San Francisco, California

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the fiduciary activities of the Successor Agency to the Redevelopment Agency of the City and County of San Francisco (Successor Agency), a component unit of the City and County of San Francisco, California, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Successor Agency's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the fiduciary activities of the Successor Agency as of June 30, 2022, and the changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Successor Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Successor Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Successor Agency's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Successor Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedule of the Successor Agency's proportionate share of the net pension liability, the schedule of contributions – pension plan, the schedule of changes in net other postemployment benefits (OPEB) liability and related ratios, and the schedule of contributions – OPEB plan, as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 10, 2022 on our consideration of the Successor Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Successor Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Successor Agency's internal control over financial reporting and compliance.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**
Management's Discussion and Analysis (Unaudited)
For the Year Ended June 30, 2022

The Management's Discussion and Analysis presents a narrative overview and analysis of the financial activities of the Successor Agency to the Redevelopment Agency of the City and County of San Francisco (Successor Agency) for fiscal year ended June 30, 2022 (fiscal year 2021-22). We encourage readers to consider the information presented here in conjunction with the Successor Agency's financial statements, which follow this section.

As per California Redevelopment Dissolution law, the Successor Agency is the successor to the former Redevelopment Agency of the City and County of San Francisco (Redevelopment Agency). The Successor Agency has assumed the financial obligations of the former Redevelopment Agency and is tasked with completing the redevelopment activities of the former Redevelopment Agency, as they existed at the time of Dissolution and as approved as final and conclusive obligations by the California Department of Finance.

Financial Highlights

The Successor Agency's net position was a deficit of \$449.9 million at the end of fiscal year 2021-22. This is a net increase of \$0.5 million compared to a deficit of \$450.4 million in the prior fiscal year. The largest portion of the Successor Agency's liabilities is long-term obligations of \$937.7 million, which is primarily composed of tax allocation bonds issued to directly fund or reimburse private developers for construction of public infrastructure, or to directly fund construction of affordable housing. As the Successor Agency pays annual debt service with revenues, the net deficit is expected to decrease over time.

The Successor Agency's additions for fiscal year 2021-22 were \$146.2 million, an increase of \$1.5 million or one percent when compared to \$144.7 million in the prior fiscal year. The increase was mainly due to increases of \$4.9 million for Property tax revenues and \$2.9 million for Grants, offset by decreases of \$1.2 million for Developer payments and \$5.4 for Investment income. The increase in Property tax revenues was primarily due to the growth of property tax generated in the project area and pledged to the Transbay Joint Powers Authority (TJPA). The increase in Grants was due to the rehabilitation of Building 101 funded by a grant from the Economic Development Administration (EDA). The decrease in Developer payments was primarily due to a slow-down in the pace of development in Hunters Point Shipyard and Transbay project areas. The decrease in Investment income was primarily due to the impact of fair value adjustments for the Successor Agency's cash and investments upon the increase in interest rates towards the end of the year.

The Successor Agency's deductions for fiscal year 2021-22 were \$145.7 million, an increase of \$11.7 million or nine percent compared to \$133.9 million in the prior fiscal year. The increase was mainly due to increases of \$6.4 million for Salaries and benefits and \$3.9 million for Distribution of pledged revenues to TJPA. The increase in Salaries and benefits was primarily due to the recording of significant noncash pension and OPEB expenses based on actuarial valuations in accordance with the Government Accounting Standards Board (GASB) Statements No. 68 and 75 for the year. The increase in Distribution of pledged revenues to the TJPA is primarily due to the growth of property tax generated in the project area and pledged to the TJPA. Although net changes in Contracted services were not significant, changes in specific project areas were material. In Mission Bay North and South, Contracted services increased by \$13.1 million, primarily driven by higher reimbursements for completed public improvements. In Hunters Point Shipyard, Contracted services increased by \$2.3 million primarily due to rehabilitation of Building 101. These increases were offset by decreases in Contracted services of \$8.0 million in Transbay, primarily due to the completion of Folsom Street in the prior fiscal year and decreased payments for Under Ramp and Block 3 parks, and decreases of \$7.2 million in Other, due to a one-time \$7.9 million payment in the prior fiscal year to the Port of San Francisco. The payment to the Port reflected use of excess bond proceeds to fund the Ferry Terminal project in Mission Bay.

THE CITY AND COUNTY OF SAN FRANCISCO**
Management's Discussion and Analysis (Unaudited)
For the Year Ended June 30, 2022

Overview of Financial Statements

This discussion and analysis is intended to serve as an introduction to the Successor Agency's basic financial statements. The Successor Agency's financial statements are comprised of two components: 1) basic financial statements including Statement of Fiduciary of Net Position and the Statement of Changes in Fiduciary Net Position, and 2) notes to the basic financial statements. The financial statements are prepared on the economic resources measurement focus and the accrual basis of accounting. The notes to the basic financial statements provide additional information that is essential to a full understanding of the data provided in the financial statements. In addition to the basic financial statements and accompanying notes, this report presents certain required supplemental information concerning the Successor Agency's pension and Other Postemployment Benefits (OPEB) plans.

Budgetary Control

The former Redevelopment Agency of the City and County of San Francisco and the Successor Agency issued bonds or incurred long-term debt pledged against future tax increment to finance redevelopment projects. The Successor Agency's assets can only be used to pay enforceable obligations in existence at the time of Dissolution, including the completion of any unfinished projects that were subject to legally enforceable contractual commitments. Some of these enforceable obligations require the Successor Agency to enter into new contracts that comply with, and are ancillary to, the pre-dissolution obligations of the Former Redevelopment Agency. California Redevelopment Dissolution Law requires that the Successor Agency transfer completed public projects to the appropriate public jurisdiction for their continued maintenance and operations. The Successor Agency will transfer completed public facilities such as parks, streets, and affordable housing to an appropriate public entity such as the City and County of San Francisco (City).

Pursuant to California Redevelopment Dissolution Law, the Successor Agency is required to adopt an annual Recognized Obligation Payments Schedule (ROPS). The ROPS lists all enforceable obligations due and payable during the fiscal year. The ROPS identifies enforceable obligations to be funded with tax increment and other sources and is the basis for the City Controller's distribution of tax increment from the Redevelopment Property Tax Trust Fund. Additionally, the ROPS contains the Successor Agency's administrative budget. The ROPS is presented to and approved by the Oversight Board, whose members are appointed by the Mayor of the City and the taxing entities. Following Oversight Board approval, the ROPS is submitted and approved by the California Department of Finance. California Redevelopment Dissolution Law also requires the Successor Agency to submit a Prior Period Adjustment form to demonstrate compliance with the ROPS. The City Controller annually reviews and confirms the accuracy of the Prior Period Adjustment form to the Department of Finance by February. In February 2022, the City Controller confirmed that the Successor Agency's fiscal year 2019-20 expenditures were compliant with the ROPS. The City Controller will evaluate fiscal year 2020-21 expenditures by February 2023.

In addition to the ROPS, the Successor Agency adopts an annual budget. The budget is consistent with the ROPS and is presented to and approved by the Successor Agency's Commission, whose members are appointed by the Mayor of the City and approved by the Board of Supervisors. Following Commission approval, the budget is submitted to and approved by the San Francisco Board of Supervisors during the City's annual budget process.

Management's Discussion and Analysis (Unaudited)

For the Year Ended June 30, 2022

Analysis of Change Net Position

The Successor Agency's total net position, which may serve as a useful indicator of the Successor Agency's financial position, was a deficit of \$449.9 million at the end of fiscal year 2021-22. Shown below is a schedule that summarizes the Successor Agency's net position held in trust:

Condensed Statement of Fiduciary Net Position
(In thousands)

Assets	June 30, 2022	June 30, 2021	\$ Change
Restricted cash and investments with trustees	\$ 375,291	\$ 291,978	\$ 83,313
Cash and investments with City Treasury	171,460	178,730	(7,270)
Net OPEB asset	3,523	-	3,523
Other assets	8,687	7,646	1,041
Capital assets	4,152	4,152	-
Total assets	563,113	482,506	80,607
Deferred outflows of resources	43,691	47,483	(3,792)
Liabilities			
Accounts and other payables	21,072	15,173	5,899
Payable to the City	4,565	3,275	1,290
Developer payable	46,844	49,457	(2,613)
Long-term obligations	937,664	875,420	62,244
Net pension and OPEB liabilities	22,028	34,370	(12,342)
Total liabilities	1,032,173	977,695	54,478
Deferred inflows of resources	24,533	2,691	21,842
Total net position held in trust	\$ (449,902)	\$ (450,397)	\$ 495

Assets

The Successor Agency's assets at June 30, 2022 were \$563.1 million, an increase of \$80.6 million or 17 percent, when compared with \$482.5 million the prior fiscal year. The increase was primarily due to the following:

- Increase in Restricted cash and investments with trustees of \$83.3 million or 29 percent, from \$292.0 million at June 30, 2021 to \$375.3 million at June 30, 2022. The balance was primarily composed of bond proceeds issued by the Successor Agency to finance public infrastructure and affordable housing and held in trust as required by the bond documents. The increase was due to the issuance of \$127.2 million of Taxable Third Lien Tax Allocation Bonds, Affordable Housing Projects Series 2021 A (2021 Series A Bonds) to finance affordable housing. The increase was partially offset by expenditure of \$36.4 million for infrastructure and affordable housing.
- Decrease in Cash and investments with City Treasury of \$7.3 million or four percent, from \$178.7 million at June 30, 2021 to \$171.5 million at June 30, 2022. The decrease was mainly due to the timing of cash receipts and disbursements.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**
Management's Discussion and Analysis (Unaudited)
For the Year Ended June 30, 2022

- Increase in Net OPEB asset of \$3.5 million or 100 percent, from \$0 at June 30, 2021 to \$3.5 million at June 30, 2022. The increase was mainly due to favorable investment returns during the measurement period.
- Increase in Other assets of \$1.0 million or 14 percent, from \$7.6 million at June 30, 2021 to \$8.7 million at June 30, 2022. Other assets are primarily comprised of receivables for developer billing, grants, interest, and housing loans. The increase was mainly due to increase of intergovernmental receivables related to the rehabilitation of Building 101, which was funded by an EDA grant.

Liabilities

The Successor Agency's liabilities at June 30, 2022 were \$1,032.2 million, an increase of \$54.5 million or six percent when compared with \$977.7 million the prior fiscal year. The increase was primarily due to the following:

- Increase in Accounts and other payable of \$5.9 million or 39 percent from \$15.2 million at June 30, 2021 to \$21.1 million at June 30, 2022. The increase was mainly due to timing of payments.
- Increase in Payable to the City of \$1.3 million or 39 percent from \$3.3 million at June 30, 2021 to \$4.6 million at June 30, 2022. The increase was mainly due to timing of payments.
- Decrease in Developer payable of \$2.6 million or five percent from \$49.5 million at June 30, 2021 to \$46.8 million at June 30, 2022. The decrease was due to catch-up payments of pledged property tax made to the Hunters Point Shipyard/Candlestick Point developer during the year. Payments of pledged property tax were held for payment until the approval by the Department of Finance.
- Increase in Long-term obligations of \$62.2 million or seven percent, from \$875.4 million at June 30, 2021 to \$937.7 million at June 30, 2022. The increase was primarily due to the issuance of \$127.2 million of 2021 Series A Bonds to finance affordable housing, offset by annual scheduled principal payments made for tax allocation bonds issued by the Successor Agency in prior fiscal years.
- Decrease in Net pension and OPEB liabilities of \$12.3 million or 36 percent, from \$34.4 million at June 30, 2021 to \$22.0 million at June 30, 2022. The decrease was primarily due to decrease of net pension liability of \$10.3 million and the decrease of net OPEB liability (to a net OPEB asset) due to favorable investment return during the measurement period.

Deferred Outflows and Inflows of Resources

The Successor Agency's deferred outflows of resources at June 30, 2022 were \$43.7 million, a decrease of \$3.8 million or eight percent when compared with \$47.5 million at June 30, 2021. The decrease was primarily due to decreases of \$2.5 million in unamortized loss on refundings, \$0.4 million in pension items, and \$0.9 million in OPEB items.

The Successor Agency's deferred inflows of resources at June 30, 2022 were \$24.5 million, an increase of \$21.8 million or 812 percent when compared with \$2.7 million at June 30, 2021. The increase was primarily due to increase of \$19.2 million in pension items and \$2.6 million in OPEB items.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Management's Discussion and Analysis (Unaudited)

For the Year Ended June 30, 2022

The Successor Agency's net position increased by \$0.5 million for fiscal year 2021-22. Key elements of the Successor Agency's additions and deductions are presented below:

Statement of Changes in Fiduciary Net Position
(In thousands)

	Year Ended		\$ Change
	June 30, 2022	June 30, 2021	
Additions			
Property tax revenues	\$ 133,643	\$ 128,789	\$ 4,854
Developer payments	8,999	10,213	(1,214)
Charges for services	373	937	(564)
Hotel occupancy tax	4,505	4,497	8

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Management's Discussion and Analysis (Unaudited)

For the Year Ended June 30, 2022

Additions

The Successor Agency's additions to net position for the year ended June 30, 2022 were \$146.2 million, an increase of \$1.5 million or one percent when compared with \$144.7 million for the prior year. The increase was primarily due to the following:

- Increase in Property tax revenues of \$4.8 million or four percent, from \$128.8 million for the year ended June 30, 2021 to \$133.6 million for the year ended June 30, 2022. This was primarily due to the growth of property tax generated in the project area and pledged to the TJPA.
- Decrease in Developer payments of \$1.2 million or 12 percent, from \$10.2 million for the year ended June 30, 2021 to \$9.0 million for the year ended June 30, 2022. The decrease was primarily due to project completions and the impact of catch-up fees paid by developers in the prior fiscal year.
- Decrease in Charges for services of \$0.6 million or 60 percent, from \$0.9 million for the year ended June 30, 2021 to \$0.4 million for the year ended June 30, 2022. The decrease was primarily due to a development slow-down in the project areas. Slower development required fewer staff hours, reducing charges for service to developers for staff support.
- Decrease in Investment income of \$5.4 million or 2,487 percent from negative \$0.2 million for the year ended June 30, 2021 to negative \$5.6 million for the year ended June 30, 2022. The decrease was primarily due to the impact of fair value adjustments for the Successor Agency's cash and investments upon the increase in interest rates towards the end of the year.
- Increase in Grants of \$2.9 million or 734 percent, from \$0.4 million for the year ended June 30, 2021 to \$3.3 million for the year ended June 30, 2022. The increase was primarily due to project costs related to the rehabilitation of Building 101, which was funded by a grant from the EDA.
- Increase in Other of \$0.9 million or 1,382 percent, from \$0.1 million for the year ended June 30, 2021 to \$1.0 million for the year ended June 30, 2022. The increase was primarily due to the receipt of a repayment of the Mission Bay South block 3E housing project loan.

The Successor Agency's deductions to net position for the year ended June 30, 2022 were \$145.7 million, an increase of \$11.7 million or nine percent, when compared with \$133.9 million for the prior year. The decrease was primarily due to the following:

- Increase in Salaries and benefit of \$6.4 million or 47 percent, from \$13.4 million for the year ended June 30, 2021 to \$19.8 million for the year ended June 30, 2022. The increase was primarily due to the recording of significant noncash pension and OPEB expenses based on actuarial valuations in accordance with the GASB Statements No. 68 and 75 for the year, from \$4.7 million for the year ended June 30, 2021 to \$11.6 million for the year ended June 30, 2022.
- Increase in Administrative and operating of \$1.1 million or 595 percent, from \$0.2 million for the year ended June 30, 2021 to \$1.3 million for the year ended June 30, 2022. The increase was primarily due to a reduction in overhead recovery, consistent with a reduction in Charges for services, that offset administrative and operating costs in the prior year.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Management's Discussion and Analysis (Unaudited)

For the Year Ended June 30, 2022

- Increase in Contracted services of \$0.2 million or less than one percent from \$35.6 million for the year ended June 30, 2021 to \$35.8 million for the year ended June 30, 2022. The Successor Agency contracts with private developers to build public infrastructure such as streets, sewers, and parks in the project areas. As per development agreements signed with each developer, the developers build public infrastructure and the Successor Agency reimburses the developer for costs incurred. The decrease in contracted services was primarily due to the following:
 - Increase in Hunters Point Shipyard / Candlestick Point of \$2.3 million or 60 percent, from \$3.9 million for the year ended June 30, 2021 to \$6.2 million for the year ended June 30, 2022 primarily due to the wellness center and rehabilitation of Building 101.
 - Increase in Mission Bay North and South of \$13.1 million or 92 percent, from \$14.2 million for the year ended June 30, 2021 to \$27.2 million for the year ended June 30, 2022 primarily due to an increase in payments made to reimburse the developer for completed public improvements.
 - Decrease in Transbay of \$8.0 million or 85 percent, from \$9.4 million for the year ended June 30, 2021 to \$1.4 million for the year ended June 30, 2022 due to the completion of projects in the prior fiscal year.
 - Decrease in Other deductions of \$7.2 million or 88 percent from \$8.2 million for the year ended June 30, 2021 to \$1.0 million for the year ended June 30, 2022 due to a one-time \$7.9 million payment in the prior fiscal year to the Port of San Francisco. The payment to the Port reflected use of excess bond proceeds to fund the Ferry Terminal project in Mission Bay.
- Increase in Distribution of pledged revenues to TJPA of \$3.9 million or 16 percent, from \$24.4 million for the year ended June 30, 2021 to \$28.3 million for the year ended June 30, 2022 due to the growth of property tax generated in the project area and pledged to the TJPA. As per the Tax Increment Allocation and Sales Proceeds Pledge Agreement, tax increment generated by the formerly State-owned parcels in the Transbay Project Area is pledged to the TJPA to finance development of the Transbay Terminal Project.
- Increase in Interest on debt of \$0.5 million or one percent, from \$41.5 million for the year ended June 30, 2021 to \$42.0 million for the year ended June 30, 2022. The increase was primarily due to the issuance of \$127.2 million of 2021 Series A Bonds, offset by decrease in outstanding long-term debt balances following annual scheduled principal payments.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Management's Discussion and Analysis (Unaudited)

For the Year Ended June 30, 2022

Capital Assets and Debt Administration

Capital Assets

The Successor Agency's capital assets remained at \$4.2 million at June 30, 2022 when compared to June 30, 2021. As of June 30, 2022, the Successor Agency's capital assets included land held for lease, furniture, and equipment. In fiscal year 2021-22 there were no purchases, sales, or transfers of capital assets.

Long-Term Debt

As of June 30, 2022, the Successor Agency had outstanding long-term debt of \$935.8 million. Of this amount, \$806.0 million was tax allocation bonds secured by property taxes generated in the redevelopment project areas and \$12.5 million was hotel occupancy tax revenue bonds secured by hotel occupancy tax revenues.

The breakdown of the long-term debt is as follows (in thousands):

	<u>June 30, 2022</u>	<u>June 30, 2021</u>	<u>\$ Change</u>
Long-Term Debt			
Bonds Payable			
Tax Allocation Bonds	\$ 806,046	\$ 738,897	\$ 67,149
Hotel Occupancy Tax Revenue Bonds	12,540	16,230	(3,690)
Subtotal - Bonds Payable	<u>818,586</u>	<u>755,127</u>	<u>63,459</u>
Accreted Interest Payable	80,746	77,636	3,110
SERAF Borrowing From the Primary Government	1,124	2,896	(1,772)
Unamortized Premiums and Discounts	<u>35,366</u>	<u>37,770</u>	<u>(2,404)</u>
Total Long-Term Debt	<u>\$ 935,822</u>	<u>\$ 873,429</u>	<u>\$ 62,393</u>

The Successor Agency's long-term debt increased by \$62.4 million when compared to the prior fiscal year. This increase was primarily due to the issuance of \$127.2 million of 2021 Series A Bonds to finance affordable housing, offset by annual scheduled principal payments of \$63.8 million made on tax allocation and hotel occupancy tax revenue bonds.

California Redevelopment Dissolution Law imposes limitations on the debt the Successor Agency can issue. The Successor Agency may only issue debt to refund outstanding debt, finance affordable housing, and fund public infrastructure.

(1) Summary of Significant Accounting Policies

(a) General

The Redevelopment Agency of the City and County of San Francisco (Agency) was a public body, corporate and politic, organized and existed under the Community Redevelopment Law of the State of California. Until June 28, 2011, the Agency had the broad authority to acquire, rehabilitate, develop, administer, and sell or lease property in a “Redevelopment Project Area.”

On June 28, 2011, Assembly Bill X1 26 (AB X1 26) was enacted. This legislation is referred to herein as the Dissolution Law. On December 29, 2011, the California Supreme Court upheld the constitutionality of AB X1 26, and all redevelopment agencies in California were dissolved by operation of law effective February 1, 2012. The legislation provides for successor agencies and oversight boards that are responsible for overseeing the dissolution process and the wind-down of redevelopment activity. On January 24, 2012, the Board of Supervisors of the City and County of San Francisco (City) elected to become the Successor Agency to the Redevelopment Agency of the City and County of San Francisco (Successor Agency) and elected to retain the former Agency’s housing assets and functions, rights, powers, duties and obligations, effective February 1, 2012.

On June 27, 2012, the Dissolution Law was revised pursuant to Assembly Bill 1484 (AB 1484 or Dissolution Law), in which the State clarified that successor agencies are separate political entities and that the successor agency succeeds to the organizational status of the former redevelopment agency with the legal authority to participate in redevelopment activities only to the extent that it is required to complete the work related to an approved enforceable obligation. Therefore, the Successor Agency is a separate public entity from the City, subject to the direction of an Oversight Board. The City remains the Housing Successor Agency. The Oversight Board is comprised of seven-member representatives from local government bodies: four representatives appointed by the Mayor of the City subject to confirmation by the Board of Supervisors of the City; and one appointee each from the San Francisco Community College District, the Bay Area Rapid Transit District, and the San Francisco Unified School District.

On October 2, 2012, the City’s Board of Supervisors created the Successor Agency Commission, commonly known as the Commission on Community Investment and Infrastructure (Commission), as the policy body of the Successor Agency and delegated to it the authority to implement the surviving redevelopment projects, the replacement housing obligations and other enforceable obligations, and the authority to take actions that the Dissolution Law requires or allows on behalf of the Successor Agency. The Commission is comprised of five members appointed by the Mayor and confirmed by the Board of Supervisors, with two of the seats held by residents of the two supervisorial districts with the largest amounts of the Major Approved Development Projects.

In September 2015, the State passed the Senate Bill 107 (Bill). The Bill contained additional provisions and provides specificity to existing law governing the dissolution of redevelopment agencies and the wind-down of their existing activities and obligations. The Bill included specific language to the Successor Agency that facilitates the issuance of bonds or other indebtedness for the purposes of low and moderate income housing and various infrastructure in the City, by allowing the pledge of revenues available in the Redevelopment Property Tax Trust Fund (RPTTF) that are not otherwise pledged, subject to the approval of the Oversight Board. The Bill also declares that the Mission Bay North, Mission Bay South, Hunters Point Shipyard Phase 1, Candlestick Point – Hunters Point Shipyard Phase 2, and Transbay projects are finally and conclusively approved as enforceable obligations.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(1) Summary of Significant Accounting Policies (Continued)

In general, the Successor Agency's assets can only be used to pay enforceable obligations in existence at the date of dissolution (including the completion of any unfinished projects that were subject to legally enforceable contractual commitments). The Successor Agency is allocated revenue in the amount that is necessary to pay the estimated annual payments on enforceable obligations of the former Agency until all enforceable obligations of the former Agency have been paid in full and all assets have been liquidated. Based upon the nature of the Successor Agency's custodial role, the Successor Agency is reported as a fiduciary fund (private-purpose trust fund) of the City.

The financial statements present the Successor Agency and its component units, entities for which the Successor Agency is considered to be financially accountable.

The City and County of San Francisco Redevelopment Financing Authority (Financing Authority) is a joint powers authority formed between the former Agency and the City to facilitate the long-term financing of the former Agency activities. The Commission serves as the governing board of the Financing Authority and the Financing Authority provides services entirely to the Successor Agency. A financial benefit or burden relationship exists between the Successor Agency and the Financing Authority and thus the Financing Authority is included as a blended component unit in the Successor Agency's financial statements.

In order to facilitate construction and rehabilitation in the City, seven Community Facility Districts (CFDs) were formed by the former Agency or the Successor Agency. The Successor Agency can impose its will on the CFDs but does not have financial benefit or burden from the CFDs. The assets associated with the CFDs are for the benefit of the CFDs and are not derived from the Successor Agency's provision of services to the CFDs. The CFDs are fiduciary component units of the Successor Agency. The financial activities of the CFDs are included in the Custodial Fund. Custodial funds are fiduciary funds used to report fiduciary activities that are not required to be reported in pension (and other employee benefit) trust funds, investment trust funds, or private purpose trust funds.

(b) Basis of Presentation

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP).

(c) Basis of Accounting

The financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenues from grants, entitlements and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

(d) Investments

The Successor Agency's investments are stated at fair value. Fair value has been obtained by using market quotes and reflects the values as if the Successor Agency were to liquidate the securities on that date. The Successor Agency's investments in the City's Treasurer's Pool and money market mutual funds are valued at amortized cost.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(1) Summary of Significant Accounting Policies (Continued)

(e) *Restricted Cash and Investments with Fiscal Agents*

Certain proceeds of the former Agency’s and the Successor Agency’s bonds, and resources set aside for their repayment, are classified as restricted assets on the statement of fiduciary net position because they are maintained in separate accounts and their use is limited by applicable bond covenants or for debt service payments.

(f) *Capital Assets*

Capital assets are defined as assets with an initial, individual cost of more than \$5 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Furniture and equipment are depreciated using the straight-line method over the estimated useful lives of three to twenty years.

(g) *Notes and Mortgages Receivable*

During the process of selling land to developers and issuing mortgage revenue bonds, the Successor Agency may defer receipt of land sale proceeds and mortgage revenue bond financing fees from various private developers in exchange for notes receivable, which aid the developers’ financing arrangements. The Successor Agency recognizes all revenues and interest on the above-described arrangements when earned, net of any amounts deemed to be uncollectible. During the year ended June 30, 2022, the Successor Agency disbursed \$18,047 to the developers through this arrangement and recorded an allowance against the receivables as they are deemed to be uncollectible. This allowance is recorded as a deduction - affordable housing loan program costs - in the statement of changes in fiduciary net position. The Successor Agency also transferred fully-allowed receivables of \$33,686 to the City during the year. At June 30, 2022, the gross value of the notes and mortgages receivable was \$183,785 and the allowance for uncollectible amounts was \$182,314.

(h) *Accrued Vacation and Sick Leave*

It is the Successor Agency’s policy to permit employees to accumulate earned but unused vacation and sick pay benefits. All vacation and sick pay are accrued when earned. For sick leave, all employees are allowed to accumulate up to 1,040 hours (130 days). For vacation, employees are allowed to accumulate up to the limit based on employees’ service years as follows:

<u>Employee Service years</u>	<u>Maximum number of hours</u>
Less than 5 years	320
Between 5 to 15 years	360
More than 15 years	400

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(1) Summary of Significant Accounting Policies (Continued)

(i) Property Tax Revenues

Pursuant to the Dissolution Law, funds that would have been distributed to the former Agency as tax increment, hereafter referred to as property tax revenues, are deposited into the Successor Agency's RPTTF administered by the City's Controller for the benefit of holders of enforceable obligations and the taxing entities that receive pass-through payments. Any remaining funds in the RPTTF to the extent not necessary to pay enforceable obligations of the Successor Agency, plus any funds from asset sales are distributed by the City's Controller to the local agencies in the project area.

Distributions are scheduled to be made twice each year on the following cycles:

Distribution Dates	Covers Recognized Obligation Payment Schedules to be Paid
January 2	January 1 through June 30
June 1	July 1 through December 31

The amounts distributed for Recognized Obligation Payment Schedules (ROPS) are forward looking to the next six-month period.

(j) Bond Premium, Discounts, and Loss on Refundings

Premiums and discounts on debt instruments are reported as a component of long-term debt. Loss on refundings is reported as a component of deferred outflows of resources. The premiums and discounts are amortized as a component of the interest expense using the straight-line method over the remaining life of the debt instrument. The loss on refundings are amortized as a component of the interest expense using the straight-line method over the remaining life of the refunding or refunded debt, whichever is shorter.

(k) Pension and Other Postemployment Benefits (OPEB) Plans

For purposes of measuring the net pension liability and net OPEB liability, deferred outflows/inflows of resources related to pension and OPEB, and pension and OPEB expenses, information about the fiduciary net position of the Successor Agency's pension and OPEB plans and additions to/deductions from the plans' fiduciary net positions have been determined on the same basis as they are reported by the California Public Employees' Retirement System (CalPERS). For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. CalPERS plan member contributions are recognized in the period in which the contributions are due. Investments are reported at fair value.

(l) Deferred Outflows and Inflows of Resources

In addition to assets, the statement of fiduciary net position reports a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (deduction) until then. At June 30, 2022, the Successor Agency reported pension items, OPEB items, and loss on refundings as deferred outflows of resources.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(1) Summary of Significant Accounting Policies (Continued)

In addition to liabilities, the statement of fiduciary net position reports a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (addition) until that time. At June 30, 2022, the Successor Agency reported pension items and OPEB items as deferred inflows of resources.

(m) Effects of New Pronouncements

During the year ended June 30, 2022, the Successor Agency implemented the following Governmental Accounting Standards Board (GASB) Statements:

- In June 2017, the GASB issued Statement No. 87, *Leases*. The objective of this statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities. Implementation of this statement did not have an impact on the Successor Agency's financial statements for the year ended June 30, 2022.
- In June 2018, the GASB issued Statement No. 89, *Accounting for Interest Cost Incurred before the End of a Construction Period*. The objectives of this statement are 1) to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period, and 2) to simplify accounting for interest cost incurred before the end of a construction period. Implementation of this statement did not have an impact on the Successor Agency's financial statements for the year ended June 30, 2022.
- In January 2020, the GASB issued Statement No. 92, *Omnibus 2020*. The objectives of this Statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB Statements. Implementation of this statement did not have a significant impact on the Successor Agency's financial statements for the year ended June 30, 2022.
- In March 2020, the GASB issued Statement No. 93, *Replacement of Interbank Offered Rates*. The objective of this statement is to address those and other accounting and financial reporting implications that result from the replacement of an interbank offered rate. Implementation of this statement did not have an impact on the Successor Agency's financial statements for the year ended June 30, 2022.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements

For the Year Ended June 30, 2022

(Dollars in thousands)

(1) Summary of Significant Accounting Policies (Continued)

In April 2022, the GASB issued Statement No. 99, *Omnibus 2022*. The objectives of this statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (a) practice issues that been identified during implementation and application of certain GASB Statements and (b) accounting and financial reporting for financial guarantees. The requirements related to the use of LIBOR, accounting for SNAP distributions, disclosures of nonmonetary transactions, pledges of future revenues by pledging governments, clarification of certain provisions in Statement 34, as amended, and terminology updates related to Statements No. 53 and No. 63 are effective upon issuance. Implementation of these requirements did not have an significant impact on the Successor Agency's financial statements for the year ended June 30, 2022.

The Successor Agency is currently analyzing its accounting practices to determine the potential impact on the financial statements for the following GASB Statements:

- In May 2019, the GASB issued Statement No. 91, *Conduit Debt Obligations*. The objectives of this statement are to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with 1) commitments extended by issuers, 2) arrangements associated with conduit debt obligations, and 3) related note disclosure. The requirements of this statement are effective for the Successor Agency's financial statements for the year ending June 30, 2023.
- In March 2020, the GASB issued Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements*. The objective of this statement is to improve financial reporting by addressing issues related to public-private and public-public partnership arrangements (PPPs). This statement also provides guidance for accounting and financial reporting for availability payment arrangements (APAs). As defined in this statement, an APA is an arrangement in which a government compensates an operator for services that may include designing, constructing, financing, maintaining, or operating an underlying nonfinancial asset for a period of time in an exchange or exchange-like transaction. The requirements of this statement are effective for the Successor Agency's financial statements for the year ending June 30, 2023.
- In May 2020, the GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*. This statement provides guidance on the accounting and financial reporting for subscription-based information technology arrangements (SBITAs) for government end users (governments). This statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset—an intangible asset—and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. The requirements of this statement are effective for the Successor Agency's financial statements for the year ending June 30, 2023.
- In April 2022, the GASB issued Statement No. 99, *Omnibus 2022*. The requirements related to leases, public-private partnerships (PPPs), and SBITAs are effective for the Successor Agency's financial statements for the year ending June 30, 2023. The requirements related to financial guarantees and the classification and reporting of derivative instruments within the scope of Statement No. 53 are effective for the Successor Agency's financial statements for the year ending June 30, 2024.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(1) Summary of Significant Accounting Policies (Continued)

- In June 2022, the GASB issued Statement No. 100, *Accounting Changes and Error Corrections – An Amendment of GASB Statement No. 62*. The primary objective of this statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant consistent, and comparable information for making decisions or assessing accountability. The requirements of this statement are effective for the Successor Agency’s financial statements for the year ending June 30, 2024.
- In June 2022, the GASB issued Statement No. 101, *Compensated Absences*. The objective of this statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The requirements of this statement are effective for the Successor Agency’s financial statements for the year ending June 30, 2025.

(n) Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(2) Cash and Investments

As of June 30, 2022, the Successor Agency follows the investment policy of the former Agency, which is governed by and is in compliance with the California Government Code (Code). On August 19, 2014, the Commission adopted an investment policy for the Successor Agency to reflect the use of the City Treasurer’s Pool to manage the Successor Agency’s funds. Investment of bond proceeds is limited to those investments permitted in the bond document or provided in the Code. Investments with trustees are restricted by various bond covenants and are pledged for payment of principal, interest and specified capital improvements.

At June 30, 2022, total cash and investments are reported as follows:

	Private Purpose Trust Fund	Custodial Fund	Total
Unrestricted cash and investments	\$ 171,460	\$ 38,350	\$ 209,810
Restricted cash and investments with trustees	375,291	28,055	403,346
Total cash and investments	\$ 546,751	\$ 66,405	\$ 613,156

The table on the next page identifies the investment types that are authorized for the Successor Agency by the California Government Code 53601 or the Successor Agency’s investment policy, where the policy is more restrictive. This table does not address investments of debt proceeds held by fiscal agents that are governed by the provisions of debt agreements of the Successor Agency, rather than the general provisions of the California Government Code or the Successor Agency’s investment policy.

* Represents restriction in which the Successor Agency's investment policy is more restrictive than the California Code.

Interest Rate Risk: Refers to the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity period of an investment, the greater the sensitivity of its fair value to changes in market interest rates.

Credit Risk: Refers to the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This risk is measured by the assignment of a rating by the nationally recognized statistical rating organizations.

The following is a summary of cash and investments as of June 30, 2022:

	Weighted Average Maturities for			Total Fair Value	Credit Rating
	Less than 3 months	3 months to 1 year	1 to 5 years		
Unrestricted cash and investments:

THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(2) Cash and Investments (Continued)

Custodial Credit Risk, Investments: Refers to the risk that, in the event of the failure of the counterparty to a transaction, a government will not be able to recover the value of investment or collateral securities that are in the possession of an outside party. The California Government Code and the Successor Agency's investment policy do not contain a legal or policy requirement that would limit the exposure to custodial credit risk for investments.

Fair Value Hierarchy

The Successor Agency categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the assets. Level 1 inputs are quoted prices in an active market for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. The inputs and techniques used for valuing securities are not necessarily an indication of risk associated with investing in those securities. The Successor Agency's investment in U.S. treasury notes and commercial paper are measured using level 2 inputs, while the Successor Agency's investment in the City's Treasurer's Pool and money market mutual funds are exempt from fair value measurement disclosures.

City's Treasurer's Pool

The Successor Agency maintains deposits and investments with the City and County of San Francisco Treasury Pool (Pool). As of June 30, 2022, the Successor Agency's deposits and investments in the Pool is \$209,810 and the total amount invested by all public agencies in the Pool is \$14.5 billion. The Successor Agency's investment in the Pool has a weighted average maturity of 569 days. The City's Treasurer Oversight Committee (Committee) has oversight responsibility for the Pool. The value of the Successor Agency's shares in the Pool, which may be withdrawn, is based on the book value of the Successor Agency's percentage participation, which is different than the fair value of the Successor Agency's percentage participation in the Pool. At June 30, 2022, the Pool consists of U.S. government and agency securities, public time deposits, negotiable certificates of deposit, commercial paper, supranationals, and money market mutual funds as authorized by State statutes and the City's investment policy. Additional information regarding deposit, investment risks (such as interest rate, credit, and concentration of credit risks), and fair value hierarchy for the City's Treasurer's Pool may be obtained by contacting the City's Controller's Office, 1 Dr. Carlton B. Goodlett Place, Room 316, San Francisco, CA 94102.

(3) Capital Assets

The following is a summary of changes in capital assets for the year ended June 30, 2022:

(Dollars in thousands)

(4) Long-Term Obligations (Continued)

Debt service payments for long-term obligations are made from the following sources:

- (1) Property tax revenues from the Bayview Hunters Point, Western Addition, Rincon Point South Beach, Yerba Buena Center, India Basin, South of Market, Golden Gateway, Mission Bay South, Transbay and Mission Bay North project areas.
- (2) Hotel occupancy tax revenues from the occupancy of guest rooms in the hotels within the City.

The proceeds from the issuance of Financing Authority bonds were immediately loaned to the former Agency. Loan payments to the Financing Authority are equal to the debt service requirements of the underlying debt. The bonds are secured by property tax increment revenues. Since the loan transactions are entirely within the financial reporting entity, they have been eliminated in the financial statements.

Issuance of Successor Agency Bonds

Under the Dissolution Law, a successor agency is authorized to issue bonds to satisfy its obligations under certain enforceable obligations entered into by the former redevelopment agency prior to dissolution, subject to approval by the California Department of Finance (DOF). On December 24, 2013, the DOF released its letter approving the issuance of bonds by the Successor Agency.

On December 15, 2021, the Successor Agency issued \$127,210 of Taxable Third Lien Tax Allocation Bonds, Affordable Housing Projects Series 2021 A (2021 Series A Bonds). Bond proceeds will be used to finance the development and/or construction of affordable housing. The 2021 Series A Bonds bear fixed interest rates ranging from 1.01% to 2.74% and have a final maturity of August 1, 2032.

Events of Default and Acceleration Clause

For the Former Agency Bonds, the Successor Agency is considered to be in default if the Successor Agency fails to pay the due and punctual principal amount, redemption premium, or any installment of interest of any former agency bonds pursuant to the indenture, whether at maturity as therein expressed, by proceedings for redemption, by declaration or otherwise. Upon the occurrence of an event of default, the trustee may, subject to certain provisions of the indenture, pursue any available remedy at law or in equity to enforce the payment of the principal, interest and premium, if any, on the outstanding bonds, and to enforce any rights of the trustee under or with respect to the indenture.

For the Successor Agency Bonds, the Successor Agency is considered to be in default if the Successor Agency fails to pay the due and punctual principal of or interest or redemption premium on any bonds when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise. If an event of default has occurred and is continuing, the trustee may, and if requested in writing by the owners of a majority in aggregate principal amount of the bonds then outstanding, declare the principal of the bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements

For the Year Ended June 30, 2022

(Dollars in thousands)

(4) Long-Term Obligations (Continued)

For the Hotel Occupancy Tax Revenue Refunding Bonds, the Successor Agency is considered to be in default if the Successor Agency fails to pay the due and punctual principal or redemption price of any bonds, or any installment of interest of any bonds when become due and payable, whether at maturity as therein expressed, by proceedings for redemption, by declaration or otherwise, or default in the redemption from any sinking account of any bonds in the amounts and at the times provided therefor. If an event of default occurs and is continuing, the Successor Agency must immediately transfer to the trustee all revenues held and the trustee must apply all revenues and any other funds then held of thereafter received by the trustee under any of the provisions of the indenture for the payment of the following order: 1) any expenses necessary in the opinion of the trustee to protect the interests of the bondholders, and 2) all installments of interest and unpaid bond obligation or redemption price of any bonds which has become due.

Pledged Revenues for Bonds

The Tax Allocation Bonds are equally and ratably secured by the pledge and lien of the property tax revenues. These revenues have been pledged until the year 2047, the final maturity date of the bonds. The total principal and interest remaining on these bonds is approximately \$1,320,078. The property tax revenues recognized during the year ended June 30, 2022 was \$133,643 as against the total scheduled debt service payment of \$96,180.

The Hotel Occupancy Tax Revenue Refunding Bonds are secured by the pledge and lien of the hotel occupancy tax revenue received by the Successor Agency from the City. These revenues have been pledged until the year 2025, the final maturity date of the bonds. The total principal and interest remaining on the Hotel Occupancy Tax Revenue Refunding Bonds is approximately \$13,824. The hotel occupancy tax revenue recognized during the year ended June 30, 2022 was \$4,505 as against the total scheduled debt service payment of \$4,502.

Supplemental Education Revenue Augmentation Funds Borrowing from the City

During the year ended June 30, 2010, the former Agency borrowed \$16,483 from the City's Low and Moderate Income Housing Fund (LMIHF) as part of the funding to make a payment of \$28,733 to the Supplemental Education Revenue Augmentation Funds (SERAF) to meet the State's Proposition 98 obligations to schools. Upon the dissolution of the former Agency, the City elected to become the Housing Successor Agency and retain the former Agency's housing assets and functions, rights, powers, duties and obligations. Interest will be accrued quarterly at an annual rate of 3% on the principal balance due to the City in accordance with HSC Section 34191.4(b)(3). During the year ended June 30, 2018, the DOF determined that since the borrowing is not considered an agreement between the former Agency and the City that created the former Agency, the Successor Agency is not authorized to accrue interest on the borrowing. The Successor Agency made payments in the amount of \$1,772 to the City during the year ended June 30, 2022, and the outstanding payable balance was \$1,124.

(Dollars in thousands)

(4) Long-Term Obligations (Continued)

(b) Repayment requirements

As of June 30, 2022, the debt service requirements to maturity, excluding accrued vacation and sick leave, are as follows:

June 30,	Tax Allocation Revenue Bonds		Hotel Occupancy Tax Revenue Refunding Bonds	
	Principal	Interest *	Principal	Interest
2023	\$ 49,008	\$ 45,517	\$ 3,865	\$ 627
2024	33,464	46,113	4,220	434
2025	36,896	45,784	4,455	223
2026	41,859	34,102	-	-
2027	42,547	32,850	-	-
2028-2032	232,553	143,752	-	-
2033-2037	176,415	104,268	-	-
2038-2042	127,302	47,411	-	-
2043-2047	66,002	14,235	-	-
TOTAL	\$ 806,046	\$ 514,032	\$ 12,540	\$ 1,284

* Including payment of accreted interest.

(c) Arbitrage

Under U.S. Treasury Department regulations, all governmental tax-exempt debt issued after August 31, 1986 is subject to arbitrage rebate requirements. The requirements stipulate, in general, that the earnings from the investment of tax-exempt bond proceeds that exceed related interest expenditures on the bonds must be remitted to the federal government on every fifth anniversary of each bond issue. The Successor Agency has evaluated each bond issue subject to the arbitrage rebate requirements and does not have a rebatable arbitrage liability as of June 30, 2022.

(5) Pension Plan

(a) General Information about the Pension Plan

Plan Description – Effective February 1, 2012, upon the operation of law to dissolve the former Agency, the Successor agency assumed the former Agency’s Pension Plan. All qualified permanent and probationary employees are eligible to participate in the Successor Agency’s Pension Plan (Pension Plan), a cost-sharing, multiple-employer defined benefit pension plan administered by the California Public Employees’ Retirement System (CalPERS). Benefit provisions under the Pension Plan are established by State statute and Successor Agency resolution. CalPERS issues publicly available reports that include a full description of the Pension Plan regarding benefit provisions, assumptions and membership information that can be found on the CalPERS website www.calpers.ca.gov.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(5) Pension Plan (Continued)

The State of California passed the Public Employees’ Pension Reform Act (PEPRA), which became effective on January 1, 2013. PEPRA changes include the classification of active employees into two distinct classifications: classic members and new members. Classic members represent active members hired before January 1, 2013, and retain the pension plan benefits in effect. New members are active members hired on or after January 1, 2013, and are subject to PEPRA.

Benefits Provided – CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees, and beneficiaries. Benefits are based on years of credited service, equal to one year of full time employment. Classic members with five years of total service are eligible to retire at age 50 with statutorily reduced benefits and new members with five years of total service are eligible to retire at age 52 with reduced benefits. The death benefit is one of the following: the Basic Death Benefit, the 1959 Survivor Benefit, or the Optional Settlement 2W Death Benefit. The cost of living adjustments for the plan are applied as specified by the Public Employees’ Retirement Law.

The Pension Plan’s provisions and benefits in effect at June 30, 2022 are summarized as follows:

Hire date	Prior to January 1, 2013	On or after January 1, 2013
Benefit formula	2.0% @ 55	2.0% @ 62
Benefit vesting schedule	5 years service	5 years service
Benefit payments	monthly for life	monthly for life
Retirement age	50-55	52-67
Monthly benefits, as a percentage of eligible compensation	2.0% to 2.7%	1.0% to 2.5%
Required employee contribution rates	6.91%	7.25%
Required employer contribution rates	74.75%	8.64%

Contributions – The Section 20814(c) of the California Public Employees’ Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Funding contributions for the Pension Plan is determined annually on an actuarial basis as of June 30 by CalPERS. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The Successor Agency is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. For the year ended June 30, 2022, the Successor Agency’s actuarially determined contractually required contribution was \$2,611.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(5) Pension Plan (Continued)

(b) Net Pension Liability, Pension Expense and Deferred Outflows/Inflows of Resources Related to Pension

The Successor Agency's net pension liability is measured as the proportionate share of the net pension liability of the cost-sharing plan. The net pension liability is measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of June 30, 2020 rolled forward to June 30, 2021 using standard update procedures. The Successor Agency's proportion of the net pension liability was actuarial determined as of the valuation date. The Successor Agency's proportionate share of the net pension liability for the Pension Plan was 0.40730% or \$22,028, an increase of 0.11063% and a decrease of \$10,251 from the prior year.

For the year ended June 30, 2022, the Successor Agency recognized pension expense of \$11,983. At June 30, 2022, the Successor Agency reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Pension contributions subsequent to measurement date	\$ 2,611	\$ -
Difference between expected and actual experience	2,470	-
Net differences between projected and actual earnings on plan investments	-	19,229
Changes in employer's proportion	533	621
Differences between the employer's contributions and the employer's proportionate share of contributions	-	1,908
Total	<u>\$ 5,614</u>	<u>\$ 21,758</u>

At June 30, 2022, the Successor Agency reported \$2,611 as deferred outflows of resources related to contributions subsequent to the measurement date, which will be recognized as a reduction of the net pension liability in the year ending June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension items will be recognized as pension expense as follows:

Year Ending June 30,	Deferred Outflows/(Inflows) of Resources
2023	\$ (4,391)
2024	(4,423)
2025	(4,627)
2026	(5,314)
Total	<u>\$ (18,755)</u>

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(5) Pension Plan (Continued)

Actuarial Assumptions - The total pension liability in the June 30, 2020 actuarial valuation, which was rolled forward to June 30, 2021, was determined using the following actuarial methods and assumptions:

Valuation Date	June 30, 2020
Measurement Date	June 30, 2021
Actuarial Cost Method	Entry Age Normal Cost Method
Actuarial Assumptions:	
Discount Rate	7.15%
Inflation	2.50%
Payroll Growth	2.75%
Projected Salary Increase	Varies by Entry Age and Services
Investment Rate of Return	7.15% Net of Pension Plan Investment Expenses, includes Inflation.
Post Retirement Benefit Increase	The lessor of contract COLA or 2.50% until Purchasing Power Protection Allowance Floor on purchasing power applies, 2.50% thereafter.
Mortality	Derived using CalPERS Membership Data for all Funds. (1)

(1) The mortality table used was developed based on CalPERS' specific data. The probabilities of mortality are based on the 2017 CalPERS Experience Study for the period from 1997 to 2015. Pre-retirement and post-retirement mortality rates includes 15 years of projected mortality improvements using 90 percent of Scale MP-2016 published by the Society of Actuaries. For more details on this table, please refer to the 2017 CalPERS Experience Study available on the CalPERS website.

All other actuarial assumptions used in the June 30, 2020 actuarial valuation were based on the 2017 CalPERS Experience Study for the period from 1997 to 2015, including updates to salary increase, mortality and retirement rates. Further details of the 2017 CalPERS Experience Study can be found on the CalPERS website under Forms and Publications.

Discount Rate – The discount rate used to measure the total pension liability was 7.15 percent. The projection of cash flows used to determine the discount rate assumed that the contributions from employers will be made at statutorily required rates, actuarially determined. Based on those assumptions, the Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(5) Pension Plan (Continued)

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical returns of all the funds' asset classes, expected compound geometric returns were calculated over the short-term (first 10 years) and the long-term (11+ years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the rounded single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equal to the single equivalent rate calculated and adjusted to account for assumed administrative expenses.

The rate of return was calculated using the capital market assumptions applied to determine the discount rate and asset allocation. The long-term expected real rate of return by asset class and the target allocation adopted by the CalPERS Board effective on July 1, 2020, are as follows:

<u>Asset Class</u>	<u>New Strategic Allocation</u>	<u>Real Return Year 1-10 (a)</u>	<u>Real Return Year 11+ (b)</u>
Global Equity	50.00%	4.80%	5.98%
Global Fixed Income	28.00%	1.00%	2.62%
Inflation Sensitive	0.00%	0.77%	1.81%
Private Equity	8.00%	6.30%	7.23%
Real Estate	13.00%	3.75%	4.93%
Liquidity	1.00%	0.00%	-0.92%
Total	<u>100.00%</u>		

(a) An expected inflation of 2.00% used for this period

(b) An expected inflation of 2.92% used for this period

On November 17, 2021, the CalPERS Board adopted a new strategic asset allocation. The new asset allocation along with the new capital market assumptions, economic assumptions and administrative expenses assumption support a discount rate of 6.90% (net of investment expenses but without a reduction for administrative expense) for financial reporting purposes. This includes a reduction in the price inflation assumption from 2.50% to 2.30% as recommended in the November 2021 CalPERS Experience Study and Review of Actuarial Assumptions. This study also recommended modifications to retirement rates, termination rates, mortality rates and rates of salary increases that were adopted by the CalPERS Board. These new assumptions will be reflected in the accounting valuation reports for the June 30, 2022 measurement date.

(Dollars in thousands)

(5) Pension Plan (Continued)

Sensitivity of the Net Pension Liability to Changes in the Discount Rate - The following presents the Successor Agency’s proportionate share of the net pension liability of the plan as of the measurement date, calculated using the discount rate of 7.15 percent, as well as what the Successor Agency’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage-point lower (6.15 percent) or 1 percentage-point higher (8.15 percent) than the current rate:

	Discount Rate - 1% (6.15%)	Current Discount Rate (7.15%)	Discount Rate + 1% (8.15%)
Proportionate Share of Net Pension Liability	\$ 36,561	\$ 22,028	\$ 10,013

Pension Plan Fiduciary Net Position – Detailed information about the Pension Plan’s fiduciary net position is available in the separately issued CalPERS financial report that can be found on the CalPERS website.

(6) Other Postemployment Benefits Plan

(a) General Information about the Pension Plan

Plan Description – Effective February 1, 2012, upon the operation of law to dissolve the former Agency, the Successor Agency assumed the former Agency’s other postemployment benefits plan. The Successor Agency sponsors a defined benefit plan providing OPEB to employees who retire directly from the former Agency and/or the Successor Agency. The Successor Agency pays 100% of the premiums of CalPERS medical plan to eligible employees that satisfied the required services years and minimum age. The Successor Agency participates in the CalPERS California Employers’ Retiree Benefit Trust Fund Program (CERBT), an agent multiple-employer OPEB plan administrated by CalPERS, to fund the Successor Agency’s OPEB liability. The CERBT fund financial statements are included in the CalPERS annual comprehensive financial report, which can be found on the CalPERS website www.calpers.ca.gov.

Employees Covered – The following employees were covered by the benefit terms for the OPEB Plan at June 30, 2021, the most recent information available:

Inactive employees or beneficiaries currently receiving benefits	105
Inactive employees entitled to but not yet receiving benefits	1
Active employees	43
Total	149

Contributions – The Successor Agency’s OPEB funding policy is to contribute 100 percent or more of the actuarially determined contribution annually by contributing to the CERBT. For the year ended June 30, 2022, the Successor Agency’s contributions totaled \$1,689. There are no employee contributions to the plan.

(6) Other Postemployment Benefits Plan (Continued)

(b) Net OPEB Liability(Asset), OPEB Expense and Deferred Outflows/Inflows of Resources Related to OPEB

The Successor Agency's net OPEB liability (asset) is measured as the total OPEB liability, less the OPEB plan's fiduciary net position. The net OPEB liability (asset) is measured as of June 30, 2021, and the total OPEB liability used to calculate the net OPEB liability (asset) was determined by an actuarial valuation as of June 30, 2021.

The change in the net OPEB liability (asset) for the Successor Agency's OPEB Plan is as follows:

	Increase (Decrease)		
	Total OPEB Liability	Plan Fiduciary Net Position	Net OPEB Liability (Asset)
Balance at June 30, 2020	\$ 12,419	\$ 10,328	\$ 2,091
Changes during the measurement period			
Service cost	348	-	348
Interest on the total OPEB liability	831	-	831
Differences between expected and actual experience	(1,337)	-	(1,337)
Change in assumptions	(164)	-	(164)
Contributions from the employer	-	2,259	(2,259)
Net investment income	-	3,039	(3,039)
Administrative expenses	-	(6)	6
Benefit payments	(880)	(880)	-
Net changes during measurement period	(1,202)	4,412	(5,614)
Balance at June 30, 2021	<u>\$ 11,217</u>	<u>\$ 14,740</u>	<u>\$ (3,523)</u>

OPEB Expense – For the year ended June 30, 2022, the Successor Agency recognized OPEB expense (income) of (\$441). At June 30, 2022, the Successor Agency reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
OPEB contributions subsequent to measurement date	\$ 1,689	\$ -
Difference between expected and actual experience	-	(919)
Change in assumptions	-	(207)
Net differences between projected and actual earnings on plan investments	-	(1,649)
Total	<u>\$ 1,689</u>	<u>\$ (2,775)</u>

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(6) Other Postemployment Benefits Plan (Continued)

At June 30, 2022, the Successor Agency reported \$1,689 as deferred outflows of resources related to contributions subsequent to the measurement date, which will be recognized as a reduction (addition) to net OPEB liability (asset) in the year ending June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB items will be recognized as OPEB expense as follows:

Year Ending June 30,	Deferred Outflows/(Inflows) of Resources
2023	\$ (945)
2024	(882)
2025	(488)
2026	(460)
Total	\$ (2,775)

Actuarial Assumptions - A summary of the actuarial assumptions and methods used to calculate the total OPEB liability as of June 30, 2021 are as follows:

Valuation Date	June 30, 2021
Measurement Date	June 30, 2021
Actuarial Cost Method	Entry age normal cost
Discount Rate	6.25%
Inflation	2.50%
Salary Increases	2.75%; Merit based on 2017 CalPERS Experience Study
Healthcare Cost Trend Rate	Non-Medicare - 6.75% for 2022, decreasing to an ultimate rate of 3.75% in 2076. Medicare (Non-Kaiser)- 5.85% for 2022, decreasing to an ultimate rate of 3.75% in 2076. Medicare (Kaiser)- 4.75% for 2022, decreasing to an ultimate rate of 3.75% in 2076.
Mortality and other actuarial assumptions	Derived using CalPERS 2017 Experience Study for the period 1997 to 2015 Post-retirement mortality projected fully generational with Scale MP-2020.

Change in Assumptions – During measurement period ended June 30, 2021, the discount rate was decreased from 6.75% to 6.25%, inflation rate was reduced from 2.75% to 2.50%. and salary increases were reduced from 3.00% to 2.75%. Healthcare cost trend rates were also updated.

Discount Rate – The discount rate used to measure the total OPEB liability was 6.25%. The projection of cash flows used to determine the discount rate assumed that the Successor Agency’s contribution will be made equal to the actuarially determined contribution. Based on those assumptions, the OPEB plan’s fiduciary net position was projected to be available to make all projected OPEB payments for current active and inactive employees. Therefore, the long-term expected rate of return on OPEB plan investments is applied to all periods of projected benefit payments to determine the total OPEB liability.

**SUCCESSOR AGENCY TO THE REDEVELOPMENT AGENCY OF
THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(6) Other Postemployment Benefits Plan (Continued)

The long-term expected rate of return for OPEB plan investments is 6.25%. Using historical returns of all the asset classes, expected compound geometric returns were calculated using a building-block approach. The long-term expected real rate of return by asset class and the target allocation are as follows:

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Global Equity	59.0%	4.82%
Fixed Income	25.0%	1.47%
REITS	8.0%	3.76%
TIPS	5.0%	1.29%
Commodities	3.0%	0.84%
Total	100.0%	

Sensitivity of the Net OPEB Liability (Asset) to Changes in Discount Rate – The following presents the Successor Agency’s net OPEB liability (asset) as of the measurement date, calculated using the discount rate of 6.25%, as well as what the net OPEB liability (asset) would be if it were calculated using a discount rate that is 1 percentage-point lower or 1 percentage-point higher than the current rate:

Discount Rate -1% (5.25%)	Current Discount Rate (6.25%)	Discount Rate +1% (7.25%)
\$ (2,377)	\$ (3,523)	\$ (4,495)

Sensitivity of the Net OPEB Liability (Asset) to Changes in Healthcare Cost Trend Rates – The following presents the Successor Agency’s net OPEB liability (asset) as of the measurement date, as well as what the net OPEB liability (asset) would be if it were calculated using healthcare cost trend rates that are 1 percentage-point lower or 1 percentage-point higher than the current rate:

Healthcare Cost Trend Rate -1%	Current Healthcare Cost Trend Rate	Healthcare Cost Trend Rate +1%
\$ (4,565)	\$ (3,523)	\$ (2,289)

OPEB Plan Fiduciary Net Position – Detailed information about the OPEB plan’s fiduciary net position is available in the separately issued CalPERS annual comprehensive financial report that can be found on the CalPERS website.

THE CITY AND COUNTY OF SAN FRANCISCO**

Notes to Basic Financial Statements
For the Year Ended June 30, 2022
(Dollars in thousands)

(7) Mortgage Revenue Bonds and Other Conduit Debt

In order to facilitate construction and rehabilitation in the City, various community district facility bonds and mortgage revenue bonds have been issued by the former Agency and the Successor Agency on behalf of various developers and property owners who retain full responsibility for the repayment of the debt. When these obligations are issued, they are secured by the related mortgage indebtedness and special assessment taxes, and, in the opinion of management, are not considered obligations of the Successor Agency or the City and are therefore not included in the accompanying financial statements. Debt service payments will be made by developers or property owners. At June 30, 2022, the outstanding community district facility bonds totaling \$147.2 million.

(8) Commitments and Contingent Liabilities

(a) Insurance, Claims and Litigation

The Successor Agency obtained coverage for personal injury, automobile liability, public official errors and omissions and employment practices liability with limits of \$10,000 per occurrence (\$5,000 for employment practices liability) and a \$25 deductible per occurrence. The limit for automobile liability is \$5,000 per occurrence, with a \$25 deductible. The annual aggregate limit for employment practices liability is \$5,000, with a \$25 deductible.

The Successor Agency has been named as defendant in several legal actions. In the opinion of the Successor Agency's management and legal counsel, the outcome of these actions will not have a material adverse effect on the financial position of the Successor Agency.

(b) Transbay Transit Center Agreements

In July 2003, the City, the Transbay Joint Powers Authority (TJPA), and the State of California acting through its Department of Transportation (Caltrans) entered into the Transbay Transit Terminal Cooperative Agreement (Cooperative Agreement) in which Caltrans agreed to transfer approximately 10 acres of State-owned property in and around the then-existing Transbay Terminal to the City and the TJPA to help fund the development of the Transbay Transit Center (TTC). The Cooperative Agreement requires that the TJPA sell certain State-owned parcels and use the revenues from the sales and the net tax increments to finance the TTC.

In 2008, the City and the former Agency entered into a binding agreement with the TJPA that irrevocably pledges all sales proceeds and net tax increments from the State-owned parcels to the TJPA for a period of 45 years (Transbay Redevelopment Project Tax Increment Allocation and Sales Proceeds Agreement). At the same time, the City, the TJPA and the former Agency entered into an Option Agreement, which grants options to the former Agency to acquire the State-owned parcels, arrange for development of the parcels, and distribute the net tax increments to the TJPA to use for the TTC. During the year ended June 30, 2022, the Successor Agency distributed pledged revenue in the amount of \$28,294 to the TJPA. The payment was recorded as a deduction – distribution of pledged revenue to TJPA on the statement of changes in fiduciary net position.

(Dollars in thousands)

(8) Commitments and Contingent Liabilities (Continued)

(c) *Encumbrances*

The Successor Agency uses encumbrances to control expenditure commitments for the year. Encumbrances represent commitments related to executed contracts not yet performed and purchase orders not yet filled. Commitments for such expenditure of funds are encumbered to allocate a portion of applicable appropriations. Encumbrances still open at period end are not accounted for as expenses and liabilities. At June 30, 2022, the Successor Agency had outstanding encumbrances totaling \$10,463.

(9) Related Party Transactions

(a) *Due to the City and County of San Francisco*

At June 30, 2022, the Successor Agency has payables to the City in the amount of \$4,565 for services provided. The balance is recorded as payable to the City on the statement of net position.

(b) *Payments to the City and County of San Francisco*

A variety of City departments provide administrative services to the Successor Agency and charge amounts designed to recover costs. These charges, totaling \$12,275 for the year ended June 30, 2022, have been included in various deduction line items on the statement of changes in fiduciary net position.

**Independent Auditor’s Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards***

Commission on Community Investment and Infrastructure
Successor Agency to the Redevelopment Agency of the
City and County of San Francisco
San Francisco, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the fiduciary activities of the Successor Agency to the Redevelopment Agency of the City and County of San Francisco (Successor Agency), a component unit of the City and County of San Francisco, California, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Successor Agency’s basic financial statements, and have issued our report thereon dated November 10, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Successor Agency’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Successor Agency’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Successor Agency’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Successor Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
