the then current construction schedule for any other improvements to be

made by the Owner. Following the receipt of any such written request, Agency staff and appropriate Agency consultants shall meet and confer with the Owner Representative as to the amount and timing of the proposed bond issue pursuant to the procedures set forth in Section 4.B.i.

6.A.iv. The Agency acknowledges that one of the costs of Infrastructure to be reimbursed to the Owner is the reasonable cost of construction financing for the Infrastructure (subject to the limitations contained in Section 6.A.v.) and that it is intended that the Infrastructure Costs be fully reimbursed from Net Available Increment or proceeds of Tax Allocation Debt to the extent the Infrastructure is constructed within or of primary benefit to the South Plan Area. With the foregoing in mind, the Agency shall determine the principal amount, use of proceeds and date of issuance of any Tax Allocation Debt under this Financing Plan. It is expected that CFD financing will be used to refinance the costs Infrastructure initially financed with construction financing obtained by the Owner, that Tax Allocation Debt will be used to refinance CFD debt or the Infrastructure Costs initially financed with construction financing obtained by the Owner, and that all Public Financings issued by the Agency under this Financing Plan will be tax exempt to the greatest extent feasible as further provided in Section 6.B.iv. below.

6.A.v. Notwithstanding the foregoing, the Agency shall not be obligated to issue any such CFD debt or Tax Allocation Debt if (i) Catellus, any of its Affiliates, any Transfer Entity or any Resulting Entity is then in default in the payment of any ad valorem or Special Taxes levied in the South Plan Area, (ii) the Owner or any Affiliate, Transfer Entity or Resulting Entity is in Material Breach under the South OPA or any other Plan Documents, including, without limitation, any failure to execute and deliver the Guaranty Agreement or Tax Allocation Debt Promissory Note, as applicable, (iii) the Owner, any Affiliate, any Transfer Entity or any Resulting Entity fails to cooperate with the Agency as necessary to form any CFD requested by the Owner Representative to be formed or otherwise under federal securities laws or Internal Revenue Code provisions applicable to any such Public Financing, or (iv) in the opinion of the Agency, based upon the advice of Agency staff and consultants, market conditions or conditions in the South Plan Area (such as, without limitation, tax delinquencies, assessment appeals, damage or destruction of improvements or litigation) are such that it would not be fiscally prudent or feasible to incur such indebtedness at the time. The Agency shall not be obligated to reimburse the financing costs (consisting of interest carry and lender fees) on any construction financing obtained by the Owner in respect of the Infrastructure in excess of commercially prevailing rates or accruing during any period that the Owner or any Affiliate is in Material Breach under the South OPA or any other Plan Document or is in default in the payment of Special Taxes, or to the extent any such financing costs applies to any period later than ninety (90) days following the date on which the City has inspected the related Infrastructure and found it to be complete in accordance with the Acquisition Agreement. Net Available Increment will not be used to reimburse Special Taxes paid by the Owner or another Person, but may be used to offset Special Taxes to be levied in the future to pay CFD debt obligations.

6.B. Terms of the Public Financings.

6.B.i. The terms and conditions of any CFD debt or Tax Allocation Debt, including, without limitation, whether the interest thereon will be payable at a fixed or variable rate, bond maturities and redemption provisions, debt service reserve and capitalized interest sizing, and permitted investments and debt service coverage levels, shall be determined by the Agency (i) consistent, in the case of the CFD debt, with the provisions of the first sentence of Section 6.A.i. above, and (ii) in the case of Tax Allocation Debt, in the sole and absolute discretion of the Agency. Agency staff and consultants shall meet and confer with the Owner Representative prior to the sale of any Tax Allocation Debt to discuss the terms of any such proposed debt

issue, but the final terms thereof shall be determined by the Agency in its sole and absolute discretion as provided herein.

6.B.ii. Notwithstanding any other provision hereof, any CFD debt shall be consistent with this Financing Plan, the Act, the Goals for CFDs, applicable federal tax law and regulations and any Acquisition Agreement executed by the Agency and the Owner. Any Tax Allocation Debt issued by the Agency shall be consistent with this Financing Plan, applicable federal tax law and regulations, the Redevelopment Law and any other applicable law, and, notwithstanding anything to the contrary contained in this Financing Plan, shall have terms (such as, without limitation, debt service coverage levels, credit enhancements and other Agency covenants) determined by the Agency in its sole and absolute discretion. Without limiting the foregoing, in exercising its discretion as to Tax Allocation Debt, the Agency shall not be constrained in setting the terms thereof even if the result is a decrease in net bond proceeds available for the purposes of this Financing Plan. In no event shall the Agency be obligated to pay any debt incurred pursuant to this Financing Plan, or any obligation related thereto under any debt instrument (including any note, bond, indenture or fiscal agent agreement), from its general funds or any tax increment revenues arising from any redevelopment project area other than the South Plan Area, and then only from Net Available Increment (subject to Section 2.C.v. with respect to development of Agency Sponsored Affordable Housing Units).

6.B.iii. Catellus shall comply with all of its obligations under any continuing disclosure agreement executed by it in connection with the offering and sale of any Public Financing, and any Transferee shall comply with all of the obligations applicable to it. Catellus acknowledges that a condition to the issuance of any Public Financing shall be the execution of such agreement and the then compliance by Catellus or any such Transferee with its respective obligations under such agreement, including the accuracy of any representations and warranties made therein.

6.B.iv. The Owner and the Agency shall cooperate to maximize the tax-exempt treatment of any Public Financing provided that nothing herein is intended to imply that all Public Financings must be tax-exempt.

7. MAINTENANCE CFDs

7.A.i. The Agency agrees to undertake proceedings to form, and the Owner agrees to petition and vote in favor of, a CFD for the purpose of providing monies to pay for ongoing maintenance of Open Space Parcels, including but not limited to landscaping in public plazas and public parks within the South Plan Area and the portion of the Bayfront Park located on Port property adjacent to the South Plan Area, but excluding the UCSF Open Space. Costs to be funded shall be in amounts and for such purposes as determined by the Agency, and shall include all personnel or third party costs related to such maintenance, costs of maintaining irrigation systems and other equipment directly related to such maintenance, maintenance or replacement as needed of landscape areas, water features, bathrooms, trash receptacles, park benches, planting containers, picnic tables and other equipment or fixtures installed in areas to be maintained, insurance costs and any other related overhead costs, along with Agency personnel, administrative and overhead costs related to such maintenance or to contracting for and managing third parties in connection with such maintenance, all to the end that the Agency or the City will not need to expend their own funds to maintain open space areas in the South Plan Area so long as the CFD is in place.

7.A.ii. With and to the extent available from the proceeds of Special Taxes levied in CFDs (and any monies paid by The Regents if pursuant to an agreement between the Agency and The Regents consistent with Agreement for Contribution of Real Property, dated as of September 24, 1997, between the Owner and The Regents, as amended by the First Amendment

to Agreement for Contribution of Real Property between such parties dated as of June 11, 1998, or by any other agreement between the Agency and the property owners of blocks X3 and X4) collected and made available for maintenance purposes, the Agency shall operate, maintain and repair, or cause to be operated, maintained and repaired, the Open Space Parcels (excluding the UCSF Open Space) in good order, condition and repair including, without limitation, the following: (i) remove all papers, debris, graffiti, refuse and surface waters from all improvements and wash or thoroughly sweep paved areas as required; (ii) maintain, replace and repair all Improvements, landscaping, directional signs, markers and other signs in a clean and attractive condition (including as to landscaping, the removal of dead plants, weeds and foreign matter, and necessary fertilizing, pruning, replanting and replacement) and furnish necessary mosquito and other pest abatement controls; (iii) clean lighting fixtures, relamp, and reballast, as needed; (iv) empty all trash, rubbish and garbage containers as necessary and wash them at intervals sufficient to maintain the same in a clean and sanitary condition, and otherwise maintain and keep them in an attractive and good working condition; and (v) provide appropriate security. No dumpster, dumpster-type or oversized containers, temporary or otherwise, shall be utilized except as reasonably required in connection with necessary maintenance, repair or reconstruction unless screened from public view or located in areas not generally accessible to the public. The Open Space Parcels and any Improvements installed thereon shall be repaired, replaced and maintained with the same quality of materials as originally installed by the Owner, or if such materials are not reasonably available, with materials of a quality at least equal to quality, appearance and durability of the materials originally utilized.

7.A.iii. The term of the CFD and the authorization to levy Special Taxes for maintenance costs and expenses shall be for a period of 45 years from the effective date of the Board of Supervisors ordinance approving the Mission Bay South Redevelopment Plan. Any CFD for maintenance may be combined, at the discretion of the Agency, with any CFD for reimbursement of costs of Infrastructure; provided that maintenance costs shall be payable from the proceeds of Special Taxes and pursuant to contractual commitments acceptable to the Agency, and not from Net Available Increment. The parties acknowledge that neither the Agency nor the City shall be responsible for the maintenance or operation of UCSF Open Space.

7.A.iv. The Owner shall establish covenants, conditions and restrictions, reasonably acceptable to the Agency, applicable to the real property in the South Plan Area to be recorded in the Official Records of the City and County of San Francisco prior to the sale of any parcels, to the end that every property owner will be obligated to pay an amount equivalent to Special Taxes that would be levied in such CFD for maintenance expenses if for any reason such CFD or its taxing powers are ever eliminated or reduced for any reason, including but not limited to any vote of the qualified electors in the CFD.

7.A.v. The Agency and the Owner shall take into account any Special Taxes to be levied to pay maintenance costs and expenses in sizing and suggesting the sizing of, respectively, any CFD debt to be issued to finance costs of Infrastructure. Agency staff and consultants shall meet and confer with the Owner Representative as to the Taxing Formula, and appropriate maximum Special Taxes, to be levied for maintenance expenses, but such matters shall be subject to applicable provisions of the Act, including any necessary vote of the qualified electors of the respective CFD, and Agency approval. If for any reason the Agency is unable to form a CFD for payment of such maintenance costs, or is otherwise unable to levy Special Taxes in an amount sufficient for such purpose, the property owners in the South Plan Area shall be responsible for payment of such maintenance costs.

Pursuant to the Financing Plan, the Agency is proceeding with the establishment of one or more CFDs under the Act and the issuance of one or more Public Financings, the proceeds of which shall be used, in part, to finance the acquisition of all or a portion of the Infrastructure . Except as provided in this Acquisition Agreement or the Financing Plan, the execution by the Agency of this Acquisition Agreement in no way obligates the Agency to issue any Public Financing, or to acquire any Infrastructure with proceeds of any Public Financing or other Acquisition Funds.

2. FUNDING

2.1 Agency Proceedings; Acquisition Facilities; Supplements to Exhibit B and B-1.

(a) Upon petition by the Developer, the Agency shall conduct all necessary proceedings under the Act to form one or more CFDs in accordance with the Financing Plan, and otherwise for the issuance, sale and delivery of Public Financings; provided, however, that nothing herein shall be construed as requiring the Agency to issue a Public Financing except to the extent provided for in the Financing Plan.

(b) The Agency shall be obligated to purchase from the Developer under this Acquisition Agreement only the Acquisition Facilities listed in Exhibit B hereto, as such Exhibit may be amended and/or supplemented by any Supplement in accordance with Section 2.1(c) below.

(c) Upon the written request of the Developer, accompanied by a list of Acquisition Facilities and proposed Components thereof to be acquired hereunder, together with the proposed Budgeted Costs thereof, the Director of Public Works shall meet with representatives of the Developer to establish mutually acceptable supplements to Exhibit B and Exhibit B-1 to this Acquisition Agreement consistent with the Financing Plan and Interagency Cooperation Agreement. The Director of Public Works shall be deemed to have accepted any proposed supplement of the Developer unless, within sixty (60) days of the submittal thereof, the Director of Public Works shall send the Developer a written objection to all or any portion thereof. Such objection must be based upon the following grounds (the determination of which shall be made in good faith): (i) the unacceptability of any Component because it is not a complete, functional portion of an Acquisition Facility or a proposed Acquisition Facility is not included in the Infrastructure, (ii) the Budgeted Cost of an Acquisition Facility or Component appears to be unreasonable in the circumstances or otherwise in excess of the reasonably expected Actual Cost thereof or (iii) it is not permissible under the Act or the South OPA

(including the Financing Plan). The Developer may resubmit any proposed supplement to Exhibit B [or B-1] (or portion thereof) to which a written objection is made by the Director of Public Works, and the Director of Public Works shall have thirty (30) days to review any such resubmittal. The Developer shall provide any supporting materials reasonably requested by the Director of Public Works in writing relative to an analysis of the proposed supplement, and the applicable time periods mentioned in the preceding sentences shall be tolled until such materials have been provided to the Director. Any proposed supplement to Exhibit B and B-1 (or any resubmittal thereof) not subject to a written objection by the Director of Public Works within the applicable period shall be deemed to be a part of Exhibit B and B-1, as applicable, hereof for all purposes of this Acquisition Agreement.

2.2 Source of Funds for Acquisition Prices.

(a) The Agency shall not be obligated to pay the Acquisition Price of any Acquisition Facility or any Components thereof under this Agreement except from Acquisition Funds. The Agency shall establish one or more accounts into which it shall deposit, upon receipt, Acquisition Funds pending their use for purposes of this Acquisition Agreement or as otherwise provided in the Financing Plan.

(b) The Developer acknowledges that a portion of the proceeds of some Public Financings may be deposited in an escrow fund established as necessary to comply with the Act, the Goals for CFDs or for credit concerns, and would become Acquisition Funds only upon satisfaction of the requirements and otherwise in the amounts specified in the applicable document authorizing the issuance of the Public Financing. The Agency agrees that, upon written request of the Developer, it will take all reasonable actions necessary to make the determinations and present the documents necessary under any such authorizing document to cause the release of funds from an escrow fund.

(c) While the Agency now expects to issue Public Financings, the Agency shall be under no obligation to issue any Public Financing except to the extent provided in the Financing Plan and makes no warranty, express or implied, that the proceeds thereof, together with other Acquisition Funds, will be sufficient to pay for all of the Infrastructure, including the Acquisition Facilities.

2.3 Public Financing Proceeds.

(a) The proceeds of any Public Financing shall be deposited, held, invested, reinvested and disbursed as provided in the instrument providing for the issuance thereof, all in a manner not inconsistent with the Financing Plan and this Agreement. A portion of the proceeds of each Public Financing may be used to fund reserves for debt service and pay costs of issuance and therefore would not constitute Acquisition Funds.

(b) The Developer agrees that the Agency alone shall direct the investment of the funds on deposit in the funds and accounts established by or pursuant to any Public Financing authorizing document, and that the Developer has no right whatsoever to direct any such investment. The Agency shall invest such funds in a manner consistent with the Agency's investment policies for similar financings and otherwise in accordance with all applicable laws and the Fiscal Agent Agreement. The Agency shall have no responsibility whatsoever to the Developer with respect to any investment of Acquisition Funds prior to their use for purposes of this Acquisition Agreement, including any loss of all or a portion of the principal invested or any penalty for liquidation of an investment. Any such loss may diminish the amounts available as Acquisition Funds.

(c) The Developer acknowledges that its obligation as an owner of real property in a CFD to pay Special Taxes levied in the CFD is not in any way dependent on: (i) the availability of Acquisition Funds to pay for all or any portion of the Acquisition Facilities or Components thereof hereunder, or (ii) the alleged or actual misconduct of the Agency in the performance of its obligations under this Acquisition Agreement, any Fiscal Agent Agreement, the South OPA, or any agreement to which the Developer or the Agency is a signatory.

(d) The Developer and the Agency hereby acknowledge that any lack of availability of Acquisition Funds to pay the Acquisition Price of Infrastructure or any Components thereof, in and of itself, shall in no way modify any rights or obligations of the Developer under the South OPA.

(e) The Agency may establish a separate Agency Account and deposit a portion of the proceeds of any Public Financing therein, to the extent it reasonably identifies Agency Costs incurred or to be incurred by the Agency or the City in discharging their obligations hereunder. The Agency may draw on such funds as necessary to pay such Agency Costs.

2.4 Reimbursements.

(a) The Agency acknowledges that, in addition to its acquisition of Facilities and payment for Components thereof hereunder, it will use a portion of the proceeds of the Public Financings to reimburse the Developer, to the extent permitted under the Act, for certain costs for which the Developer has advanced its own funds, including (i) CFD formation costs eligible to be financed by a CFD, (ii) certain freeway demolition costs, (iii) contributions by the Developer for Infrastructure constructed by others, such as contributions referred to in Section 2.B.v. of the Financing Plan related to sewer odor conditions and contributions for railway improvements, and (iv) other costs incurred by the Developer in anticipation of reimbursement from the proceeds of a Public Financing, such as advances pursuant to Section 2.E.i. of the Financing Plan in respect of consultant costs. The Agency shall use a portion of the proceeds of Public Financings issued by the Agency to reimburse the Developer for such advances pursuant to the Financing Plan, as described in Exhibit C.

(b) The Agency and the Developer agree to amend Exhibit C hereto from time to time to add additional items, to be reimbursed from the proceeds of future Public Financings, that are eligible for such reimbursement as described in Section 2.4(a) but were not included on Exhibit C at the time of execution of this Agreement.

2.5 Priority for Police/Fire Facility Funding. The Developer and the Agency acknowledge and agree that under the provisions of Section 4.4(b) of the South OPA, upon satisfaction of the conditions set forth in clauses (i) and (ii) of the first sentence of said Section 4.4(b) (the "Conditions"), the City may obtain CFD funds in the amounts specified in said sentence. In order to implement the provisions of Section 4.4 of the South OPA, the Developer and the Agency hereby agree that, notwithstanding any other provision of this Agreement, upon satisfaction of the Conditions, the Agency shall have the right to use all available CFD Funds permitted under the applicable bond documents to make payments directly to the City required under Section 4.4(b) of the South OPA, and following the date on which the Conditions have been satisfied and until the obligation to the City under said Section 4.4(b) has been fully satisfied and provided that the Agency shall have expeditiously proceeded to obtain such funds, no Acquisition Funds will be used to pay Acquisition Prices of Acquisition Facilities or Components not theretofore paid under this Acquisition Agreement.

3. CONSTRUCTION OF INFRASTRUCTURE

3.1 Plans. To the extent that it has not already done so, the Developer shall prepare and obtain applicable governmental approval of all Plans for the Acquisition Facilities in accordance with the South OPA and the City Regulations or, as applicable, regulations of any other public entity that will own and operate the Acquisition Facilities. Copies of all Plans shall be provided by the Developer to the Director of Public Works upon request therefor, and, in any event, as built drawings and a written assignment (provided that the same can be reasonably obtained) of the Plans for any Acquisition Facility shall be provided to the City prior to its acceptance of a related Facility.

3.2 Duty of Developer to Construct.

(a) All Acquisition Facilities shall be constructed by or at the direction of the Developer in accordance with the South OPA and the applicable Construction Documents. The Developer shall perform all of its obligations hereunder and shall conduct all operations with respect to the construction of Infrastructure in a good, workpersonlike and commercially reasonable manner, with the standard of diligence and care normally employed by duly qualified persons utilizing their good faith efforts in the performance of comparable work and in accordance with generally accepted practices appropriate to the activities undertaken. The Developer shall employ adequate staff or consultants with the requisite experience necessary to administer and coordinate all work related to the design, engineering, acquisition, construction and installation of the Acquisition Facilities.

(b) To the extent required under the South OPA, the Developer shall be obligated (i) to construct and convey to the City (or other applicable governmental agency) all Acquisition Facilities and Components thereof, and (ii) to use its own funds to pay all costs thereof in excess of the Acquisition Prices thereof to be paid therefor hereunder, subject in all events to the terms of the Financing Plan.

(c) Except as otherwise provided in the South OPA, the Developer shall not be relieved of its obligation to construct each Acquisition Facility and Component thereof and convey each such Acquisition Facility in accordance with the terms hereof, even if, (i) because of the limitations imposed by Section 4.6 hereof, the Acquisition Price for such Component or Acquisition Facility is less than the Actual Cost, or cost to the Developer, of such Component or Acquisition Facility, or (ii) there are insufficient Acquisition Funds then available to pay the Acquisition Prices thereof at the time the Developer submits a Payment Request therefor.

3.3 Relationship to Public Works Contracting Requirements.

(a) This Acquisition Agreement is for the acquisition by the City of the Acquisition Facilities and payment for Components thereof from time to time, from Acquisition Funds and is not intended to be a public works contract. The Agency and the Developer acknowledge and agree that the Infrastructure is of local, and not state-wide concern, and that the provisions of the California Public Contract Code shall not apply to the construction of the Infrastructure. The Agency and the Developer further acknowledge and agree that City public works contracting requirements are not applicable to the construction and acquisition of Infrastructure. The Agency and the Developer agree that the Developer shall award all contracts for the construction of the Acquisition Facilities and the Components thereof, and that this Acquisition Agreement is necessary to assure the timely and satisfactory completion of the Acquisition Facilities and that compliance with the Public Contract Code and such City requirements with respect to the Acquisition Facilities would work an incongruity and would not produce an advantage to the Agency or any CFD.

(b) Notwithstanding the foregoing, the Developer shall award all contracts for construction of the Acquisition Facilities, and materials related thereto by means of a bid process consistent with this Section 3.3(b) or otherwise acceptable to the Director of Public Works, in each case consistent with the requirements of the South OPA and applicable City Regulations (including but not limited to the Program in Diversity/Economic Development Program, and prevailing wage requirements contained therein). The Developer shall establish a list of written criteria acceptable to the Director of Public Works (including experience, ability to perform on schedule and financial ability) to determine qualified general contractors for any contract. Such general contractors shall comply with any applicable provisions of the South OPA (including but not limited to the Program in Diversity/Economic Development Program and prevailing wage requirements, provided that nothing in this Agreement shall modify the remedy provisions of the Program in Diversity/ Economic Development Program). Formal bids shall be requested from those entities on the list of qualified contractors.

The Developer shall prepare bid packages, including engineering reports and estimates, for each of the Acquisition Facilities, and shall submit such packages to the Director of Public Works, reasonably in advance of the anticipated bid, for review. Upon agreement by the Director of Public Works and the Developer on the content of such bid packages and a schedule of bid prices, plus an acceptable margin of variance, the Developer may proceed to take bids on the applicable Acquisition Facilities. The Agency shall meet with the qualified general contractors to discuss the applicable requirements of the Program in Diversity/ Economic Development Program. At the reasonable request of the Developer, the Director of Public Works shall also meet with the qualified general contractors to discuss the requirements of the particular contract to be bid.

Bids for each Component shall be submitted to the Developer prior to the time and date prescribed for bid opening. If a bid is within the constraints of the approved bid package, the Developer shall award the applicable contract to the lowest responsible bidder. If all bids are in excess of the bid parameters, the Developer shall obtain the consent of the Director of Public Works prior to awarding the contract. Upon written request of the Director, the Developer shall provide an analysis of bids for construction and materials for the Acquisition Facilities, constructed or to be constructed by or under the supervision of the Developer indicating how the winning bid was determined and how it was consistent with the applicable bid package.

(c) The Developer shall develop or cause to be developed and shall maintain or cause to be maintained a cost-loaded project schedule, using the critical path method, providing for all major project elements included in the construction of the Acquisition Facilities to be acquired hereunder, so that the whole project is scheduled in an efficient manner. The Developer shall provide the Director of Public Works with complete copies of the schedule and each update to the schedule for the Director's review.

(d) From time to time at the request of the Director, representatives of the Developer shall meet and confer with the Director of Public Works and Agency staff, consultants and contractors regarding matters arising hereunder with respect to the Acquisition Facilities, Components and the progress in constructing and acquiring the same, and as to any other matter related to the Acquisition Facilities or this Acquisition Agreement. The Developer shall advise the Director of Public Works in advance of any coordination and scheduling meetings to be held with contractors relating to the Acquisition Facilities, in the ordinary course of performance of an individual contract. The Director of Public Works shall have the right to be present at such meetings, and to meet and confer with individual contractors if deemed advisable by the Director of Public Works to resolve disputes and/or ensure the proper completion of the Acquisition Facilities, and, at the request of the Developer, shall attend such meetings.

3.4 Independent Contractor.

(a) In performing this Acquisition Agreement, the Developer is an independent contractor and not the agent or employee of the Agency, the City or any CFD. Except as otherwise provided in this Acquisition Agreement, none of the Agency, the City or any CFD shall be responsible for making any payments to any contractor, subcontractor, agent, consultant, employee or supplier of the Developer.

(b) The Agency has determined that it would obtain no advantage by undertaking the construction by the Agency directly of the Infrastructure, and that the provisions of this Acquisition Agreement require that the Acquisition Facilities be constructed by the Developer as if they had been constructed under the direction and supervision of the Agency.

3.5 Performance and Payment Bonds. Subject to the provisions of the South OPA and the Interagency Cooperation Agreement, the Developer agrees, in accordance with applicable City Regulations, to post performance and payment bonds with respect to the construction of Acquisition Facilities to the extent that the projected Acquisition Funds are reasonably determined by the Agency to be insufficient (in time or amount) to pay the expected Acquisition Prices of the Acquisition Facilities; provided that to the extent not otherwise required by the applicable City Regulations, the Developer shall require all contractors and/or subcontractors it employs in connection with the construction of Acquisition Facilities to provide labor and materials and performance bonds (the premiums for which shall constitute Actual Costs of the related Acquisition Facilities) which name the Agency and the City as additional insureds.

3.6 Contracts and Change Orders. The Developer shall be responsible for entering into all contracts and any supplemental agreements (commonly referred to as "change orders") required for the construction of the Acquisition Facilities, and all such contracts and supplemental agreements shall be submitted to the Director. Prior approval of supplemental agreements by the Director of Public Works shall only be required for such change orders which in any way materially alter the quality or character or expected future maintenance costs of the subject Acquisition Facilities, or which involve an amount equal to the greater of five percent (5%) of the amount of the bid for the Acquisition Facility involved or \$50,000. The Director of Public Works shall approve or deny all such contracts or supplements submitted to it (any such denial to be in writing, stating the reasons for denial and the actions, if any, that can be taken to obtain later approval) within ten (10) business days of receipt by the Director of Public Works thereof. Any such contract or supplemental agreement properly submitted to the Director of Public Works and not denied in writing by the Director of Public Works within such 10 day period shall be deemed to be approved in the form submitted for all purposes of this Acquisition Agreement.

3.7 Time for Completion. The Developer acknowledges and agrees that the reasonably anticipated time for the completion of the Acquisition Facilities or Components thereof must satisfy the requirements of applicable federal tax laws and regulations with respect to the use of bond proceeds to finance such Acquisition Facilities or Components, and the Developer shall provide the Agency with such reasonably requested certificates or other assurances as may be required in connection therewith.

3.8 School Facilities and Rail Facilities. Pursuant to Sections 4.5 and 5.3 of the South OPA, Infrastructure, for purposes of this Acquisition Agreement, may include certain costs related to school facilities and rail facilities. It is hereby acknowledged that any such facilities will be eligible for funding with CFD Public Financing or Special Tax proceeds only to the extent permitted under Sections 53313.9 and 53316.2, as applicable, of the Act or as otherwise permitted under applicable law.

4. ACQUISITION AND PAYMENT

4.1 Inspection. No payment hereunder shall be made by the Agency to the Developer for an Acquisition Facility or Component thereof until the Acquisition Facility or Component thereof has been inspected and found by the Director of Public Works to be completed substantially in accordance with the approved Plans and otherwise consistent with the South OPA, the Interagency Cooperation Agreement and any applicable City Regulations. The Agency shall cooperate with the Developer in obtaining applicable approvals consistent with the terms of the South OPA. Except as otherwise provided in the South OPA, the Developer agrees to pay all inspection, permit and other similar fees of the Agency or the City applicable to construction of the Acquisition Facilities, not otherwise paid from an Agency Account, subject to reimbursement as a component of the Acquisition Price of the related Acquisition Facilities.

4.2 Agreement to Sell and Purchase Facilities. The Developer hereby agrees to sell the Acquisition Facilities listed in Exhibit B hereto, as amended from time to time, to the Agency (or other applicable public agency that will own an Acquisition Facility), and the Agency hereby agrees to use Acquisition Funds when available to pay the Acquisition Prices thereof to the Developer, subject to the terms and conditions hereof and of the Financing Plan. The Agency shall not be obligated to purchase any Acquisition Facility until the Acquisition Facility is completed and the Acceptance Date for such Acquisition Facility has occurred; provided that the Agency has agreed hereunder to make payments to the Developer for certain Components of Acquisition Facilities expressly shown in Exhibit B-1 hereto, as it may be supplemented by any Supplement prior to completion of the Acquisition Facility or the transfer of title to the property underlying it to the applicable governmental agency or utility. The Developer acknowledges that the Components have been identified for payment purposes only, and that the City (or other applicable public agency that will own an Acquisition Facility) shall not be obligated to accept an Acquisition Facility of which a Component is a part until the entire Acquisition Facility has been completed. The Agency acknowledges that the Components do not have to be accepted by the City (or other applicable public agency that will own an Acquisition Facility) as a condition precedent to the payment of the Acquisition Price therefor, but any such payment shall not be made until the Component has been completed in accordance with the Plans therefor and any City Regulations applicable thereto, as determined in accordance with the Interagency Cooperation Agreement. After the Developer has met the inspection requirements set forth in Section 4.1, the Agency shall use good faith efforts to cause the City to make the Acceptance Date for a final Component to occur by causing the City to accept dedication of any Infrastructure or Open Space Parcels required to be dedicated to the City, in accordance with the Interagency Cooperation Agreement.

4.3 Payment Requests. In order to receive the Acquisition Price for a completed Acquisition Facility or Component thereof, inspection thereof under Section 4.1 shall have been made and the Developer shall deliver to the Director of Public Works: (i) a Payment Request in the form of Exhibit A hereto for such Acquisition Facility or Component, together with all attachments and exhibits required by Exhibit A and this Section 4.3 to be included therewith, in an organized manner, and (ii) if payment is requested for a completed Acquisition Facility, (a) if the property on which the Acquisition Facility is located is not owned by the Agency (or other applicable public agency that will own the Acquisition Facility) at the time of the request, a copy of the recorded documents conveying to the Agency (or other applicable public agency that will own the Acquisition Facility) Acceptable Title to the real property on, in or over which such Acquisition Facility is located, as described in Section 5.1 hereof, (b) a copy of the recorded notice of completion of such Acquisition Facility (if applicable), (c) an assignment of any warranties and guaranties for such Acquisition Facility, in a form acceptable to the Agency and (d) an assignment to the Agency of any reimbursements from third parties that may be

payable with respect to the Acquisition Facilities, such as utility or other reimbursements, to be used by the Agency to repay Public Financings or to be added to the Acquisition Funds (or if the same are not so assigned, any such amounts shall be deducted from the determination of Actual Cost).

4.4 Processing Payment Requests. Upon receipt of a Payment Request (and all accompanying documentation), the Director of Public Works shall conduct a review in order to confirm that such request is complete, that such Component or Acquisition Facility identified therein was constructed substantially in accordance with the requirements of Section 4.1 of this Agreement, and to verify and approve the Actual Cost of such Component or Acquisition Facility specified in such Payment Request. The Developer agrees to cooperate with the Director of Public Works in conducting each such review and to provide the Director of Public Works with such additional information and documentation as is reasonably necessary for the Director of Public Works to conclude each such review. For any Acquisition Facilities to be acquired by a public entity or utility other than the City or the Agency, the Developer shall provide evidence acceptable to the Director of Public Works that such Acquisition Facilities are acceptable to such entity or utility. Within ten (10) business days of receipt of any Payment Request, the Director of Public Works shall diligently attempt to complete his or her review of the request for completeness and notify the Developer whether such Payment Request is complete, and, if not, what additional documentation must be provided. The Director of Public Works shall provide a written approval or denial (specifying the reason for any denial) of each completed Payment Request within 30 days of its submittal. Failure of the Director of Public Works to notify the Developer that a Payment Request is incomplete on or before ten (10) days after the Developer first notifies the Director that the Developer has not received notification within the 10-business day period therefor as provided above (by delivery by the Developer of a written notice in the form of Exhibit D hereto), shall be deemed to mean that the Payment Request is complete. All requests for payment for the costs of any Component or Acquisition Facility contained in a Payment Request that are not specifically denied by the Director of Public Works within thirty (30) days after the Developer first notifies the Director of failure to respond within the applicable 30-day period for review specified above, shall be deemed to be approved in the form submitted for all purposes of this Agreement.

4.5 Payment.

(a) Upon approval or deemed approval of the Payment Request by the Director as provided in Section 4.4 above, the Director of Public Works shall sign the Payment Request and forward the same to the Deputy Executive Director, Finance Administration of the Agency. In the event of the deemed approval of a Payment Request, the Developer shall have the right to forward to the Payment Request directly to the Deputy Executive Director, Finance Administration of the Agency, with a copy thereof delivered to the Director of Public Works. Upon receipt of the reviewed and fully signed Payment Request (or a Payment Request that is deemed approved pursuant to Section 4.4 above), the Deputy Executive Director, Finance Administration of the Agency shall, within the then current Agency financial accounting payment cycle but in any event within fifteen (15) business days of receipt of such Payment Request, cause the same to be paid by the Agency from available Acquisition Funds. The source of Acquisition Funds on which to draw to meet any Payment Request shall be determined in accordance with the procedures set forth in the Financing Plan. Any such Payment Request not paid in full due to an insufficiency of Acquisition Funds, shall be paid promptly following the availability of additional Acquisition Funds.

(b) Once paid in full, the Acquisition Price paid for any Acquisition Facility or Component shall constitute payment in full for such Acquisition Facility or Component, as applicable, including, without limitation, payment for all labor, materials, equipment, tools and services used or incorporated in the work, supervision, administration, overhead, expenses and

any and all other things required, furnished or incurred for completion of such Acquisition Facility or Component, as specified in the Plans.

4.6 Restrictions on Payments. Notwithstanding any other provisions of this Acquisition Agreement, the following restrictions shall apply to any payments made to the Developer under Sections 4.2 and 4.5(a) hereof:

A. Amounts of Payments.

(i) Subject to the following paragraphs of this Section 4.6, payments for each Component or Acquisition Facility will be made only in the amount of the Acquisition Price for the respective Component or Acquisition Facility, not to exceed the Budgeted Cost thereof, except as provided in the remainder of this Section 4.6A(i). The Budgeted Cost for each Component or Acquisition Facility shall be the budgeted cost for such item set forth on Exhibit B as increased by (i) the increase, if any, between the amount of any contract awarded pursuant to Section 3.3(b) and the Budgeted Cost for such Acquisition Facility and (ii) the cost of any change orders approved by the Director of Public Works or (iii) any amount otherwise permitted pursuant to Section 3.6. To the extent the Actual Cost of a Component or Acquisition Facility exceeds the Budgeted Cost therefore, the Acquisition Price shall equal the Actual Cost to the extent that: (i) the Director of Public Works reasonably concludes that the increase was due to changes that were necessary and appropriate, and (ii) the Agency reasonably expects there will be sufficient Acquisition Funds during the life of the Redevelopment Plan to pay for the reasonably expected costs of all remaining Infrastructure.

(ii) Nothing herein shall require the Agency in any event to pay more than the Actual Cost of an Acquisition Facility or Component. The parties hereto acknowledge and agree that all payments to the Developer for the Acquisition Prices of Acquisition Facilities or Components are intended to be reimbursements to the Developer for monies already expended or for immediate payment by the Developer (or directly by the Agency) to third parties in respect of such Acquisition Facilities and/or Components.

B. Joint or Third Party Payments. The Agency may make any payment jointly to the Developer and any mortgagee or trust deed beneficiary, contractor or supplier of materials, as their interests may appear, or solely to any such third party, if the Developer so requests the same in writing or (unless the Developer provides sureties, undertakings, securities and/or lien bonds of the Developer or appropriate contractors or subcontractors that are deemed satisfactory by the Agency to assure payment of such claims) as the Agency otherwise determines such joint or third party payment is necessary to obtain lien releases.

C. Withholding Payments.

(i) The Agency shall be entitled, but shall not be required, to withhold any payment hereunder for a Component or an Acquisition Facility if the Developer or any Affiliate is delinquent in the payment of ad valorem real property taxes, special assessments or taxes, possessory interest taxes, or Special Taxes levied in the CFD. In the event of any such delinquency, the Agency shall only make payments hereunder directly to contractors or other third parties employed in connection with the construction of the Acquisition Facilities or a Transfer Entity, until such time as the Developer provides the Director of Public Works with evidence that all such delinquent taxes and assessments have been paid.

(ii) The Agency shall withhold final payment for any Acquisition Facility (but not for any Component thereof) constructed on land, until Acceptable Title to such land has been conveyed to the public entity that will own the respective Facility (if such property in not already owned by the City or any other such public entity), as described in Article V hereof.

(iii) The Agency shall be entitled to withhold any payment hereunder for a Component that is the subject of a Payment Request until it is satisfied that any and all claims for labor and materials have been paid by the Developer for the Component that is the subject of a Payment Request, or conditional lien releases have been provided by the Developer for such Component. The Agency shall waive this limitation upon the provision by the Developer of sureties, undertakings, and/or lien bonds of the Developer or appropriate contractors or subcontractors and deemed satisfactory by the Director of Public Works to assure payment of such claims.

(iv) The Agency shall be entitled to withhold payment for the final Component of any Acquisition Facility until: (a) the Director of Public Works determines that the Acquisition Facility is ready for its intended use and has been constructed substantially in accordance with all applicable City Regulations, (b) the Acceptance Date for the Acquisition Facility has occurred and the requirements of Section 5.1, if applicable to such Acquisition Facility, have been satisfied, and (c) general lien releases (conditioned solely upon payment from Acquisition Funds to be used to acquire such Acquisition Facility or final Component) have been submitted to the Director of Public Works for the Acquisition Facility. The Agency hereby agrees that the Developer shall have the right to post or cause the appropriate contractor or subcontractor to post a bond with the Agency to indemnify the Agency and the City for any losses sustained by the Agency or the City because of any liens that may exist at the time of acceptance of such an Acquisition Facility, so long as such bond is drawn on an obligor and is otherwise in a form acceptable to the Director. The Agency shall be entitled to withhold payment for the final Component of any Acquisition Facility to be owned by governmental entities other than the City, until the Developer provides the Director of Public Works with evidence that the governmental entity has accepted dedication of and/or title to the Acquisition Facility. The Director of Public Works shall promptly determine whether an Acquisition Facility is ready for intended use and is in compliance with applicable City Regulations under (a) above and shall so notify the Developer as soon as reasonably practicable in writing of his or her determination. If such determination is that an Acquisition Facility does not meet such requirements, the Director shall, in such notice, identify with particularity the reason(s) therefor.

(v) Nothing in this Acquisition Agreement shall be deemed to prohibit the Developer from contesting in good faith the validity or amount of any mechanics or material man's lien nor limit the remedies available to the Developer with respect thereto so long as such delay in performance shall not subject the Acquisition Facilities or any Component thereof to foreclosure, forfeiture or sale. In the event that any such lien is contested, the Developer shall only be required to post or cause the delivery of a bond in an amount equal to the amount in dispute with respect to any such contested lien, so long as such bond is drawn on an obligor and is otherwise in a form acceptable to the Director.

D. Retention. The Agency shall be entitled to withhold from the amounts payable pursuant to any Payment Request such amounts as are authorized by applicable City Regulations. The Agency shall be obligated to release any such retention for each Component in accordance with applicable City Regulations.

E. Frequency. Unless otherwise agreed to by the Director, no more than one Payment Request shall be submitted by the Developer in any calendar month.

F. Restrictions on Escrowed Funds. The Developer acknowledges that the provisions of a Public Financing authorizing document may require that Public Financing proceeds deposited to an escrow fund be used to redeem a portion of the Public Financing, and in such event will not be available as Acquisition Funds. The Developer agrees to assist the Agency in releasing funds from any such escrow fund as requested by the Agency.

4.7 Defective or Nonconforming Work. If any of the work done or materials furnished for a Facility or Component are found by the Director of Public Works to be defective or not in accordance with the applicable Plans and City Regulations: (i) and such finding is made prior to payment for the Acquisition Price of such Facility or Component hereunder, the Agency may withhold payment therefor until such defect or nonconformance is corrected to the satisfaction of the Director, or (ii) and such finding is made after payment of the Acquisition Price of such Facility or Component, the Agency and the Developer shall act in accordance with applicable City Regulations, and the Interagency Cooperation Agreement and the Infrastructure Plan.

4.8 City Cooperation. The Agency shall use all reasonable efforts to obtain the compliance by the City with the provisions of the Interagency Cooperation Agreement, as they affect the acceptance by the City of Acquisition Facilities.

5. OWNERSHIP AND TRANSFER OF FACILITIES

5.1 Conveyance of Land, Title. The transfer of, maintenance of and right of entry with respect to all land on, in or over which any Infrastructure will be located shall be governed by the South OPA, the Interagency Cooperation Agreement and the City Regulations.

6. INSURANCE

6.1 Insurance Requirements. The Developer shall, at all times prior to the final Acceptance Date of any Acquisition Facilities comply with the insurance requirements set forth in any Permit to Enter issued by the Agency in accordance with the South OPA or by the City in accordance with the Interagency Cooperation Agreement, or otherwise in accordance with any other applicable City Regulations.

6.2 Evidence of Insurance. The Developer shall furnish to the Agency and the City, from time to time upon request of the Agency or the City's Risk Manager, a certificate of insurance (and/or, upon request by the Agency or the City's Risk Manager, a complete copy of any policy) regarding each insurance policy required to be maintained by the Developer under any Permit to Enter issued by the Agency in accordance with the South OPA or by the City in accordance with the Interagency Cooperation Agreement, or otherwise in accordance with any other applicable City Regulations.

7. REPRESENTATIONS, WARRANTIES AND COVENANTS

7.1 Representations, Covenants and Warranties of the Developer. The Developer represents and warrants for the benefit of the Agency as follows:

A. Organization. The Developer is a corporation duly organized and validly existing under the laws of the State of Delaware, is in compliance with the laws of such State, and has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated.

B. Authority. The Developer has the power and authority to enter into this Acquisition Agreement, and has taken all action necessary to cause this Acquisition Agreement to be executed and delivered, and this Acquisition Agreement has been duly and validly executed and delivered by the Developer.

C. Financial Records. Until the final Acceptance Date for each Acquisition Facility, the Developer covenants to maintain proper books of record and account for the construction of

such Acquisition Facility and all costs related thereto. Such accounting books shall be maintained in accordance with generally accepted accounting principles.

D. Land Sales. The Developer agrees that in the event that it sells any land owned by it within the boundaries of a CFD, the Developer will (i) notify the purchaser in writing prior to the closing of any such sale of the existence of this Acquisition Agreement, and (ii) notify the purchaser in writing of the existence of the CFD and the special tax lien in connection therewith, and otherwise comply with any applicable provision of Section 53341.5 of the Act.

E. Additional Information. The Developer agrees to cooperate with all reasonable written requests for nonproprietary information by the original purchasers of any Public Financing or the Agency related to the status of construction of improvements within the CFD, the anticipated completion dates for future improvements, and any other matter material to the investment quality of the respective Public Financing.

F. No Misrepresentation. The Developer shall not make any material misrepresentation or omission in any written materials furnished to the Agency for use in connection with any preliminary official statement, official statement, bond purchase contract or continuing disclosure certificate or agreement used in connection with the sale of any Public Financing.

G. Continuing Disclosure. The Developer agrees to comply with all of its obligations under any continuing disclosure agreement executed by it in connection with the offering and sale of any Public Financing. The Developer acknowledges that a condition to the issuance of any Public Financing will be the then compliance by the Developer with its obligations under such agreement.

I. Allocation of Sales Taxes. The Developer shall cooperate reasonably with the Agency and the City in investigating the feasibility of a program to maximize the capture of sales taxes for the City with respect to any construction contracts and subcontracts for Acquisition Facilities or Components and other Improvements, provided that the Developer shall not be unreasonable in declining to implement such a program if it would incur other than immaterial costs in such implementation and such costs would not be reimbursed. Such a program could include, by way of example only, use of a purchasing agent. Before commencing construction of Acquisition Facilities under this Agreement, the Developer, the Agency and the City shall meet and confer in good faith to evaluate the feasibility of implementing any such program and the relative financial benefits and burdens to the City and the Developer.

7.2 Indemnification and Hold Harmless. The Developer acknowledges and agrees that the indemnities of the Owner contained in the South OPA and in the consent to the Interagency Cooperation Agreement include, without limitation, any and all Losses (as defined therein) arising out of the breach of this Agreement by the Developer, the Developer's or any of its contractor's, agents', consultants' or representatives' negligent or defective construction of the Acquisition Facilities or any Components acquired from the Developer under this Agreement, the Developer's non-payment under contracts between the Developer and its consultants, engineers, advisors, contractors, subcontractors or suppliers in the provision of such Acquisition Facilities or Components or any claims of persons employed by the Developer or its contractors, agents, consultants or representatives to construct such Acquisition Facilities or Components, all subject to the terms, conditions, exceptions (including, without limitation, the exception for negligence or willful acts or omissions of the indemnified party) and limitations contained in the South OPA and the Interagency Cooperation Agreement, as applicable and further provided that any demand for indemnification hereunder with respect to negligent or defective construction must be brought, if at all, within two (2) years after the related Acquisition Facilities or Components are determined to be complete in accordance with the inspection described in Section 4.1 hereof.

8. TERMINATION

8.1 Mutual Consent. This Acquisition Agreement may be terminated by the mutual, written consent of the Agency and the Developer, in which event the Agency may let contracts for any remaining work related to the Acquisition Facilities not previously acquired from the Developer hereunder, and use all or any portion of the Acquisition Funds to pay for same, and in such event the Developer shall have no claim or right to any further payments for the Acquisition Price of Acquisition Facilities or Components hereunder, except for Acquisition Facilities or Components which have been completed but not yet paid for from Acquisition Funds or as otherwise may be provided in such written consent.

8.2 Agency Election for Cause.

(a) The following events shall constitute grounds for the Agency, at its option, to terminate this Acquisition Agreement, without the consent of the Developer:

(i) The Developer shall voluntarily file for reorganization or other relief under any Federal or State bankruptcy or insolvency law.

(ii) The Developer shall have any involuntary bankruptcy or insolvency action filed against it, or shall suffer a trustee in bankruptcy or insolvency or receiver to take possession of the assets of Developer, or shall suffer an attachment or levy of execution to be made against the property it owns within the CFD unless, in any of such cases, such circumstance shall have been terminated or released within ninety (90) days thereafter.

(iii) The Developer or any of its Affiliates shall at any time challenge the validity of a CFD established in accordance with, or any Public Financing issued in accordance with the Financing Plan, or the levy of Special Taxes within such a CFD, other than on the grounds that such levy was not made in accordance with the terms of the Rate and Method of Apportionment of the Special Taxes for such CFD.

(b) If any such event described in Section 8.2(a) occurs, the Agency shall give written notice of its knowledge thereof to the Developer, and the Developer shall agree to meet and confer with the Director of Public Works and other appropriate Agency staff and consultants as to options available to assure timely completion of the Acquisition Facilities and Infrastructure not yet constructed. Such options may include, but not be limited to the termination of this Acquisition Agreement by the Agency. If the Agency elects to terminate this Acquisition Agreement, the Agency shall first notify the Developer (and any mortgagee or trust deed beneficiary specified in writing by the Developer to the Agency to receive such notice) of the grounds for such termination and allow the Developer a minimum of thirty (30) days to eliminate or mitigate to the satisfaction of the Director of Public Works the grounds for such termination. Such period may be extended, at the sole discretion of the Agency, if the Developer, to the satisfaction of the Agency, is proceeding with diligence to eliminate or mitigate such grounds for termination. If at the end of such period (and any extension thereof), as determined solely by the Agency, the Developer has not eliminated or completely mitigated such grounds, to the satisfaction of the Agency, the Agency may then terminate this Acquisition Agreement.

(c) Notwithstanding the foregoing, so long as any event listed in Section 8.2(a) has occurred, notice of which has been given by the Agency to the Developer, and such event has not been cured or otherwise eliminated by the Developer, the Agency may in its discretion cease making payments for the Acquisition Price of Acquisition Facilities or Components under Article 4 hereof to the Developer; provided that the Developer shall receive payment of the

Acquisition Price of any Component or Acquisition Facility that was completed at the time of the occurrence of an event listed in Section 8.2(a) above upon submission of the documents and compliance with the other applicable requirements of this Acquisition Agreement.

8.3 Force Majeure. A party who is subject to Unavoidable Delay in the performance of an obligation hereunder, or in the satisfaction of a condition to the other party's performance hereunder, shall be entitled to a postponement of the time for performance of such obligation or satisfaction of such condition during the period of enforced delay attributable to an event of Unavoidable Delay, subject to the provisions of this Section 8.3.

The Unavoidable Delay provisions of this Section shall not apply unless (i) the party seeking to rely upon such provisions shall have given notice to the other party, within thirty (30) days after obtaining knowledge of the beginning of an enforced delay, of such delay and the cause or causes thereof, to the extent known, and (ii) a party claiming the Unavoidable Delay must at all times be acting diligently and in good faith to avoid foreseeable delays in performance, and to remove the cause of the delay or to develop a reasonable alternative means of performance.

9. MISCELLANEOUS

9.1 Limited Liability of Agency and City. Except as otherwise provided in the South OPA, the Developer agrees that any and all obligations of the Agency and/or the City arising out of or related to this Acquisition Agreement are special and limited obligations of the Agency and the City, as applicable, and the Agency and City's obligations to make any payments hereunder are restricted entirely to available Acquisition Funds and from no other source. No member of the Board of Supervisors, the Commission, or Agency staff member, employee or agent shall incur any liability hereunder to the Developer or any other party in their individual capacities by reason of their actions hereunder or execution hereof. It is understood and agreed that no commissioners, members, officers, agents, or employees of the Agency or the City (or of either of its successors or assigns) shall be personally liable to the Developer nor shall any officers, directors, shareholders, agents or employees of the Developer (or of its successors or assigns) be personally liable to the Agency or the City in the event of any default or breach of this Agreement by the Agency or the Owner or for any amount which may become due to the Owner or the Agency or the City, as the case may be, hereunder or for any obligations of the parties under this Agreement.

9.2 Audit. The Director of Public Works and the Deputy Executive Director of Public Works-Finance Administration of the Agency, or their respective representatives, shall have the right, during normal business hours and upon the giving of reasonable prior written notice to the Developer, to review all books and records of the Developer pertaining to costs and expenses incurred by the Developer related to any of the Components and Acquisition Facilities, and any bids taken or received for the construction thereof or materials therefor.

9.3 Attorney's Fees. Should either party hereto institute any action or proceeding in court or other dispute resolution mechanism (DRM) to enforce any provision hereof or for damages by reason of an alleged breach of any provision of this Agreement, the prevailing party shall be entitled to receive from the losing party court or DRM costs or expenses incurred by the prevailing party including, without limitation, expert witness fees, document copying expenses, exhibit preparation costs, carrier expenses and postage and communication expenses, and such amount as the court or DRM may adjudge to be reasonable attorneys' fees for the services rendered the prevailing party in such action or proceeding. Attorneys' fees under this Section 9.3 include attorneys' fees on any appeal, and, in addition, a party entitled to attorneys' fees shall be entitled to all other reasonable costs and expenses incurred in connection with such action.

For purposes of this Agreement, reasonable fees of attorneys and any in-house counsel for the Agency or the Developer shall be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience in the subject matter area of the law for which the Agency's or the Developer's in-house counsel's services were rendered who practice in the City in law firms with approximately the same number of attorneys as employed by the City, or, in the case of the Developer's in-house counsel, as employed by the outside counsel for the Developer.

(ii) if applicable, the period of time within which the recipient of the notice must respond thereto;

(iii) if approval is being requested, shall be clearly marked "Request for Approval under the Mission Bay South Acquisition Agreement"; and

(iv) if a notice of a disapproval or an objection which requires reasonableness, shall specify with particularity the reasons therefor.

(b) Any mailing address or telefacsimile number may be changed at any time by giving written notice of such change in the manner provided above at least ten (10) days prior to the effective date of the change. All notices under this Acquisition Agreement shall be deemed given, received, made or communicated on the date personal receipt actually occurs or, if mailed, on the delivery date or attempted delivery date shown on the return receipt. (c) Any notice or request for review, consent or other determination or action by the Agency or the Director of Public Works that could be subject to deemed approval under any provision of this Agreement shall display prominently on the envelope enclosing such request (if any) and the first page of such request, substantially the following words: "MISSION BAY INFRASTRUCTURE: IMMEDIATE ATTENTION REQUIRED; FAILURE TO RESPOND COULD RESULT IN DEEMED APPROVAL."

9.5 Successors and Assigns. This Acquisition Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto. This Acquisition Agreement shall not be assigned by the Developer, except to a Transferee in connection with a Transfer permitted under the South OPA and upon such Transfer, the Developer shall be released from its obligations hereunder to the extent provided in the South OPA. In any event, any such assignment shall be in writing and shall clearly identify the scope of the rights and/or obligations assigned.

9.6 Other Agreements. The obligations of the Developer hereunder shall be those of a party hereto and not as an owner of property in the South Plan Area. Nothing herein shall be construed as affecting the Agency's or the Developer's rights, or duties to perform their respective obligations, under the South OPA, the Interagency Cooperation Agreement and other Plan Documents and any applicable City Regulations. This Acquisition Agreement shall not confer any additional rights, or waive any rights given, by either party hereto under any development or other agreement to which they are both a party.

9.7 Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Acquisition Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist upon and demand strict compliance by the other party with the terms of this Acquisition Agreement thereafter.

9.8 Parties in Interest. EXHIBIT A

FORM OF PAYMENT REQUEST

PAYMENT REQUEST No. _____

The undersigned (the "Developer"), hereby requests payment in the total amount of \$_____ for the Acquisition Facilities (as defined in the Acquisition Agreement for Mission Bay South (the "Agreement") between the Redevelopment Agency of the City and County of San Francisco (the "Agency") and the Developer), or Components thereof (as described in Exhibit B-1 to that Agreement), all as more fully described in Attachment 1 hereto. In connection with this Payment Request, the undersigned hereby represents and warrants to the Agency as follows:

1. He (she) is a duly authorized officer of the Developer, qualified to execute this Payment Request for payment on behalf of the Developer and is knowledgeable as to the matters set forth herein.

SOUTH FINANCING PLAN

**MISSION BAY SOUTH TAX ALLOCATION DEBT
PROMISSORY NOTE**

San Francisco, California
Date: _____

FOR VALUE RECEIVED, the undersigned, Catellus Development Corporation, a Delaware corporation [OR INSERT NAME OF QUALIFYING TRANSFEREE OR APPLICABLE PROMISSOR] (the "Promisor"), promises to pay, on demand, to the order of the Redevelopment Agency of the City and County of San Francisco (the "Payee"), at 770 Golden Gate Avenue, San Francisco, California 94102, Attention: Director of Finance (or such other place or to such other party as the Payee may from time to time designate in writing), for the benefit of the Payee and the City and County of San Francisco (the "City"), the "Additional Payments" as defined in the Financing Plan attached as Exhibit E (the "Financing Plan") to the Mission Bay South Owner Participation Agreement dated as of November 16, 1998, between the Promisor and the Payee, as the same has or may be amended pursuant to its terms (the "South OPA"), with no interest other than as specified below. Unless otherwise defined in this Note, all capitalized terms shall have the meanings given them in the South OPA.

The Additional Payments shall be due and payable within thirty (30) days after written demand therefor from the Payee to the Promisor. In no event shall the Payee be entitled to demand payment more than sixty (60) days before any debt service payment is then due and payable on the applicable Tax Allocation Debt.

If any payment obligation under this Note is not paid when due, the Promisor shall promptly pay all costs, including, without limitation, collection charges and Attorneys' Fees and Costs (as defined below), incurred by the Payee in connection with the enforcement of its rights under this Note, whether or not suit is filed (collectively, the "Reimbursement Amount"), and the Promisor hereby waives to the fullest extent permitted by law all right to plead any statute of limitations as a defense to any action hereunder. The past due payment obligation and the Reimbursement Amount shall be accompanied by interest on such amounts at the rate of the lesser of ten percent (10%) per annum or the maximum rate permitted by law, from the date due through and including the date of payment of such amounts (calculated on the basis of a 365-day year for the actual number of days elapsed).

All payments on this Note shall be applied first to accrued interest then due, if any, and the balance shall be applied to principal.

If any one or more of the provisions of this Note are determined to be unenforceable, in whole or in part, for any reason, the remaining provisions shall remain fully operative.

All payments of principal and interest on this Note shall be paid in lawful currency of the United States of America and in immediately available funds, including certified check and wire transfer of funds. The Promisor hereby waives presentment for payment, diligence, demand, protest and notice of protest for non-payment of this Note.

No renewal or extension of this Note, delay in enforcing any right of the Payee under this Note, or assignment by the Payee of this Note shall in any way affect the liability of the Promisor. All rights and remedies of the Payee under this Note are cumulative and may be exercised independently or consecutively at the Payee's option. The rights and remedies provided under this Note are in addition to any rights or remedies provided under the South OPA or any agreements contemplated thereby.

Promisor agrees to indemnify, defend and hold the Payee and the City and their respective officers, directors, commissioners, employees and agents (collectively, the "Indemnified Parties") harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, Attorneys' Fees and Costs as hereinafter defined) arising in connection with any investigative, administrative or judicial proceeding, that may be imposed on, incurred by or asserted against such Indemnified Party, in any manner relating to or arising out of or in connection with the payment or enforcement of this Note (collectively, the "Indemnified Liabilities"). Notwithstanding the foregoing, Indemnified Liabilities shall not include (a) liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements to the extent caused by or resulting from the willful misconduct or negligence of such Indemnified Party, including, without limitation, a willful breach of any obligations of the City under the Tax Allocation Agreement or the Payee under the Financing Plan or (b) consequential damages arising from any actual losses related to an indemnified claim. Promisor shall defend the Indemnified Parties against any claims that are actually or potentially within the scope of the indemnity provisions of this instrument, even if such claims may be groundless, fraudulent or false.

"Attorney's Fees and Costs" means any and all attorneys' fees, costs, expenses and disbursements, including, but not limited to: expert witness fees and costs, travel time and associated costs; transcript preparation fees and costs; document copying expenses; exhibit preparation costs; carrier expenses and postage and communications expenses; such amount as a court or other decision maker may adjudge to be reasonable attorneys' fees for the services rendered to the prevailing party in such action or proceeding; fees and costs associated with execution upon any judgment or order; and costs on appeal and any collection efforts. For purposes of this Note, the reasonable fees of attorneys and any in-house counsel for the City, the Payee and the Promisor shall be based on the fees regularly charged by private attorneys with the equivalent number of years of professional experience in the subject matter area of the law for which the City's, the Payee's or the Promisor's in-house counsel's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City or the Payee or, in the case of the Promisor, as employed by outside counsel for the Promisor.

The Indemnified Parties agree to give prompt notice to the Promisor with respect to any suit or claim initiated or threatened against the Indemnified Parties, at the address for notices of the Promisor set forth in the South OPA, and in no event later than the earlier of (a) ten (10) days after valid service of process as to any suit or (b) fifteen (15) days after receiving written notification of the filing of such suit or the assertion of such claim, which the Indemnified Party has reason to believe is likely to give rise to a claim for indemnity hereunder. If prompt notice is not given to the Promisor, then the Promisor's liability hereunder shall terminate as to the matter for which such notice is not given, provided that failure to notify the Promisor shall not prejudice the rights of the Indemnified Party hereunder unless the Promisor is prejudiced by such failure, and then only to the extent of such prejudice. The Promisor shall, at its option but subject to the reasonable consent and approval of the Indemnified Party, be entitled to control the defense, compromise or settlement of any such matter through counsel of the Promisor's

own choice; provided, however, that in all cases the Indemnified Party shall be entitled to participate in such defense, compromise, or settlement at its own expense. If the Promisor shall fail, however, in the Indemnified Party's reasonable judgment, within a reasonable time following notice from the Indemnified Party alleging such failure, to take reasonable and appropriate action to defend, compromise or settle such suit or claim, the Indemnified Party shall have the right promptly to hire counsel at the Promisor's sole expense to carry out such defense, compromise or settlement, which expense shall be immediately due and payable to the Indemnified Party upon receipt by the Promisor of a properly detailed invoice therefor. The indemnities set forth above shall survive any termination of the Financing Plan as to matters that arise during the term hereof.

This Note is not secured by any real property or interests therein.

Any failure of the Payee to exercise any rights under this Note shall not constitute a waiver of the right to the later exercise thereof.

This Note may not be changed, amended or modified orally, and may only be amended or modified by an instrument in writing which by its express terms refers to this Note and is duly executed by the Promisor and accepted in writing by the Payee.

Notice may be given to the Payee or to the Promisor at the address for such parties and in the manner set forth in the South OPA.

This Note shall be governed by and construed in accordance with the laws of the State of California.

Time is of the essence with respect to each and every term and provision of this Note.

The terms of this Note shall bind the Promisor and inure to the benefit of the Payee and the City and their respective successors and assigns.

This Note shall terminate and be of no further force or effect, upon (a) the Transfer of any property in the South Plan Area to a Transferee for which this Note is not required under the South OPA, including the Financing Plan, provided such obligations shall be relieved only as to the property so Transferred, or (b) the latest of (i) payment in full of this Note together with any and all other amounts payable by Promisor under this Note (including any Reimbursement Amounts), (ii) payment for all Infrastructure under the terms of the Financing Plan, and (iii) payment in full of the Tax Allocation Debt; provided, however, any obligations that Promisor has under this Note that arose and were not satisfied before such date shall survive any such termination. Nothing herein shall limit Promisor's obligation to execute and deliver a Tax Allocation Bond Guaranty for certain Additional Payments if the same is required under the South OPA, including the Financing Plan, upon a Transfer of any portion of the South Plan Area to a Non-Qualified Transferee.

SOUTH FINANCING PLAN

MISSION BAY SOUTH TAX ALLOCATION DEBT GUARANTY AGREEMENT

*[To Be Executed upon Transfer to a Non-Qualifying Transferee
Pursuant to the Financing Plan]*

THIS GUARANTY AGREEMENT (this "Guaranty") dated as of _____, 1998, is made by CATELLUS DEVELOPMENT CORPORATION, a California corporation [OR INSERT NAME OF OTHER QUALIFYING TRANSFEREE] ("Guarantor"), to and for the benefit of the REDEVELOPMENT AGENCY OF THE CITY AND COUNTY OF SAN FRANCISCO (the "Agency") and the CITY AND COUNTY OF SAN FRANCISCO ("City"). Unless otherwise defined in this Agreement, all initially capitalized terms used in this Agreement shall have the meanings given them in the South OPA (as described in Paragraph D of the Recitals, below).

THIS GUARANTY is made with reference to the following facts and circumstances:

A. In accordance with the Community Redevelopment Law of California (Health & Safety Code Section 33000 et seq.), the City, acting through its Board of Supervisors, has approved a Redevelopment Plan for the Mission Bay South Redevelopment Project by Ordinance No. 335-98 adopted by the Board of Supervisors on November 2, 1998. The Redevelopment Plan, as it may be amended, is referred to as the "Mission Bay South Redevelopment Plan."

B. The Mission Bay South Redevelopment Plan provides for the redevelopment, rehabilitation and revitalization of the area generally bounded by the China Basin Channel and Seventh Street, Interstate 280, Mariposa Street, Terry Francois Boulevard (as it is to be relocated to the west of its existing location) and Third Street and containing approximately two hundred thirty eight (238) acres of land, as more particularly described in such plan (the "South Plan Area"). At the center of the South Plan Area is an approximately forty three (43)-acre biomedical campus for the University of California at San Francisco, containing approximately two million six hundred fifty thousand (2,650,000) square feet of instruction, research and administration space, plus associated parking and loading uses. The Mission Bay South Redevelopment Plan describes a mixed-use development on property owned by Owner, the Agency and the City comprised of up to approximately three thousand ninety (3,090) units of housing, including both market-rate and affordable rental and for-sale units, approximately thirty-five (35) acres of public open space (including approximately two (2) acres on Port property immediately to the east of the South Plan Area that would be required to be improved in conjunction with adjacent development in the South Plan Area), up to approximately three hundred two hundred thirty thousand (230,000) square feet of retail space, up to approximately five million (5,000,000) Leasable square feet of mixed research and development, office and light manufacturing uses, an approximately five-hundred (500) room hotel and related facilities such as banquet and conference rooms, and parking and loading uses. In addition, approximately thirty thousand (30,000) Leasable square feet of local serving retail uses could be developed on Agency Affordable Housing Parcels and approximately thirteen thousand six hundred (13,600) Leasable square feet of retail uses could be constructed on Port property in a portion of the new Bayfront park. The Mission Bay South Redevelopment

Plan further provides for development of a new public elementary or secondary school on an approximately two and two tenths (2.2) acre site within the UCSF campus area and construction of a new combined City police and fire facility on an approximately one and five tenths (1.5) acre site east of Third Street. In addition to the approximately thirty-five (35) acres of open space described above, the Mission Bay South Redevelopment Plan provides for approximately eight (8) acres of public open space in the UCSF campus area. The project description and land use plan for the South Plan Area are attached as Exhibit A to this Agreement.

C. Section 500 of the Mission Bay South Redevelopment Plan authorizes the Agency to use tax increment funds to finance the redevelopment of the South Plan Area, including, without limitation, the issuance of Tax Allocation Debt secured by a pledge of property tax increments from the South Plan Area.

D. In order to facilitate the implementation of the Mission Bay South Redevelopment Plan, the Agency and Catellus Development Corporation, a Delaware corporation (the "Owner") are entering into or have entered into a Mission Bay South Owner Participation Agreement (the "South OPA"), dated as of November 16, 1998, regarding the development of the property within the South Plan Area owned by the Owner. The South OPA includes a Financing Plan, annexed to the South OPA as Attachment E (the "Financing Plan"), under which the Agency has incurred certain executory financial obligations, including the obligation to pledge Net Available Increment and issue Tax Allocation Debt (as such terms are defined in the Financing Plan), at the request of the Guarantor for the construction of Infrastructure, subject to the terms and conditions set forth therein, including the Agency's sole discretion to determine the terms of any such Tax Allocation Debt as further described in the Financing Plan.

E. Concurrently herewith, the City and the Agency are entering into the Tax Allocation Agreement, for the benefit of the Guarantor, pursuant to which the City approves the pledge by the Agency of Net Available Increment for the purposes described in the Financing Plan.

F. As further provided in the Financing Plan, no tax increment revenues nor any proceeds of any Tax Allocation Debt will be made available to the Owner for the Mission Bay South project beyond any Net Available Tax Increment generated from development within the South Plan Area. In this way, no tax increment will be drawn for development in the South Plan Area from any other redevelopment project areas in accordance with the South OPA.

G. Guarantor will derive material financial benefit from the development of South Plan Area under the South OPA. As an essential inducement for the Agency to enter into the South OPA, for the Agency and City to enter into the Tax Allocation Agreement and for the City to approve an allocation of tax increment needed for the Agency to issue the Tax Allocation Debt for the project under the South OPA, the Guarantor is entering into this Guaranty, whereby Guarantor agrees to pay certain shortfalls in the available tax increment needed to pay debt service on tax allocation bonds issued by the Agency to finance Infrastructure within or benefiting the South Plan Area. This Guaranty also applies to property in the South Plan Area owned by Catellus' Non-Qualifying Transferees in the South Plan Area, subject to the terms, conditions and limitations set forth in the Financing Plan.

H. The Agency and the City are intended to be a beneficiary of this Guaranty only to the extent of the Guaranteed Obligations (as defined below).

ACCORDINGLY, in consideration of the matters described in the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are mutually acknowledged, the Guarantor agrees as follows:

1. Guaranty

1.1 Guaranty of Obligations. Guarantor unconditionally and irrevocably guarantees to the Agency the due and punctual payment (and not merely the collectability) of the Guaranteed Obligations (as defined in Section 1.2 below), as and when the same shall become due and payable, on the terms provided in this Guaranty. In addition, Guarantor shall pay, and upon request of Agency shall promptly reimburse Agency for, all costs and expenses (including, without limitation, collection charges and Attorneys' Fees and Costs, as defined in Section 9.8 below) incurred by the Agency (collectively, the "Reimbursement Amount") in connection with the enforcement of the Agency's rights, powers, or remedies under this Guaranty, whether or not suit is brought. Any delinquent payment for the Guaranteed Obligations and the Reimbursement Amount shall be accompanied by interest on such amounts at the lesser of ten percent (10%) per annum or the maximum amount permitted by law, from the date due through and including the date of payment of such amounts (calculated on the basis of a 365-day year for the actual number of days elapsed). Guarantor's guaranty of payment of the Guaranteed Obligations shall be discharged and satisfied only as provided in Section 7 relating to termination of this Guaranty.

1.2 Definition of Guaranteed Obligations. For purposes of this Guaranty, "Guaranteed Obligations" shall mean the obligation of _____, a _____ (the "Obligor") [Non-Qualifying Transferee as defined in the Financing Plan] to pay its portion of the "Additional Payments" as defined in the Financing Plan, within thirty (30) days after written demand therefor by the Agency; provided, however, the Agency shall not be entitled to demand any such payment more than sixty (60) days before the applicable debt service payment is due on the applicable Tax Allocation Debt.

1.3 Acknowledgments by Guarantor. Guarantor acknowledges, confirms, and agrees that: (a) it has received fair and adequate consideration for its execution of this Guaranty; (b) it derived material financial benefit from the Agency's execution of the South OPA and continues to derive material financial benefit from such agreement; (c) the City's and the Agency's agreement to enter into the Tax Allocation Agreement and take the actions required in connection therewith is in consideration of, and in reliance upon, the Guarantor's execution and delivery of this Guaranty upon the transfer of its rights and obligations to an Unqualified Affiliate; and (d) there are no conditions to the full effectiveness of this Guaranty other than those expressly set forth in this Guaranty.

1.4 Independent Obligations; Continuing Guaranty. Subject to the provisions of this Guaranty and the Financing Plan relating to Transferees, this Guaranty is a primary and original obligation of Guarantor and is an absolute, unconditional, continuing and irrevocable guaranty of payment.

2. Indemnity

2.1 Indemnity. Guarantor agrees to indemnify, defend and hold Agency, City and their respective officers, directors, commissioners, employees and agents (collectively, the "Indemnified Parties") harmless from and against any and all liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (including, without limitation, Attorneys' Fees and Costs as hereinafter defined) arising in connection with any investigative, administrative or judicial proceeding, that may be imposed on, incurred by or asserted against such Indemnified

Party, in any manner relating to or arising out of or in connection with the payment or enforcement of this Guaranty (collectively, the "Indemnified Liabilities"). Notwithstanding the foregoing, Indemnified Liabilities shall not include (a) liabilities, obligations, losses, damages, penalties, actions, causes of action, judgments, suits, claims, costs, expenses and disbursements to the extent caused by or resulting from the willful misconduct or negligence of such Indemnified Party, including, without limitation, a willful breach of any obligations of the City under the Tax Allocation Agreement or the Agency under the Financing Plan or (b) consequential damages arising from any actual losses relating to an indemnified claim. Guarantor agrees to defend the Indemnified Parties against any claims that are actually or potentially within the scope of the indemnity provisions of this instrument, even if such claims may be groundless, fraudulent or false.

2.2 Notice. The Indemnified Parties agree to give prompt notice to Guarantor with respect to any suit or claim initiated or threatened against the Indemnified Parties, at the address for notices of Guarantor set forth in the South OPA, and in no event later than the earlier of (a) ten (10) days after valid service of process as to any suit or (b) fifteen (15) days after receiving written notification of the filing of such suit or the assertion of such claim, which the Indemnified Party has reason to believe is likely to give rise to a claim for indemnity hereunder. If prompt notice is not given to Guarantor, then Guarantor's liability hereunder shall terminate as to the matter for which such notice is not given, provided that failure to notify the Guarantor shall not prejudice the rights of the Indemnified Party hereunder unless the Guarantor is prejudiced by such failure, and then only to the extent of such prejudice. The Guarantor shall, at its option but subject to the reasonable consent and approval of the Indemnified Party, be entitled to control the defense, compromise or settlement of any such matter through counsel of the Guarantor's own choice; provided, however, that in all cases the Indemnified Party shall be entitled to participate in such defense, compromise, or settlement at its own expense. If the Guarantor shall fail, however, in the Indemnified Party's reasonable judgment, within a reasonable time following notice from the Indemnified Party alleging such failure, to take reasonable and appropriate action to defend, compromise or settle such suit or claim, the Indemnified Party shall have the right promptly to hire counsel at the Guarantor's sole expense to carry out such defense, compromise or settlement, which expense shall be immediately due and payable to the Indemnified Party upon receipt by the Guarantor of a properly detailed invoice therefor.

3. Waivers by Guarantor

3.1 Waivers. Guarantor waives: notice of acceptance of this Guaranty; notice of the amount of the Guaranteed Obligations (subject, however, to Guarantor's right to make inquiry of the Agency to ascertain the then outstanding amount of the Guaranteed Obligations at any reasonable time); notice of any other fact that might increase the Guarantor's risk; and notice of presentment for payment, demand, protest and notice of protest, notice of dishonor, diligence in collection and notice of nonpayment as to any instrument. Guarantor also waives any and all rights, by statute or otherwise, to require the City or the Agency to institute suit against the Obligor or to exhaust any of the City's or the Agency's rights, powers or remedies against such Obligor.

3.2 Waiver of Subrogation. Upon satisfaction in full of all of the Guaranteed Obligations, Guarantor shall be subrogated to the rights of the Agency against the Obligor with respect to the Guaranteed Obligations, and the Agency agrees to take such steps as Guarantor may reasonably request to implement such subrogation (provided Guarantor shall pay Agency Costs incurred with respect thereto pursuant to the South OPA and that the Agency shall not incur any liabilities in taking any such steps).

4. Consents by Guarantor

4.1 Consents; No Discharge of Obligations. Without releasing, discharging, impairing, or otherwise affecting any obligations of Guarantor under this Guaranty or the validity or enforceability of this Guaranty, the City or the Agency may, by action or inaction, in its sole, absolute and unlimited discretion and without notice to Guarantor: compromise, settle, extend the time for payment or performance of all or any part of the Guaranteed Obligations; refuse or fail to enforce all or any portion of the Agency's rights, powers or remedies under any of the documents; and deal in all respects with Guarantor as if this Guaranty were not in effect; provided, however, neither the Agency or the City shall not have the right by agreement with Guarantor otherwise to increase the Guaranteed Obligations without the Guarantor's prior written consent. It is the intent of the parties that Guarantor shall remain liable for the payment and performance of the Guaranteed Obligations and all other obligations guaranteed hereby, notwithstanding any act or thing that might otherwise operate as a legal or equitable discharge of a surety, except as specified in the proviso at the end of the preceding sentence.

4.2 Payments to Other Persons. The City and the Agency shall be under no obligation to marshal any assets in favor of Guarantor or against, or in payment or performance of, any or all of the Guaranteed Obligations. If all or any part of any payment to or for the benefit of the City or the Agency in respect of the Guaranteed Obligations shall be invalidated, declared to be fraudulent or preferential, set aside, or required for any reason to be repaid or paid over to a trustee, receiver or other person under any Insolvency Law or any other law or rule of equity, to the extent of that payment or repayment, the Guaranteed Obligations (or the part thereof) intended to have been satisfied shall be revived and continued in full force and effect as if that payment had not been made, and Guarantor shall be primarily and jointly and severally liable for that obligation.

4.3 Additional Rights. This Guaranty is in addition to, and not in substitution for or in reduction of, any other guaranty by Guarantor or any obligation of Guarantor under the Plan Documents or applicable law that may now or hereafter exist in favor of the City or the Agency. The liability of Guarantor under this Guaranty shall not be contingent upon the enforcement of any lien or realization upon the security, if any, the City or the Agency may at any time possess with respect to the Guaranteed Obligations.

4.4 Recourse. The Agency shall have the right to seek recourse against Guarantor to the full extent provided for in this Guaranty, which right shall be absolute and shall not in any way be impaired, deferred, or otherwise diminished by reason of any inability of the Agency to claim any amount of such Guaranteed Obligation from Guarantor as a result of bankruptcy or otherwise, including, but not limited to, any limitation on the Agency's claim from Guarantor under section 502(b)(6) of the United States Bankruptcy Code, as amended (11 U.S.C. §502(b)(6)). No election to proceed in one form of action or proceeding, or against any person, or on any obligation, shall constitute a waiver of the Agency's right to proceed in any form of action or proceeding or against other persons unless Agency has expressly waived that right in writing.

5. Representations and Warranties of Guarantor

5.1 Representations and Warranties. Guarantor represents, warrants and covenants as follows:

- (a) Guarantor has full power and authority to execute, deliver and perform its obligations under this Guaranty, and that execution, delivery, and performance has been duly authorized by all requisite action on its part.

8.1 Successors and Assigns. This Guaranty shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors, heirs, administrators and assigns.

8.2 Amendments. Except as otherwise provided herein, this Guaranty may be amended or modified only by a written instrument executed by City, Agency and Guarantor..

8.3 Waivers. No action taken pursuant to this Guaranty by City or Agency shall be deemed to be a waiver by that party of the Guarantor's compliance with any of the provisions hereof. No waiver by the City or Agency of any breach of any provision of this Guaranty shall be construed as a waiver of any subsequent or different breach. No forbearance by City or Agency to seek a remedy for noncompliance hereunder or breach by the Guarantor shall be construed as a waiver of any right or remedy with respect to such noncompliance or breach.

8.4 Continuation and Survival of Covenants. All covenants by Guarantor contained herein shall be deemed to be material and shall survive any termination of the South OPA or portion thereof if the obligations thereunder have arisen and are not satisfied before such date.

8.5 Governing Law; Selection of Forum. This Guaranty shall be governed by and construed in accordance with the laws of the State of California. As part of the consideration for the South OPA, the Guarantor agrees that all actions or proceedings arising directly or indirectly under this Guaranty may, at the sole option of Agency, be litigated in courts having situs within the State of California, and the Guarantor expressly consents to the jurisdiction of any such local, state or federal court, and consents that any service of process in such action or proceeding may be made by personal service upon the Guarantor wherever the Guarantor may then be located, or by certified or registered mail directed to the Guarantor at the address set forth in this Guaranty for the delivery of notices.

8.6 Merger of Prior Agreements. The parties intend that this Guaranty (including all of the attached exhibits and schedules, which are incorporated into this Guaranty by reference) and the Financing Plan shall be the final expression of their agreement with respect to the subject matter hereof and may not be contradicted by evidence of any prior or contemporaneous oral or written agreements or understandings. The parties further intend that this Guaranty shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including, without limitation, prior drafts or changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this Guaranty.

8.7 Interpretation of Guaranty. The section and other headings of this Guaranty and the table of contents are for convenience of reference only and shall not affect the meaning or interpretation of any provision contained herein. Whenever the context so requires, the use of the singular shall be deemed to include the plural and vice versa, and each gender reference shall be deemed to include the other and the neuter. To the extent the recitals contained herein are inconsistent with the operative provisions of this Guaranty, the operative provisions shall control. This Guaranty has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein. In addition, each party has been represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Guaranty against the party that has drafted it is not applicable and is waived. The provisions of this Guaranty shall be interpreted in a reasonable manner to effect the purposes of the parties and this Guaranty.

8.8 Attorneys' Fees. Should any party institute any action or proceeding in court to enforce any provision hereof or for damages by reason of an alleged breach of any provision of this Guaranty, the prevailing party shall be entitled to receive from the losing party court costs or expenses incurred by the prevailing party including, without limitation, expert witness fees and costs, travel time and associated costs; transcript preparation fees and costs; document copying expenses; exhibit preparation costs; carrier expenses and postage and communications expenses; such amount as a court or other decision maker may adjudge to be reasonable attorneys' fees for the services rendered to the prevailing party in such action or proceeding; fees and costs associated with execution upon any judgment or order; and costs on appeal and any collection efforts. For purposes of this Guaranty, the reasonable fees of attorneys and any in-house counsel for the City, the Agency and the Guarantor shall be based on the fees regularly charged by private attorneys with the equivalent number of years of professional experience in the subject matter area of the law for which the City's, the Agency's or the Guarantor's in-house counsel's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City or the Agency or, in the case of the Guarantor, as employed by outside counsel for the Promisor.

Invalidation of any provision of this Guaranty, or of its application to any Person, by judgment or court order, shall not affect any other provision of this Guaranty or its application to any other Person or circumstance, and the remaining portions of this Guaranty shall continue in full force and effect, unless enforcement of this Guaranty as invalidated would be unreasonable or grossly inequitable under all the circumstances or would frustrate the purposes of this Guaranty.

8.10 Counterparts. This Guaranty may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
