	San Francisco City and County Recognized Obligation Payment Schedule (ROPS 16-17) - Notes
	June 1, 2016 through June 30, 2017
Item #	Notes/Comments
84	MBN OPA: FINAL & CONCLUSIVE DETERMINATION (1.24.14); This line shows the amount of funds that will be used to reimburse FOCIL-MB, LLC pursuant to the MBN OPA. The OPA obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure. OCII estimates it will reimburse the developer \$9.6M from bonds. The full TI amount has been allocated to paying down CFD#4, therefore there is no reimbursement projected from TI. However, the final total amount of the Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC. Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS. Any reimbursement from TI would reduce the amount utilized to pay down CFD#4 bonds.
85	MBN Payment on CFD#4 Bonds: FINAL & CONCLUSIVE DETERMINATION (1.24.14). RPTTF from MBN may be used for the early repayment of principle of existing 2002 CFD Bond. In 16-17 OCII projected use of \$0.9 million in Reserve and \$5.0 million in TI for early repayment of principle of 2002 CFD Bond. This reflects the full \$5.0 million. TI projected in 16-17 as well as the projected balance of \$936,728 at the end of 15-16. This is a subline of line 84.
86	MBN Tax Increment Allocation Pledge Agreement: FINAL & CONCLUSIVE DETERMINATION (1.24.14); The Tax Increment Allocation Pledge Agreement obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure and reimburse CFD#4 bonds. Tax increment is irrevocably pledged to provide for direct reimbursement and payment of debt service on bonds, the proceeds of which reimburse master developer for infrastructure installed in plan area. Debt Service payments are an obligation of the MBN Tax Increment Allocation Pledge Agreement, but the actual payments are shown under each individual bond line item below. In addition, the payments to the Master Developer for Infrastructure and to non-profit developers for Affordable Housing, as obligated by the OPA, are shown on separate lines. The final total amount of the Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC. This line is a sub-line of line 84.
87	MBS OPA: FINAL & CONCLUSIVE DETERMINATION (1.24.14); This line shows the amounts of funds that will be used to reimburse FOCIL-MB, LLC pursuant to the MBS OPA. The OPA obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure. Total Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC, and will be is paid both from Bond Proceeds and Tax Increment, and from CFD Bond Proceeds. OCII estimates reimbursing the developer \$73.8M from bond proceeds in 16-17. In ROPS 16-17, no TI is anticipated to be distributed because the total TI amount is pledged to debt service. Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.
88	MBS Tax Increment Allocation Pledge Agreement: FINAL & CONCLUSIVE DETERMINATION (1.24.14); The Tax Increment Allocation Pledge Agreement obligates the Successor Agency to use tax increment, and to issue bonds backed by tax increment (the proceeds of which are used), to repay FOCIL for infrastructure. The Total Outstanding Debt or Obligation will vary depending on the actual expenditures allowed under OPA with FOCIL-MB, LLC. Tax increment is irrevocably pledged to provide for direct reimbursement and payment of debt service on bonds, the proceeds of which reimburse master developer for infrastructure installed in plan area. Debt Service payments are an obligation of the MBS Tax Increment Allocation Pledge Agreement, but the actual payments are shown under each individual bond line item below. In addition, the payments to the Master Developer for Infrastructure and to non-profit developers for Affordable Housing, as obligated by the OPA, are shown on separate lines. This line is a sub-line of line 87.
89	Mission Bay Agency Costs Reimbursements: OPAs allow Successor Agency to access TI or direct developer fees to reimburse Agency Costs, including the cost of other City agencies or outside organizations whose expertise is needed to implement the OPAs - based on T&M for costs allowed by the OPAs. Currently the Master Developer, FOCIL, is reimbursing the majority of the Agency Costs, but in the future RPTTF may be used for allowed Agency Costs. However, it is anticipated that there will be three contracts with third party entities to provide consulting services for fiscal analysis and planning services, for a combined amount of \$500,000 that will be reimbursed through direct developer payments considered "Other". Since it is unknown at this time what the ultimate amount of Agency Costs that will not be reimbursed by the Master Developer, thereby requiring RPTTF, the total outstanding obligation is unknown.
90	MBN and MBS DPW/Harris and Associates Construction Cost Review Consulting: This review of developer reimbursement requests by a consultant is required to ensure that developer reimbursements for infrastructure are appropriate per the OPAs and CFDs. It is a long-term obligation under the MBN and MBS OPAs that is fulfilled through a contract between the City's Dept. of Public Works and Harris & Associates, for which the cost is paid through the Successor Agency. DPW has extended Harris & Associates contract term to 8/11/16. DPW will extend the existing contract or re-bid the work when the existing contract expires. As the end date of the new contract Termination Date matches the end of the ROPS period. The Agency has estimated \$360,000 will be paid in ROPS 16-17 from "Other" funds, (Developer Reimbursements). However, the MBN and MBS OPAs allow the Successor Agency to use RPTTF, Bond Proceeds, and Reserve Balances to reimburse for Agency Costs, which includes the Harris Contract, so such payments may be needed in the future.
91	MBN and MBS Art Program: The Mission Bay Redevelopment Plans require projects with over 25K in commercial space to pay 1% of hard costs for public art. The source of these Other funds are Developer Fees. There will be individual contracts with artists once selected. The contract dates in this line are the start and end dates of the Mission Bay South Redevelopment Plan (the Mission Bay North Redevelopment Plan started on October 26, 1998 and ends on October 26, 2028). Expenditures will be made through individual contracts with artists, once selected.
101	Transbay Folsom/Essex/Underramp Design Services: Ancillary contract in compliance with the Transbay Implementation Agreement, Item # 105, which was finally and conclusively determined to be an enforceable obligation on April 15, 2013. These expenditures are required pursuant to Section 2.1 .d of the Transbay Implementation Agreement requiring activities related to major infrastructure improvements. This is a 3-year contract with an additional 3-year extension for design services required to implement the Redevelopment Plan and will be paid for using DDR-Approved bond proceeds from the 2009B and F bond series, 2011B bonds, and developer fees and the San Francisco Metropolitan Transit Authority.
102	Transbay Tax Increment Sales Proceeds Pledge Agreement. FINAL & CONCLUSIVE DETERMINATION RECEIVED 4.15.13. Sales proceeds and tax increment generated from the sale and development of the state-owned parcels is pledged to TJPA for development to the Transit Center as required by the Redevelopment Plan Cooperative Agreement. TJPA will use these funds to repay the Transportation Infrastructure Finance and Innovation Act (TIFIA) loan executed between TJPA and US DOT. TI from the state-owned parcels provided to TJPA is net of AB1290 pass-through and affordable housing requirements, per the Cooperative Agreement. In ROPS 16-17 the TI is estimated to be \$1,552,146 based on estimates provided by the CCSF Controller's office. Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, OCII requests that the DOF ROPS approval letter instruct the CCSF Controller to distribute the actual TI collected, rather than the projected amount reported in the ROPS.
105	Transbay Implementation Agreement: FINAL & CONCLUSIVE DETERMINATION RECEIVED (4/15/13). The Agency shall execute all activities related to the implementation of the Transbay Redevelopment Plan, including, but not limited to, activities related to major infrastructure improvements, including new public parks, new pedestrian oriented alleys, and widened sidewalks, etc. The project cost for implementation of the Transbay Redevelopment Plan activities set forth in the Agreement shall be incurred by the Agency and included in the Agency's annual budget submitted to the City. The total outstanding obligation is the estimated public improvement costs necessary to implement the redevelopment plan, specifically the Transbay Streetscape and Open Space Concept Plan which was approved in 2006. As contracts are approved they are added as separate lines in the ROPS. The total outstanding debt was estimated at \$297M as of the final and conclusive determination. This amount is spread between this line and other ancillary contracts to the implementation agreement, including items 106-115 and 391.
106	Transbay Folsom Street Off-Ramp: Retired
107	Transbay Folsom Street improvements ancillary contract with San Francisco Department of Public Works in compliance with the Transbay Implementation Agreement, Item # 105. These obligations are required pursuant to section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "execute activities related to major infrastructure improvements." Of the \$19M in this line item, The \$16.2M is for Folsom Streetscape Improvements construction during this period and will be paid from remaining 2011B bond proceeds (\$8.8M) and future bond proceeds (\$7.4). \$1M in RPTTF is for the first reimbursement to the Block 6 developer for their Folsom streetscape expenditures.

Item #	· · · · · · · · · · · · · · · · · · ·
	Transbay Streetscape Art Commission Review: Ancillary contract with the San Francisco Arts Commission for public art in the Transbay area in compliance with the Transbay Implementation Agreement, Item # 105. These obligations are required pursuant to section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "execute activities related to major infrastructure improvements". We are expecting to execute a Letter Agreement with the Arts Commission to provide City design review and public art assistance in the design of the streetscape and open space plan.
109	Transbay City Attorney or outside counsel review of documents related to Transbay obligations, in compliance with the Transbay Implementation Agreement, Item # 105. These expenditures are required pursuant to Section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency "prepare and sell certain state-owned parcels to third parties" and requiring the Successor Agency to "execute activities related to major infrastructure improvements". City Attorney's office will review and approve agreements and contracts required under the Implementation Agreement on an ongoing basis. The source of funds for attorney review of development parcel documents is developer fees whenever billable. In some cases, attorney reviews may be for items that are not billable to developers (e.g. OCII sole obligations for park and certain streetscape improvements), in which case RPTTF would be used.
115	Transbay Ancillary contracts for professional services in compliance with the Transbay Implementation Agreement, Item # 105, pursuant to section 2.1 of the Transbay Implementation Agreement requiring the Successor Agency to "prepare and sell certain state-owned parcels to third parties," "execute all activities related to the Implementation of the Transbay Redevelopment Plan" and "execute activities related to major infrastructure improvements." Contracts funded with Other (\$200K requested this period) would include items that can be reimbursed by developers or TJPA. Items that cannot be reimbursed must be covered by RPTTF (\$100K requested this period), including economic forecasting, infrastructure construction planning and management.
118	Fillmore Garage Operating Agreement Expense Reimbursement from Garage Revenues: Garage operating agreement with Impark. Under the agreement, which expires on June 30, 2016, the garage operator is reimbursed every month for garage operating expenses. Operating costs, common area maintenance charges, insurance, parking taxes, and garage mgmt. fee total about \$34,500 a month. With the closure of the largest commercial tenant in this project in January 2015, the garage's revenues plummeted and the garage is running a deficit of approximately \$10,000 per month. The large deficits are accounted for on ROPS line #119. The Successor Agency intends to sell the property consistent with the property management plan. However, in the event this transfer does not occur prior to June 30, 2016, the Successor Agency will need to extend the garage operating agreement and continue to reimburse the operator.
440	Fillmore Garage Operating Deficit and Capital Reserves Coverage. Under the operator's contract listed in Line #118, the operator must be reimbursed for any deficits every six months. With the closure of the largest commercial tenant in this project in January 2015, the average monthly deficit is currently approximately \$10,000. CAM charges alone for the garage run about \$15,000/month. To be prudent, the Successor Agency is expecting deficits now to run about \$25,000/month. This line also includes \$150,000 to cover any unforeseen emergency expenses. The Successor Agency intends to sell the property consistent with the property management plan. However, in the event this transfer does not occur prior to June 30, 2016, the Successor Agency will need to continue paying for the operating deficit and set aside funds for capital reserves.
123	Fillmore Heritage Center DDA. This agreement is an enforceable obligation and is part of the Successor Agency's project work. It will require staff time of the Successor Agency to close-out, given the termination of the related Ground Lease in 2015.
124	Fillmore Heritage Center Commercial Ground Lease. This agreement is an enforceable obligation and is part of the Successor Agency's project work. It will require staff time of the Successor Agency to close-out.
125	Fillmore Heritage Center REA. This agreement is an enforceable obligation and is part of the Successor Agency's project work. It will require staff time of the Successor Agency to implement and close-out, until such time as the Successor Agency transfers its ownership of the garage and commercial parcel to the City.
126	Fillmore Heritage Common Area Maintenance (CAM) Charges: The City is currently the Successor Agency's tenant under the ground lease for the commercial parcel in the Fillmore Heritage Center. Pursuant to the ground lease, the City is responsible for paying common area maintenance charges (CAM) on the commercial parcel. If the City or any subsequent tenant defaults on these payments the Successor Agency, as owner of the commercial parcel, is responsible for paying any outstanding CAM charges. CAM charges for all three tenants run about \$15,000 a month. It is anticipated that the Successor Agency will be transferring this asset to the City. However, given that the timing of this transfer is not known, the Successor Agency is requesting sufficient funding to pay the CAM charges in the unlikely event that there are outstanding CAM charges.
127	Yoshi's TI Loan. This \$7.2 million loan agreement is an enforceable obligation and is part of the Successor Agency's project work. Given the termination of the Ground Lease with Fillmore Development Commercial, this debt will likely need to be restructured.
120	Jessie Square Garage Reimbursement to City for Debt Service Payments: Estimated pay-off to City of accumulated amount owed for debt service payments related to debt issued for construction of garage, from proceeds of sale of garage to Millennium Partners. This Purchase and Sale agreement was approved by the Oversight Board on July 11, 2013 through Resolution 8-2013, and by DOF on October 4, 2013.
139	Jessie Square Garage Parking Tax: Payment to City of parking tax related to Jessie Square Garage and to the operator for management fees. This obligation will be retired when the Garage is sold, which is expected to occur during the ROPS 15-16B period. However, this payment has been included in ROPS 16-17, in the unlikely event that the Garage sale is extended into the ROPS 16-17 period. The \$660,000 payment is for a six month period.
	Yerba Buena Garden Capital Improvements. Expenditures on this line are for capital improvements in Yerba Buena Gardens (YBG), which the Successor Agency owns but will be transferring to the City in 2016 or 2017, pursuant to the DOF-approved LRPMP.
	As background, the Successor Agency uses a software program to forecast and budget for known cyclic repair and replacement requirements that extend the life of the YBG's buildings and systems and maintain them in usable condition. The Gardens were built over an underground convention center so maintaining the waterproofing barriers between the structures of this 20-year old facility has been a significant expense for the Successor Agency over the past few years and is projected to be an ongoing expense in future fiscal years as the properties continue to age. Based on output from the capital forecasting software program, the capital repair and replacement needs in YBG total about \$32 million over the next 20 years.
	Based on this forecasting model, the Successor Agency expects to expend \$6,000,000 during fiscal year 2016-17 on capital improvements in the Gardens. Capital projects underway at YBG include projects approved in budgets from FY14-15 and FY15-16. The Successor Agency's capital budgets are multi-year budgets, so once we have the authority to spend capital funds, that authority can span multiple fiscal years (unlike ROPS spending authority). Therefore, the amount requested in any given ROPS period is likely to include (1) capital projects from prior fiscal years in addition to projects approved in the current fiscal year, and (2) projected amounts rolled over from previous ROPS periods. Thus, the Successor Agency's request for spending authority is usually higher than the amount budgeted in any given fiscal year. For FY16-17, the Successor Agency is rolling over about \$3 million in prior year capital projects and has about \$3 million in new capital projects slated for FY16-17 (pending budget approval in Spring 2016).

	June 1, 2016 through June 30, 2017
Item #	Notes/Comments
141	Yerba Buena Garden Operating Expenses. MJM is the Successor Agency's full-time, on-site property manager responsible for overall operations, maintenance, security, event coordination, and capital repair/replacement work at YBG. The money under this contract pays (1) a fixed management fee to MJM and (2) variable annual operating expenses for YBG. This contract will be transferred to the City when YBG is transferred to the City in 2016 or 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the contract. The funds to pay for this contract, and YBG operational costs, comes from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens.
142	Children's Creativity Museum Operating Agreement. The funds to pay for this \$600,000/year contract come from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. The Successor Agency owns the museum building/carousel and has an operating agreement with a non-profit to operate the museum and the carousel. This agreement will be transferred to the City when YBG is transferred to the City in 2016 or 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the agreement until the contract expires. Payments are made quarterly as follows: Qtr. 1 40% (\$240,000); Qtr. 2 30% (\$180,000); Qtr. 3 20% (\$120,000); and, Qtr. 4 10% (60,000).
143	Yerba Buena Center for the Arts Operating Agreement. The funds to pay for this contract come from CDGB restricted lease revenues and developer fees from Yerba Buena Gardens. The Successor Agency owns the Center for the Arts buildings and has a long-term operating agreement (until 2095 with all extended terms) with a non-profit to operate the cultural facilities. The initial term ends 6/30/2019. This agreement will be transferred to the City when YBG is transferred to the City in 2016 or 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the agreement until the contract expires or is extended by the City. Payments are made in equal quarterly installments of \$832,500 each.
144	Yerba Buena Gardens Outdoor Programming. This is an agreement to provide outdoor event programming in the public open space at Yerba Buena Gardens. The funds to pay for this contract come from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. This contract will be transferred to the City when YBG is transferred to the City in 2016 or 2017, pursuant to the property management plan approved by DOF. At that time, the City will assume the Agency's role under the contract until the contract expires. Payments are made quarterly as follows: Qtr. 1 40% (\$30,000); Qtr. 2 20% (\$15,000); and, Qtr. 4 20% (\$15,000).
145	Yerba Buena Community Benefit District. The Tax Collector collects CBD assessments via secured property tax bills issued annually and passes the assessment through to the CBD. The Successor Agency owns the following parcels in the YB CBD, which are assessed: APNs: 3723-115, 3706-277, 3751-167, & 3751-168. CBD payments are made annually in December. The final payment will be in December 2029. The funds to pay these fees comes from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. This expense will transfer to the City with the transfer of Yerba Buena Gardens in 2016 or 2017.
147	Yerba Buena Garden Legal Fees. The funds to pay for these services come from CDBG restricted lease revenues and developer fees from Yerba Buena Gardens. The Successor Agency expects to transfer YBG to the City in 2016 or 2017, pursuant to the Successor Agency's property management plan approved by DOF. At that time, this line will be retired from the ROPS.
151	The Mexican Museum Grant Agreement. This is a \$10.566 million grant agreement for predevelopment and tenant improvements for a museum. The remaining balance of \$7,785,119 is tax exempt bond proceeds reserved for future tenant improvements.
153	The Paramount/680 Mission LDA: Under a 1998 disposition and development agreement, the former Redevelopment Agency conveyed land that had been acquired with federal community development funds. As part of the agreement, the purchase price was discounted so that a below-market lease could be provided to a non-profit organization, the California Historical Society (CHS); in 2014, CHS reduced the size of its space under a lease amendment. As a result, the Successor Agency is due payments totaling \$945,949 plus 1% interest in four annual installments beginning in 2015. HUD deems these funds to be program income under the Community Development Block Grant (CDBG) program. Accordingly, the Successor Agency will list the expenditures of these funds on future ROPS when it receives them and transfers them to the Mayor's Office of Housing and Community Development, the City's CDBG administrator.
161	Alice Griffith Agency Funding Obligation. FINAL & CONCLUSIVE DETERMINATION (12.14.12) (shown as line 123 on the F&C which used the ROPS III numbering system): Pursuant to HPS Phase 2 DDA, obligation to provide capital funding to rebuild Alice Griffith Public Housing development of 504 units with five phases, of which Phases 1 and 2 are funded and under construction. Phases 3A and 3B gap funds approved in ROPS 14-15B pursuant to AB 471. \$3.0 million in prior year Bonds is predev. expenses of Phase 3C (Block 5) included in 15/16B ROPS, and spending in 16/17. Phase 3C gap funding of \$10.3 million in 16/17 comprised of \$5.6 m in prior year bonds (and \$4.7 m in developer fee shown in line 361) pursuant to AB 471. \$3.5 million in Bonds is for predevelopment expenses for Phase 4, a portion of which will be from the new SB 107 bonds. (Note: due to the timing of the Governor's approval of the legislation needed for the new SB 107 bonding authority, the Oversight Board will not yet have reviewed bond documents related to these new bonds prior to the ROPS 16-17 approval; however no bond issuance or expenditure of funds would occur without Oversight Board and DOF review and approval.)  5800 3rd Street Construction loan. RETIRE
177	Hunters View Phase II-III Loan Agreement (approved by the SFRA Commission on April 19, 2011). Loan for construction of HV Phases II & III of new affordable housing as part of revitalization of Hunters View public housing project. The remaining available loan amount of \$21.7 million was committed for HV Phase II through a loan agreement in ROPS 13-14b period. With this commitment, the obligation for HV Phase II & III is satisfied.
218	HPS Phase 1 Affordable Housing Obligation FINAL & CONCLUSIVE DETERMINATION (12.14.12) (shown as line 173 on the F&C which used the ROPS III numbering system): Contractual obligation under Hunters Point Shipyard-Phase 1 Disposition and Development Agreement to fund and construct affordable housing on Agency-owned parcels in HPS Phase 1; estimated cost of funding 218 affordable housing units, actual amount will vary with actual cost of housing and timing of issuance of bonds. Obligation remains until affordable housing obligation is fulfilled. The estimated cost for first block (54) has been moved to new Line 395.
219	HPS Phase 2 - CP Affordable Housing Obligation: FINAL & CONCLUSIVE DETERMINATION (12.14.12) (shown as line 174 on the F&C which used the ROPS III numbering system): Pledge of Property Tax Revenues to fulfill affordable housing obligations in Candlestick Point-Hunters Point Shipyard-Phase 2 Disposition and Development Agreement (total outstanding debt in Statement of Indebtedness (9.30.11) ("SOI") estimated to be \$1,074,632,964 from HPS Housing Obligation, SOI at p. 57, less the \$65.4 million estimated for the 218 units per the Phase 1 DDA, and an unspecified portion from BVHP Housing Obligation, SOI at p. 52, over life of project). Binding agreements per § 34171 (d) (1)(E));7 (amts owing to LMIHF, §34171 (d) (1)(G).
220	Mission Bay North Affordable Housing Obligation: FINAL & CONCLUSIVE DETERMINATION (1.24.14); Pledge of Property Tax Revenues, defined as Housing Increment, under Mission Bay North Tax Allocation Pledge Agreement (to which Owner is a third party beneficiary) to fulfill affordable housing obligations in Mission Bay North Owner Participation Agreement. Upon completion of housing program in MB-North, tax increment then pledged to housing program in MB-South. The total outstanding estimate is based on the FY 2011-12 Statement of Indebtedness (SOI) page 37 of \$320M, taking out the amounts included in that number for the housing debt service obligations included on separate ROPS lines: Series 2006A (\$9M, 2007A (\$30M), 2009A (\$4M), 2009E (\$2M), 2011E (\$3M). Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.

226	Mission Bay South Affordable Housing Obligation: FINAL & CONCLUSIVE DETERMINATION (1.24.14); Pledge of Property Tax Revenues, defined as Housing Increment, under Mission Bay South Tax Allocation Pledge Agreement (to which Owner is a third party beneficiary) to fulfill affordable housing obligations in Mission Bay South Owner Participation Agreement. The total outstanding estimate is based on the FY 2011-12 Statement of Indebtedness (SOI) page 42 of \$436M, taking out the amounts included in that number for housing debt service obligations included on separate ROPS lines: Series 2009A (\$6M), 2009E (\$10M), 2011E (\$19M), and taking out reported expenditures from this line on ROPS I, II, III, 13-14A and 13-14B, and taking out outstanding obligations for individual MBS housing projects that have their own separate ROPS lines (228 for MBS Parcel 7W, 393 for MBS Parcel 6E, and 394 for MBS Parcel 3E). Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.	
228	Mission Bay South Parcel 7W: Budget for this housing project approved in ROPS 13-14B and committed to the project per AB 471. Project in construction, estimated completion 2017.	
237	Transbay Affordable Housing Obligation: FINAL & CONCLUSIVE DETERMINATION (4.15.13): Requirement of the Implementation Agreement (Item 105) and Section 5027.1 of California Public Resources Code that terminal project include 25 % of all new dwelling units in project area be available at affordable housing cost for low income households (60% AMI) and 10% of all new units be available for moderate income (120% AMI) (total outstanding debt estimated to be \$849,936,548 over life of project, SOI at p. 47); and required funding for affordable housing obligations. Funding for the specific affordable housing projects and debt service on associated tax allocation bonds required per this obligation are shown on individual Transbay lines: Lines 238 (R.C. Apts), 239 (Blks 6/7), 363 (Blk 9), and 374 (Blk 8), 392 (Blk 1) and various debt service lines. Total outstanding obligation lowered by amounts placed on separate ROPS lines 363, 374 and 291. Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, we request that the DOF ROPS approval letter instruct the City and County Controller's Office to distribute the actual pledged amount for this line, regardless of whether that is more or less than the estimate on this ROPS.	
239	Transbay Blocks 6 & 7 Construction: For Block 7, the total funding amount is a \$25.6 million loan including \$3.4M for predevelopment plus \$22.2M toward construction financing for a 120 unit affordable housing project, as mandated by CA Public Resources Code Sec. 5027.1 (per final and conclusive determination regarding Transbay housing umbrella obligation on ROPS Line 237. The project size was previously estimated at 85 units, and \$17 million in Other (developer fee) funding was included on ROPS 14-15B, but the project design was changed to include a total of 120 units, which required an additional \$8.6 million and was included on ROPS 15-16A, for a grand total of \$25.6 million. The request is pursuant to AB 471. The source of the funding is restricted Developer Impact Fees (San Francisco Planning Code Section 415) paid by market rate developers.	
250	Port Lease N-1 (L11183) for South Beach Harbor. Leases will remain in place until SBH is reverted to the Port, pending approval by State Lands. Lease payments are funded by SBH boat slip rental revenues. Full lease payment is made in June.	
251	Port Lease N1-B (L11595) for South Beach Harbor. Leases will remain in place until SBH is reverted to the Port, pending approval by State Lands. Lease payments are funded by SBH boat slip rental revenues. Full lease payment is made in June.	
252	Port Lease N-2 (L10892) for South Beach Harbor. Leases will remain in place until SBH is reverted to the Port, pending approval by State Lands. Lease payments are funded by SBH boat slip rental revenues. Full lease payment is made in June.	
255	Sublease Agreement with Carmen and Benito Solis. No expenditures are anticipated in FY16-17	
257	Payments to Port for South Beach Harbor Operations. Port operates SBH on behalf of OCII, with OCII reimbursing costs. \$1,216,700 was budgeted for FY15-16. As per Port, because Port recognized SBH in its financial statements in 15-16, OCII will no longer cover these costs. However, because State Lands has not yet approved the transfer, to be conservative, the 15-16 budget is included in the ROPS. This obligation will remain in place until SBH is reverted to the Port, pending approval by State Lands.	
261	1998C Bond Debt Service. No debt service payments until 8.1.2023 (due to trustees 6.30.2023)	
264	1998D Bond Debt Service. Bonds were partially refunded in 2014C bonds. The total obligation is the remaining amount. No debt service is due in this period.	
270	<b>2003B Bond Debt Service.</b> A full year of debt service is due in this period. Debt service, with the exception of the portion related to Jessie Square, will be funded with Non-Admin RPTTF. In this period, the amount of debt service is \$7,052,688. The total outstanding debt service is \$14,640,688. Debt service on Jessie Square garage would be paid by Other because the buyer will be required to defease the bonds as part of the terms of the sale. The estimated amount of principal and interest to be defeased is \$6,195,000 Jessie Square did not change hands in 15-16A as expected, therefore amount of outstanding obligation is higher.	
345	<b>Bond Management Administration Costs</b> . These charges reflect the cost of bond portfolio management, related accounting, CCSF and outside legal counsel, financial advisor services, fiscal consultant services and other costs directly arising from contractual, regulatory and statutory bond obligations. Bond Proceeds fund \$3,953,959, in closing costs. Non-Admin RPTTF funds \$100,000 in bond accounting professional services.	
346	South Beach Harbor Bond Debt Service. Tax increment generated by SBH is pledged to debt service. If TI is insufficient to pay debt service, the balance is paid with SBH revenue e.g. other funds. Debt service due in this period is \$678,450. TI in this period is expected to be \$100,000. Therefore, OCII projects to use 578,450 in SBH revenues. To the extent that additional TI is received, use of other funds will be reduced. Since the amount to be distributed is dependent on actual tax receipts pledged to this purpose, OCII requests that the DOF ROPS approval letter instruct the CCSF CON to distribute the actual TI, regardless of projected amount.	
347	South Beach Harbor Trustee Fees. As per 8.31.2015 email from Andrew Fung of US Bank, the Trustee, no fees will be assessed as bonds are maturing 12.1.2016.	
348	CalBoating Loans. SFRDA took out loans to improve SBH. SBH revenues are pledged to repay the loans. However, as per MOU with Port, the CalBoating Loan claim is subordinate to the Ports Operating expenses and debt service. Should revenues be insufficient to cover this obligation, OCII will request TI. This obligation will remain in place until SBH is reverted to the Port, pending approval by State Lands. If land transfer is approved, obligation will be transferred with land.	
349	HPS-CP Project Related Transportation and Meeting Expenses: Source of funds: Developer reimbursement. This is an ongoing cost which the Successor Agency anticipates until the completion of the HPS project. Under the Candlestick Point-Hunters Point Shipyard Disposition and Development Agreement ("Phase 2 DDA") whereby the master developer, as a party to the Phase 2 DDA, is obligated to pay the Successor Agency for various costs associated with pre-development and development activities.	
354	HPS Phase 1 City Planning Staff Costs: Source of Funds: Developer Reimbursement. This is an ongoing cost which the Agency anticipates until the completion of the HPS project. This is an ancillary contract in compliance with item # 49, formerly line 67 on ROPS III, which was finally and conclusive determined to be an enforceable obligation on December 14, 2012.	
355	HPS Phase 2 -CP SF Public Utilities Commission Staff Costs: Source of Funds: Developer Reimbursement. This is an ongoing cost which the Successor Agency anticipates until the completion of the HPS project. This is an ancillary contract in compliance with item # 49, formerly line 67 on ROPS III, which was finally and conclusive determined to be an enforceable obligation on December 14, 2012.	
359	<b>706 Mission Street Purchase and Sale Agreement ("PSA").</b> This PSA was approved by the Successor Agency's Oversight Board on July 22, 2013, and by DOF on October 4, 2013. The PSA authorizes the sale of the following three properties to an affiliate of Millennium Partners for the development of the 706 Mission Street/Mexican Museum project: (1) an improved subterranean public parking garage commonly known as the Jessie Square Garage located generally below Jessie Square Plaza; (2) an approximately 9,778-square-foot undeveloped parcel fronting Mission Street between Third and Fourth Streets adjacent to Jessie Square Plaza; and (3) a 3,690-square-foot air rights parcel located above Jessie Square Plaza. The Developer is required under the PSA to pay the Successor Agency (1) \$4,456,378 in affordable housing fees, paid in three installments over time, (2) \$510,882 a year in perpetuity to support Yerba Buena Gardens operations (net present value equals \$40.1 million), (3) \$86,400 in traffic improvement fees, and (4) \$1,661,348 in open space fees. The Successor Agency received the \$86,400 traffic improvement fee in 2015, and the Successor Agency is required under the PSA to either (1) contract with the City for these services, or (2) contract with the community benefit district for these services. The Successor Agency also expects to receive the \$1,661,348 open space fee in 2016 and, as required by the PSA, the payment will be split between Yerba Buena Gardens and other public open spaces in the adjacent South of Market Area.
